Whatshername Jake Frazier,2009-11-25 ATB Some of these events were observed by me as a good friend some told to me as years passed and some from surprisingly preserved original documents But all thats important is I was there and so were youthat I knew these people and so did you Theres a subtext here too As we still struggle today with equal gender rights we often wonder where the anti feminist male attitudes come from Witness here the psychology of us guys This all takes place a generation or two ago when conditions and mores were significantly different Youll be in a small Midwestern town of less than 8 000 population one high school creating such an atmosphere that today really doesnt seem like such a big deal This is before mini skirts when anything above the knee was scandalous Here a glimpse of a stocking top sent boys into a frenzy Its a millennium or two before The Pill and the more common F word for teenagers was fink Really it was a long time ago especially if youve recently gone through your late teens years and certainly to parents everywhere Beards and long hair Your cue for laughter The first pair of culottes was displayed then the girl immediately suspended Those were still the days of a Dean having a girl kneel downif the skirt or dress material did not touch the floor it was officially too short Pants for girls Are you kidding Timewise the war had already begun and it wouldnt be long before the drug culture would spread But not just yet This is about those days some of its funny some sad All of it was and is meaningful to me I lived through it right along with Whatshername and John I hope it will be for you What's Her Name Katie Nelson,Olivia Meikle,2024-12-24 What if some of the most phenomenal lives in human history were for centuries forgotten Sisters Katie Nelson and Olivia Meikle traverse hundreds of years and six continents to present a mesmerizing compendium of captivating stories highlighting 80 women who have shaped history but have been overlooked What Is Your Name?
