The Farnam Method of Defensive Shotgun and Rifle Shooting John S. Farnam,1998-01-01 **The Farnam Method of Defensive Handgunning** John S. Farnam,1994-04-01 Personal Protection Training Dr. Leonard M. Breure,Rob Pincus,2012-07-27 Some Comments from Lens Students I want you to know that in my many years of being a student you easily rank as the best teacher I have ever had Your skill and patience has made me infinitely more comfortable with my weapons and myself The next class you teach I ll be there in a heartbeat I m sure you don t have to be reminded of the multitude of people you have touched and the positive impact you have had on firearms training overall Bob Patridge Len has taught me to effectively and safely use a handgun and rifle and for that I will always be grateful I look forward to the time I spend once or twice a week under his instruction Len has created a wide range of firearms training programs out of virtually nothing and trained a sizeable and competent cadre of firearms instructors who like me greatly respects the man He is engaged with his students and always approachable Students who have shot much longer than me comment on his great depth of knowledge and ability to improve their shooting He clearly loves to teach the material and his enthusiasm is contagious He has a great sense of humor and makes his classes a lot of fun But in spite of all of this the safety of his students is always his first concern Dr Noel Pillman MD I am a retired police officer and a former police firearms instructor for over 20 years I have been to numerous firearms training classes over the years but have not had any instructors more professional knowledgeable and dedicated to what they do then Len Breure Maurice Merabella Len was my first real tactical instructor a few years ago He is a thorough safe and well versed instructor His teaching style is unique in a way that clearly conveys lessons and makes them easy to understand for experienced shooters and novices alike Len brings a wealth of prior been there done that experience to the table that s an asset to his teaching and is rarely found in many of the new instructors that have come to the arena since most states have enacted concealed carry laws I continue to train with a variety of tactical instructors and am always amazed by how much of the information Len taught me is still the foundation upon which I build Mike VanMeeteren I have been fortunate enough to receive numerous training courses that were being taught by Len Breure In my opinion Len is one of the best in the business It is very rewarding to be able to learn from someone who has the experience and knowledge to take tactical training to the next level Jim Bryant I first meet Len while taking my Minnesota Concealed Carry Course in 2005 Since that time I have taken every course that Len teaches In my opinion Len is the consummate professional who teaches with passion and an incredible degree of knowledge I would strongly urge anyone interested in personal protection to take Lens courses Mike Pingel On Combat Dave Grossman,Loren W. Christensen,2022-08-09 The director of the Killology Research Group shares a thorough examination of the emotional and physical effects of deadly conflict Kirkus Reviews On Combat examines the stress resulting from engaging in deadly battle and its effects on the human body from the heart and the nervous system to visual and auditory perception to memory The

historical perspective on the evolution of combat provided in this text further deepens our understanding of the brave men and women who train their minds and bodies to go to that place from which others flee Lt Col Dave Grossman a war veteran and former West Point psychology professor presents combat coping strategies demonstrating how one can train the mind to be inoculated against stress fear and even pain This fresh and informative look at post traumatic stress disorder PTSD details how to prevent it how to survive it how to come out of it stronger and how to help others who are experiencing it Grossman underscores the importance of post combat debriefing when warriors gather to share learn from each other and begin to heal from the horror Based on extensive new research Grossman s findings are supported by revealing quotes and anecdotes from combat veterans and other leaders in the warrior community
