

Televised Presidential Debates

Alan Schroeder

Televised Presidential Debates:

Televised Presidential Debates Susan A. Hellweg, Michael Pfau, Steven Brydon, 1992-01-13 Argues that television has profoundly altered the nature of presidential debates that the demands of television have dictated the structure and formats of contemporary debates and that the visual content of presidential debates plays an important role in the way candidates exercise influence

Televised Presidential Debates and Public Policy Sidney Kraus, 1999-10-01 With this second edition Kraus continues his examination of formal presidential debates considering the experience of television in presidential elections reviewing what has been learned about televised debates and evaluating that knowledge in the context of the election process specifically and the political process generally He also examines the media and the role they occupy in presidential elections Because critics often refer to the Lincoln Douglas debates when reproaching presidential debates comparisons of the two are discussed throughout the book Much of the data and information for this accounting of televised presidential debates comes from the author's first hand experience as one who was involved with these debates as a participant observer on site at nearly all of the debates discussed Throughout these discussions emphasis is placed on the implications for public policy To suggest policy that will be accepted and adopted by politicians and the public is at best difficult Proposals for changes in public policy based on experience even when scientific data support those changes must be subjected to an assessment of the values and predispositions of the proponent These values and predispositions however may not necessarily inhibit the proponent's objectivity As such this review of television use in the presidential election process provides the context for examining televised debates

A Proper Institution John Bayard Anderson, 1988

Televised Presidential Debates in a Changing Media Environment Edward A. Hinck, 2018-11-26 This two volume set examines recent presidential and vice presidential debates addresses how citizens make sense of these events in new media and considers whether the evolution of these forms of consumption is healthy for future presidential campaigns and for democracy The presidential debates of 2016 underscored how television highlights candidates and campaigns messages which provide fodder for citizens widespread use of new media to talk back to campaigns and other citizens Social media will continue to affect the way that campaign events like presidential debates are consumed by audiences and how they shape campaign outcomes This two volume study is one of the first to examine the relationship between debates as televised events and events consumed by citizens through social media It also assesses the town hall debate format from 1992 to 2016 uses the lens of civil dialogue to consider how citizens watch the debates and considers the growing impact of new media commentary on candidate images that emerge in presidential and vice presidential debates Televised Presidential Debates in a Changing Media Environment features contributions from leading political communication scholars that illuminate how presidential debates are transforming from events that are privately contemplated by citizens to events that are increasingly viewed and discussed by citizens through social media The first volume focuses on traditional studies of debates as televised

campaign events and the second volume examines the changing audiences for debates as they become consumed and discussed by viewers outside the traditional channels of newspapers cable news channels and campaign messaging Readers will contemplate questions of new forms problems and possibilities of political engagement that are resulting from citizens producing and consuming political messages in new media

Inside the Presidential Debates Newton N. Minow, Craig L. LaMay, 2008-09-15 Newton Minow's long engagement with the world of television began nearly fifty years ago when President Kennedy appointed him chairman of the Federal Communications Commission As its head Minow would famously dub TV a vast wasteland thus inaugurating a career dedicated to reforming television to better serve the public interest Since then he has been chairman of PBS and on the board of CBS and elsewhere but his most lasting contribution remains his leadership on televised presidential debates He was assistant counsel to Illinois governor Adlai Stevenson when Stevenson first proposed the idea of the debates in 1960 he served as cochair of the presidential debates in 1976 and 1980 and he helped create and is currently vice chairman of the Commission on Presidential Debates which has organized the debates for the last two decades Written with longtime collaborator Craig LaMay this fascinating history offers readers for the first time a genuinely inside look into the origins of the presidential debates and the many battles both legal and personal that have determined who has been allowed to debate and under what circumstances The authors do not dismiss the criticism of the presidential debates in recent years but do come down solidly in favor of them arguing that they are one of the great accomplishments of modern American electoral politics As they remind us the debates were once unique in the democratic world are now emulated across the globe and they offer the public the only real chance to see the candidates speak in direct response to one another in a discussion of major social economic and foreign policy issues Looking to the challenges posed by third party candidates and the emergence of new media such as YouTube Minow and LaMay ultimately make recommendations for the future calling for the debates to become less formal with candidates allowed to question each other and citizens allowed to question candidates directly They also explore the many ways in which the Internet might serve to broaden the debates appeal and informative power Whether it's Clinton or Obama vs McCain *Inside the Presidential Debates* will be welcomed in 2008 by anyone interested in where this crucial part of our democracy is headed and how it got there

Presidential Debates Alan Schroeder, 2008 Schroeder investigates the nuts and bolts of presidential debates as they play out on live television shedding light on the dramatic aspects that make these political contests must see TV

Beyond Debate Joel L. Swerdlow, 1984

Livre de lecture pour développer le jugement, 1830

Televised Presidential Debates in a Changing Media Environment Edward A. Hinck, 2018-11-26 This two volume set examines recent presidential and vice presidential debates addresses how citizens make sense of these events in new media and considers whether the evolution of these forms of consumption is healthy for future presidential campaigns and for democracy The presidential debates of 2016 underscored how television highlights candidates and campaigns messages which provide

fodder for citizens widespread use of new media to talk back to campaigns and other citizens Social media will continue to affect the way that campaign events like presidential debates are consumed by audiences and how they shape campaign outcomes This two volume study is one of the first to examine the relationship between debates as televised events and events consumed by citizens through social media It also assesses the town hall debate format from 1992 to 2016 uses the lens of civil dialogue to consider how citizens watch the debates and considers the growing impact of new media commentary on candidate images that emerge in presidential and vice presidential debates Televised Presidential Debates in a Changing Media Environment features contributions from leading political communication scholars that illuminate how presidential debates are transforming from events that are privately contemplated by citizens to events that are increasingly viewed and discussed by citizens through social media The first volume focuses on traditional studies of debates as televised campaign events and the second volume examines the changing audiences for debates as they become consumed and discussed by viewers outside the traditional channels of newspapers cable news channels and campaign messaging Readers will contemplate questions of new forms problems and possibilities of political engagement that are resulting from citizens producing and consuming political messages in new media

Televised Presidential Debates and Public Policy Sidney Kraus, 2013-10-11 With this second edition Kraus continues his examination of formal presidential debates considering the experience of television in presidential elections reviewing what has been learned about televised debates and evaluating that knowledge in the context of the election process specifically and the political process generally He also examines the media and the role they occupy in presidential elections Because critics often refer to the Lincoln Douglas debates when reproaching presidential debates comparisons of the two are discussed throughout the book Much of the data and information for this accounting of televised presidential debates comes from the author's first hand experience as one who was involved with these debates as a participant observer on site at nearly all of the debates discussed Throughout these discussions emphasis is placed on the implications for public policy To suggest policy that will be accepted and adopted by politicians and the public is at best difficult Proposals for changes in public policy based on experience even when scientific data support those changes must be subjected to an assessment of the values and predispositions of the proponent These values and predispositions however may not necessarily inhibit the proponent's objectivity As such this review of television use in the presidential election process provides the context for examining televised debates

Presidential Debates Phil Corso, 2019-12-15 Every four years in the United States of America candidates from different political parties stand in front of the nation to showcase their ideas and sell their visions of the future before Election Day Presidential debates are a way for candidates to share their ideas show how they are different from other candidates and garner support from voters This book outlines the history and background that make these debates so important to the American political process Detailed fact boxes and pictures from some of the most consequential debates in history help readers make connections about this exciting

aspect of U S presidential elections **Televised Presidential Debates in a Changing Media Environment: The candidates make their case** Edward A. Hinck,2018 **Presidential Debate Negotiation from 1960 to 1988** John W. Self,2016-12-20 Since their inception the presidential debates Americans have watched on television were carefully negotiated This book closely examines a previously unexamined type of political communication presidential debate negotiation While it has been widely known that all general election presidential debates since 1960 have been negotiated by the participating candidates no one has ever completed a systematic study of them In particular the 1960 1976 1980 1984 and 1988 negotiations were examined in detail For each of these election cycles a comprehensive narrative of what occurred during the pre debate negotiations was constructed based on primary source materials media accounts and other secondary sources Comparisons across election cycles were made in order to draw some conclusions about presidential debate negotiation Presidential debate negotiations are not just negotiations but rather also a form of political rhetoric for several different players The research concluded that that there are five contexts in which presidential debate rhetoric occurs and the rhetoric is aimed at two audiences Within each context the functions and strategies of the rhetoric were discussed and explained from the perspective of the sponsor of the debate s the candidates and their representatives as well as the media

The Role of Televised Debates in the U.S. Presidential Election Process (1960-2004) Kevin Travis Jones,2005

Presidential Debates Alan Schroeder,2016-06-28 Alan Schroeder s big picture history recounts the phenomenon of American televised presidential debates and its evolution over the past half century From pundits to political operatives from debate moderators to the viewing public Presidential Debates reveals how the various stakeholders make and experience this powerful event For this third edition Schroeder analyzes the presidential debates of 2008 and 2012 and the crucial role that social media and contemporary news outlets had in shaping their design and reception He also expands his coverage of previous campaigns including the landmark meetings in 1960 between John F Kennedy and Richard Nixon Schroeder details an insider s view of the key phases of the debate anticipation in which the campaigns negotiate rules formulate strategy and steer press coverage execution in which the candidates moderators panelists and television professionals create and project the event and reaction in which the commentators spin doctors and viewers evaluate the performance and move story lines in new directions New chapters focus on real time debate responses and the extent to which postdebate news coverage influences voters decision making and candidates behavior **Presidential Debates** Alan Schroeder,2000 The Presidential Debates Forty Years of High Risk TV takes readers on a backstage tour approaching the debates within the framework of the fundamental steps to which TV producers adhere preproduction production and postproduction **The Televised Presidential Debates in Campaign Strategies** Margaret Grace Beatty,1982 **No Debate** George Farah,2011-01-04 Broadcast to tens of millions of Americans the presidential debates are the Super Bowl of politics A good performance before the cameras can vault a contender to the front of the pack while a gaffe spells national embarrassment and can savage a

candidacy The slim margin for error has led the two major parties to seek and achieve under the aegis of the bipartisan Commission on Presidential Debates tight control through scripting severe time limits and the exclusion of third party candidates In *No Debate* author and lobbyist George Farah argues that these staged recitations make a mockery of free and fair presidential elections With urgency and clarity this book reviews the history of presidential debates the impact of the debates since the advent of television the role of the League of Women Voters the antidemocratic activity of the CPD and the specific ways that the Republicans and Democrats collude to remove all spontaneity from the debates themselves The author presents the complete text of a previously unreleased secret document between the Republicans and Democrats that reveals the degree to which the two parties not the CPD dictate the terms of the debates In the final chapter Farah lays out a compelling strategy for restoring the presidential debates as a nonpartisan unscripted public events that help citizens not corporations or campaign managers decide who is going to run the White House

The Great Debate & Beyond, 2000 This site is an interactive multimedia celebration of 40 years of television and politics It contains video clips photos headlines and other documents from each debate It also includes essays interviews and statistics RealPlayer is required to view the video clips

For Great Debates Newton N. Minow, Clifford M. Sloan, 1987 This book explores the history and future of presidential debates It identifies four themes in assessing the debates as a vehicle for political discourse the public impact sponsorship and arrangements format and the question of third party and independent candidates

Televised Presidential Debates Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Televised Presidential Debates PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Televised Presidential Debates PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Televised Presidential Debates free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Televised Presidential Debates Books

1. Where can I buy Televised Presidential Debates books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
