Tell Freedom Peter Abrahams, 1954 Selvbiografisk roman om forfatterens barndom og ungdom som farvet i Sydafrika indtil han emigrerer til England som fyrb der p et skib **The Cost of Freedom** , **The South African Short Story in English, 1920-2010** Marta Fossati, 2024-09-05 Through detailed close readings alongside investigations into the history of print culture Marta Fossati traces the development of the South African short story in English from the late 1920s to the first decade of the twenty first century She examines a selection of short stories by important Black South African writers Rolfes and Herbert Dhlomo Peter Abrahams Can Themba Alex La Guma Mtutuzeli Matshoba Ahmed Essop and Zo Wicomb with an alertness to the dialogue between ethics and aesthetics performed by these texts This new history of Black short fiction problematises and interrogates the often polarised readings of Black literature in South Africa that can be torn between notions of literariness protest and journalism Due to material constraints short fiction in South Africa circulated first and foremost through local print media which Fossati analyses in detail to show the cross fertilisation between journalism and the short story While rooted in the South African context the short stories considered also hold a translocal dimension allowing us to explore the ethical and aesthetic practice of intertextuality These are writings that complicate the aesthetics ethics binary generic classifications and the categories of the literary and the political Theoretically eclectic in its approach although largely underpinned by a narratological analysis **The South African Short Story in English 1920 2010** When Aesthetics Meets Ethics offers a fresh perspective on the South African short story in English spotlighting several hitherto marginalised figures in South African literary studies **Jet** , 1954-08-12 The weekly source of African American political and entertainment news **Life Writing as World Literature** Helga Lenart-Cheng, Ioana Luca, 2025-05-01 A global array of contributors explore the interplay between translation and circulation mediums and materialities and aesthetics and politics in how life writing is shaped by and becomes world literature We live in the age of popular self representation in that most people around the globe either produce or consume autobiographical material memoirs selfies blogs etc The current volume investigates this global phenomenon and examines how life writing and world literature converge Why do some personal stories get picked up translated circulated and taught in classrooms while others remain moored in local waters Do autobiographical stories that travel widely have something in common about them Or is it the other way around is it our notion of world literature that imposes uniform expectations on these diverse texts And what can we gain from studying these two fields in conjunction **Life Writing as World Literature** brings together experts who map regional and local autobiographical traditions from six continents These scholars explore the dynamic interplay between local and global aesthetics and sociopolitical concerns presenting case studies that include prison narratives from communist regimes Japanese diaries multilingual Caribbean memoirs Indian auto biographical comics and stories by Taiwanese domestic workers To understand how and why some personal stories enter global dissemination contributors inquire into translation

market mechanisms and circulation patterns while also exploring the affordances of new media and materialities when recording contemporary lives Life Writing as World Literature brings a fresh perspective to both fields world literature and life writing opening up exciting avenues of research *Hope Lives* Trudie-Pearl Sturgess,2012-05 Dr Josh O kelly is a handsome former OHL player who lives on the edge and never gives a damn about the consequences of his actions Josh was sentenced to five months in jail for drinking and driving with a suspended license The authorities tried to charge him with crimes against humanity during the civil war in Liberia and failed With help from Lock Washington Tia Carter will make a powerful movie loosely based on Josh s experiences during the Liberian civil war portraying good men witnessing violence becoming the kinds of persons capable of horrible acts of violence How is Josh going to charm his way out of this mess
