Tellico Blue:

George Scarbrough, Appalachian Poet Randy Mackin, 2011-09-29 A writer's writer East Tennessee poet and novelist George Scarbrough enjoyed a career that spanned eight decades and included numerous awards This biography makes use of Scarbrough's personal journals to tie his literature to his life and presents previously unpublished poetry letters and prose pieces Somewhat overlooked during his lifetime he is as this book demonstrates among the best poets of the 20th century

Brightwood R. T. Smith, 2004 Written in the gothic tradition of James Dickey's *Buckdancer's Choice* R T Smith's *Brightwood* contains 38 poems set in the American South This intellectual and emotionally powerful collection is an interplay of southern music religion and culture with nature

Southern Crossings Daniel Cross Turner, 2012-08-30 Daniel Cross Turner has made a key contribution to the critical study and appreciation of the diverse field of contemporary Southern poetics *Southern Crossings* crosses a gulf in contemporary poetry criticism while using the idea or ideas many and contrary of Southernness to appraise poetries created from the profuse tangled histories of the region Turner's close readings are dynamic even lyrical He offers a new understanding of rhythm's central place in contemporary poetry while considering the work of fifteen poets Through his focus on varied yet interwoven forms of cultural memory Turner also shows that memory is not in fact past The way we remember has as much to say about our present as our past memory is living shifting culturally formed and framed This is a valuable and important book that entwines new visions of poetic forms with forms of regional remembrance and identity

Natasha Trethewey Pulitzer Prize winner and author of *Native Guard* Poems Offering new perspectives on a diversity of recent and still practicing southern poets from Robert Penn Warren and James Dickey to Betty Adcock Charles Wright Yusef Komunyakaa Natasha Trethewey and others this study brilliantly illustrates poetry's value as a genre well suited to investigating historical conditions and the ways in which they are culturally assimilated and remembered

Daniel Cross Turner sets the stage for his wide ranging explorations with an introductory discussion of the famous Fugitive poets John Crowe Ransom Allen Tate and Donald Davidson and their vision of a constant southernness that included an emphasis on community and kinship remembrance of the Civil War and its glorified pathos of defeat and a distinctively southern white voice Combining poetic theory with memory studies he then shows how later poets with their own unique forms of cultural remembrance have reimagined and critiqued the idealized view of the South offered by the Fugitives This more recent work reflects not just trauma and nostalgia but makes equally trenchant uses of the past including historiophoty the recording of history through visual images and countermemory resistant strains of cultural memory that disrupt official historical accounts As Turner demonstrates the range of poetries produced within and about the American South from the 1950s to the present helps us to recalibrate theories of collective remembrance on regional national and even transnational levels With its array of new insights on poets of considerable reputation six of the writers discussed here have won at least one Pulitzer Prize for poetry *Southern Crossings* makes a signal contribution to the study of not only modern poetics and

literary theory but also of the U S South and its place in the larger world Daniel Cross Turner is an assistant professor of English at Coastal Carolina University His articles which focus on regional definition in national and global contexts and on aesthetic forms potential to record historical transitions appear in edited collections as well as journals including Genre Mosaic the Southern Literary Journal the Southern Quarterly and the Mississippi Quarterly **Bulletin** ,1921 **Tellico Blue** George Scarbrough,1999-01-01 This book was originally published by E P Dutton in 1949 and went out of print shortly after It is republished in this edition 50 years later in a different format and with additional introductory material It is George Scarbrough s first book of poetry *Tellico Blue* George Scarbrough,1949 **Atomic Energy Commission [and] Tennessee Valley Authority** United States.
