The Fifth Commandment Stuart Haussler, 2004-11 Stuart I Haussler a seventy five year old brings to his novels usually Western and Military knowledge acquired as a Rancher Doctor Teacher and Naval Marine Officer This novel *The Fifth Commandment* is an intentional fabrication of the mind based on imagination experience and a profound concern about those who would have us turn away from the preeminence of the Ten Commandments The simplicity of the Commandments is their greatest testimony to how the Judeo Christian God envisions how we should ethically conduct ourselves and fulfill our lives Can our society turn away from this testimony and prevail as a republic *The Fifth Commandment* instructs Honor thy father and mother as the Lord thy God hath commanded thee that thy days may be prolonged and that it may go well with thee in the land which the Lord thy God giveth thee Are there no stipulations qualifications and s if s or but s related to Judeo Christian people following this Commandment Is it to be as with the other Commandments followed to the letter Certainly in this day and age of enlightenment there must be a means to qualify and stipulate whether this honor is warranted but if there is not then what price might a child pay for balancing this Commandment to his or her needs *The Fifth Commandment* tells a story of the consequences of failing to accept this Commandment as handed down by God and the impact of those consequences on society Once again the author creates the threads of intrigue murder and deceit into the whole cloth of today s truths realities and conflicts conjured up by forces that would undermine the true understanding of life as set forth in the Ten Commandments by God Visit and talk to me www.stuarthaussler.com **The Promise of the Fifth**
