The Fetish Other Stories

Ralph G. DePalma

The Fetish Other Stories:

The fetish and other stories Alberto Moravia, 1976 "*Tell It to Us Easy*" and *Other Stories* Judith Musser, 2015-06-08

During the Harlem Renaissance several literary periodicals encouraged African American women to submit poetry short stories essays or other literary contributions for publication Opportunity magazine was one such periodical that made immeasurable contributions to the careers of many female African American writers This anthology collects all of the short stories published in Opportunity by African American women during the magazine's 25 years of publication It includes works by both well known authors Zora Neale Hurston Marita Bonner and more obscure writers There is also an additional African tale translated by Violette de Mazia a white woman known for promoting African American art It also includes an introduction which contextualizes the short stories historically in light of the overall development of African American writing

The Self, and Other Stories Laura J. Shepherd, 2023-01-30 *The Self and Other Stories* lies at the intersection of IR and the personal Through seven reflexive essays Shepherd explores themes of writing as a way of being and knowing but also as a necessary form of self expression in contemporary academia **Rescued from the burning ship, and other stories**

Rescued, 1889 **Slug and Other Stories** Megan Milks, 2021-11-09 Carefully considered successful instances of experimental fiction disrupt gender genre and identity in this deranged otherworldly collection Literary Hub A woman metamorphoses into a giant slug another quite literally eats her heart out a wasp falls in love with an orchid and hair starts sprouting from the walls These stories slip and slide between genres from video games to fan fiction body horror to choose your own adventure as characters cycle through giddy changes in gender physiology species and identity Collapsing boundaries between bodies and forms these fictions interrogate the visceral gross and absurd This book is fucking weird wrote Brit Mandelo in 2015 It's only gotten weirder since *Slug and Other Stories* is a revised and expanded edition of a contemporary cult classic Finally back in print this collection is a testament to the messy anti logic of queer feelings by a revelatory new voice Action, and Other Stories Charles Edward Montague, 1929 *The Sign at the White Man's Gate*

and *Other Stories* Eustace Carrington, E. S. Nicholas, 1925 **Short Story Index: 1964-1968**, 1969 **The Ancient Memory and Other Stories** John G. Neihardt, 2025-07-21 Death defying and vulnerable fur traders and Indians demi devils and almost angels and other complex personalities come fully to life in *The Ancient Memory* which completes the collecting of John G. Neihardt's early short fiction begun with *The End of the Dream and Other Stories* Originally published in popular magazines between 1905 and 1908 these stories about the American frontier illustrated Neihardt's artistry in the short form and foreshadow the themes situations and characterizations of his later better known work Although two of the Indian stories the ironic *Feather for Feather* and the satirical *A Political Coup at Little Omaha* were collected in *The Lonesome Trail* in 1907 none has been reprinted since early in the twentieth century Other stories included here are *Like a Woman* featuring the plucky Pelagie and *The Face in the Balcony* which is dedicated to those who have gone through life misunderstood The Epic

Minded Scot about a stranger who is stubbornly idealistic and scrupulous is considered one of Neihardt's best tales. The Brutal Fact revolves around a William Tell type of contest between trapping partners that anticipates Neihardt's Song of Three Friends. The Lure of Woman, a study of greed and revenge, was expanded into his novel Life's Lure. The ineffable Ancient Memory carries profound philosophical implications while presenting a strange doppelgänger of sorts. Finally, the memorable Waters, an alcoholic one-legged one-eyed frontier printer, is introduced in The Discarded Fetish, which with minor changes became the first half of the novel The Dawn Builder. In her foreword, Neihardt's daughter Hilda Neihardt recalls intimate details incidental to the writing of these stories.

Practicing and Other Stories Ralph G. DePalma, 2003-10-22. This is the autobiography of a surgeon who began life in the Bronx, New York. His colorful memoirs describe his childhood and education and critically analyze scientific contributions in vascular disease, shock, and treatment of impotence.
