The Female Autograph Domna C. Stanton, 1987 **The Female Autograph** Domna C. Stanton, 1987-01-01 *The Woman Within* Ellen Glasgow, Ellen Anderson Gholson Glasgow, 1994 Long out of print and now brought back with a substantial and provocative feminist introduction The Woman Within is a haunting and carefully crafted revelation of a major novelist's inner life Placed in the context of current discussions of women's autobiography the Ellen Glasgow who worked on The Woman Within from around 1934 until her death in 1945 speaks strongly and surprisingly sympathetically to readers today *Women, Portraiture and the Crisis of Identity in Victorian England* Colleen Denney, 2017-07-28 Exploring the concept of portrait as memoir Women Portraiture and the Crisis of Identity in Victorian England My Lady Scandalous Reconsidered examines the images and lives of four prominent Victorian women who steered their way through scandal to forge unique identities The volume shows the effect of celebrity and even notoriety on the lives of Mary Elizabeth Braddon Lady Dilke Millicent Garrett Fawcett and Sarah Grand For these women their portraits were more than speaking likenesses whether painted or photographic they became crucial tools the women used to negotiate their controversial identities Women Portraiture and the Crisis of Identity in Victorian England shows that the fascinating power of celebrity and specifically its effects on women was as much of a phenomenon in Victorian times as it is today Colleen Denney explores how these women used their portraits as tools of persuasion performing a domestic masquerade to secure privacy and acceptance or sites of resistance tearing down male constructions of female propriety and fighting Victorian stereotypes of intellectual women Questioning the classic Victorian notions of separate spheres this volume celebrates women's search for self within the constraints of the nineteenth century as well as within the world of present day academia *Daily Modernism* Elizabeth Podnieks, 2000-01-26 Redrawing established boundaries between genres Podnieks builds a broad critical and theoretical range on which she maps the diary as an aesthetic work showing how diaries inscribe the aesthetics

of literary modernisms Drawing on feminist theory literary history biography and personal anecdotes she argues that the diary is an especially subversive space for women writers Podnieks details how Virginia Woolf Antonia White Elizabeth Smart and Ana s Nin wrote their diaries under the pretence that they were private while always intending them to be published She travelled extensively to examine the original diary manuscripts and offers unique first hand descriptions of the manuscripts that underscore the artistic intentions of their authors Daily Modernism contributes to the ongoing feminist revision of literary history and in its disruption of traditional concepts of major and minor literary forms paves the way for a much needed reconsideration of the diary as a valid literary achievement
