IN THE LINE OF DUTY **THE
FBI MURDERERS**

The Fbi Murders

Robert R. Redfield

The Fbi Murders:

The Texarkana Moonlight Murders Michael Newton, 2013-05-28 In 1946 years before the phrase serial murder was coined a masked killer terrorized the town of Texarkana on the Texas Arkansas border Striking five times within a ten week period always at night the prowler claimed six lives and left three other victims wounded Survivors told police that their assailant was a man but could supply little else A local newspaper dubbed him the Phantom Killer and it stuck Other reporters called the faceless predator the Moonlight Murderer though the lunar cycle had nothing to do with the crimes Texarkana s phantom was not America s first serial slayer he certainly was not the worst either in body count or sheer brutality But he has left a crimson mark on history as one of those who got away Like the elusive Axeman of New Orleans Cleveland s Mad Butcher of Kingsbury Run and San Francisco s Zodiac Killer the Phantom Killer left a haunting mystery behind This is the definitive story of that mystery [The FBI Murders](#) ,1988

The Redhead Murders Kenneth Ferris, 2018-12-31 Detective Troy Wilson responds to a shooting at a restaurant parking lot and he finds a man dead His suspect Mike Johnson claims the man was robbing him and he shot him in self defense Now a serial killer who murdered three redhead women in Colorado Springs has moved to Atlanta to continue his killing spree There is a race against time to stop the murders He teams up with a homicide detective from Colorado Springs to put their clues together to track him down in this action packed thriller

Killers of the Flower Moon: Oil, Murder, and the FBI's First Case in Native America Tim Madsen, Killers of the Flower Moon Oil Murder and the FBI s First Case in Native America is a powerful and deeply researched narrative nonfiction account of one of the most shocking and overlooked episodes in American history the systematic murder of Osage Nation members in 1920s Oklahoma for their oil wealth and the explosive birth of the modern FBI through the investigation that followed In the early twentieth century the Osage became the wealthiest people per capita in the world thanks to vast oil reserves beneath their land But with prosperity came greed corruption and a reign of terror that left dozens of Osage men women and children dead under mysterious circumstances What appeared at first to be a series of isolated tragedies was in truth a coordinated campaign of exploitation deception and murder perpetrated by those closest to the victims including spouses doctors lawyers and local lawmen At the heart of the story is Mollie Burkhart an Osage woman who watched her family die one by one even as she was slowly being poisoned Her search for justice brought the crimes to the attention of a young J Edgar Hoover who sent a former Texas Ranger named Tom White to lead a covert federal investigation The case would test the limits of American justice and expose the dangerous intersection of racism capitalism and unchecked power Spanning courtroom drama cultural history and true crime this ten part account goes beyond the headlines to explore the long term effects of the Osage murders on Native sovereignty American law enforcement and the national conscience It is a story of betrayal and survival of memory and erasure and ultimately of a people who refused to be forgotten With meticulous detail and narrative clarity Killers of the Flower Moon Oil Murder and the FBI s First

Case in Native America offers a reckoning with the past and a call to recognize the deep often hidden legacies of injustice that shape the present

America's Corrupt War on Drugs: and the People, *America's Secret Jihad* Stuart Wexler, 2015-07-19 The conventional narrative concerning religious terrorism inside the United States says that the first salvo occurred in 1993 with the first attack on the World Trade Center in New York City This narrative has motivated more than a decade of wars and re prioritized America s domestic security and law enforcement agenda But the conventional narrative is wrong A different group of jihadists exists within US borders This group has a long but hidden history is outside the purview of public officials and has an agenda as apocalyptic as anything Al Qaeda has to offer Radical sects of Christianity have inspired some of the most grotesque acts of violence in American history the 1963 Birmingham Church bombing that killed four young girls the Mississippi Burning murders of three civil rights workers in 1964 the assassination of Martin Luther King Jr in 1968 the Atlanta Child Murders in the late 1970s and the Oklahoma City Bombing in 1995 America s Secret Jihad uses these crimes to tell a story that has not been told before Expanding upon the author s ground breaking work on the Martin Luther King Jr murder and through the use of extensive documentation never before released interviews and a re interpretation of major events America s Secret Jihad paints a picture of Christian extremism and domestic terrorism as it has never before been portrayed

DOJ-Judicial Crimes Against the People Captain Rodney Stich, 2014-05-01 40 years of joint corrupt activities and resulting tragedies by Department of Justice personnel and federal judges

Terrorism and Deadliest Enabling Scandals of 21st Century Rodney Stich, 2013 Terrorism and Deadliest Enabling Scandals of 21st Century is a factual and documented description of a long series of terrorist attacks against U S targets were caused and enabled to succeed by a combination of incompetence misconduct and actual criminal misconduct The primary enablers were employees in the FBI and other U S Department of Justice offices with details and documentation starting in the mid 1960s Included but not limited is the truth behind the 1993 World Trade Center Pan Am Flight 103 over Lockerbie the downing of TWA Flight 800 the Embassy bombings in Africa and the 9 11 airliner hijackings Of especially interest is the deep sining of advance information on the first series of terrorist attacks provided by high officials in the U S Department of Justice The advance information was provided by a mole in the al Qaeda cell headed by al Qaeda operative Ramzi Yousef That deep sining part of a scheme to discredit that mole enabled the terrorist acts to succeed which included 9 11 and then led to two wars thousands of deaths a gigantic increase in people hating Americans All of these latest catastrophic events were the result of the criminal cover up of the advance information The book is authored by former federal airline safety inspector Rodney Stich with the input from his dozens of other former federal agents in covert and law enforcement and that mole in the al Qaeda cell This book is dynamist if understood

Glock Paul M. Barrett, 2013-01-15 The Glock pistol is America s Gun It has been rhapsodized by hip hop artists and coveted by cops and crooks alike Created in 1982 by Gaston Glock the pistol arrived in America at a fortuitous time Law enforcement agencies had concluded that their

agents and officers armed with standard six round revolvers were getting outgunned by drug dealers with semi automatic pistols they needed a new gun With its lightweight plastic frame and large capacity spring action magazine the Glock was the gun of the future You could drop it underwater toss it from a helicopter or leave it out in the snow and it would still fire It was reliable accurate lightweight and cheaper to produce than Smith and Wesson s revolver Filled with corporate intrigue political maneuvering Hollywood glitz bloody shoot outs and an attempt on Gaston Glock s life by a former lieutenant Glock is not only the inside account of how Glock the company went about marketing its pistol to police agencies and later the public but also a compelling chronicle of the evolution of gun culture in America *Deep Politics and the Death of JFK* Peter Dale Scott,1993 Meticulously documented investigation uncovering the political secrets surrounding John F Kennedy s assassination

The Fbi Murders Book Review: Unveiling the Power of Words
