Satan and mankind's choices But nothing could be further from the truth God's amazing plan is designed to not only create a win for everyone even Satan but in doing so God is going to write the most incredible story of the ages And you can discover this marvelous story about a Savior who allows people to go to Hell not to be punished but to be pardoned Within these pages you will see that there are passages of Scripture that almost nobody talks about that give clues to this amazing redemption story A story like you've never heard it told before anywhere God is good and you will benefit from His goodness See for yourself what the Bible actually says about Hell and the plan that God has for it If you're like most people you've never really studied this topic on your own before Do you really want to leave the matter of Heaven and Hell unsettled in your mind until you're face to face with death If you only ever read one book about Hell *Hell Is Not the Issue* should be the book that you read **The Navarre Bible** James Gavan, Brian McCarthy, Thomas McGovern, 2005 Revised Standard Version Catholic Edition with Introduction and notes by the theology staff of the University of Navarre Accompanied by New Vulgate Text

Flirting with Universalism, 2nd Edition Dennis Jensen, 2024-07-16 It's likely the most difficult problem in the Christian faith It was a major reason that Bertrand Russell John Stuart Mill and countless others rejected Christianity It was an ax that began to chip away at Charles Darwin's early faith How could he accept that some of his closest relatives and loved ones would be spending an eternity in agonizing torment Yet the Christian doctrine of an everlasting hell of unmitigated pain turns out to be completely unwarranted biblically A close examination of the Bible demonstrates this but it also rejects any form of universalism that trivializes personal obligations to God The first edition of *Flirting with Universalism* looked at the biblical and philosophical evidence behind the various Christian views of the afterlife of those who reject their God universalism eternalism or traditionalism and annihilationism The second edition covers additional important arguments It concludes by taking a position between universalism and traditionalism God will forever honor the final choices of those who reject God and yet in the end all things will be reconciled to God The Bible affirms the goodness justice and love of God
