The Fatherhood of God in an Age of Emancipation Willem Adolph Visser 't Hooft, 1982      **Systematic Theology, Volume 1, Fourth Edition** James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary      **Visser 't Hooft, 1900-1985** Jurjen Zeilstra, 2025-10-01 God's diplomat the pope of the ecumenical movement but also an acerbic theologian and a difficult person this is how journalists characterised Willem Adolf Visser 't Hooft 1900 1985 He was one of the best known Dutch theologians outside the Netherlands and he left his mark on the world church Even at an early age he made profound efforts in support of international ecumenical youth and student organisations Dutch Student Christian Movement YMCA and World Student Christian Federation He led the World Council of Churches during its formative stages from 1938 and after its formal establishment in 1948 became its first general secretary serving until 1966 To Visser 't Hooft the unity of the church was both an article of faith and a pragmatic organisation of church influence in a disunited world      **The Father and the Feminine** Spencer Miles Boersma, 2024-09-12 How should Christians speak of the transcendent yet personal God when our language for persons is almost always gendered Is male imagery such as Father Son or King the only appropriate way Are there ways to talk of God using female gendered metaphors and pronouns And how does the use of such language impact humans as gendered people Moving beyond the extremes in this debate The Father and the Feminine seeks to clarify the ways Christians speak about God whether this is by recognizing

revelation and Christian tradition upholding God's ineffability using analogies metaphors and narratives referring to God as Father Son and Spirit or by seeking a liberating way of life in community Spencer Miles Boersma argues that male language for God need not be problematic if used and understood correctly but at the same time that it cannot be the exclusive way Christians speak of the Divine The grammar of Christian Scripture and tradition both authorize the use of female language which Christians ought to use in pursuing a deeper relationship with God and others as well as a more authentic view of self

**Speaking the Christian God** Alvin F. Kimel,1992 A collection of essays written by a wide diversity of scholars including Thomas F Torrance Geoffrey Wainwright Elizabeth Achtemeier Colin Gunton and Robert W Jenson that discuss and critically analyze the crucial theological issues at stake in the feminist theological agenda The first volume of its kind to offer an orthodox critical response to the proposals of contemporary feminist theology

**Unity as Prophetic Witness** Michael Kinnamon,2018-11-01 Visser t Hooft and the Shaping of Ecumenical Theology Visser t Hooft is perhaps the most distinguished figure in the modern ecumenical movement emerging in the postwar decades as a pivotal figure Under his leadership the World Council of Churches was officially constituted in 1948 by 147 Protestant and Orthodox Catholic denominations and the organization grew to include nearly 300 denominations in the following decades Visser t Hooft played a major role in the inclusion of churches from communist countries in the World Council and he also sought to enlarge the role played by African Asian and Orthodox churches in the organization He served as editor of the Ecumenical Review from 1948 to 1966 He was also the author of numerous books on the ecumenical movement and the nature and functions of the church

Neville,2009-09-01 This collection of studies by friends colleagues students and associates of Thorwald Lorenzen centers on his pivotal research interests the theological and ethical implications of a relational understanding of the resurrection of Jesus Christ In two major works on the resurrection Lorenzen demonstrated the radical ramifications for Christian discipleship of affirming a relational perspective on the resurrection especially with regard to social justice human rights ecumenical dialogue and holistic spirituality The purpose of this book is to honor the theological work of Thorwald Lorenzen by examining anew and pressing ahead with certain aspects of his own research interests whether in historical and systematic theology biblical exegesis and hermeneutics or social ethics and spirituality

*Churches in the Family of God* Dr Peter Uche Uzochukwu,2012-04-04 **God and Women** JKohn D. Garr,2011-02-16 Since time immemorial women have been the most consistently and universally abused people group on Planet Earth as men in virtually every human culture have systematically unrelentingly and often violently dominated women Unfortunately women of faith have also been virtually bound in chains of submission and gagged by demands for silence since the end of the apostolic era God and Women brings serious biblical and historical scholarship to bear on the role of women in family society and church in an analysis of God's original intentions for women and for men at the moment when he created humanity Whether you are a woman or a man this book and the other volumes in this series will literally set you free

challenging you to think and to act on divine truths from the Hebraic foundations of your faith You will clearly see God's original design and intent for women and you will start tearing down prison walls that have deprived half of God's children of the freedom to pursue his gifts and calling in the family in the society and especially in the community of faith *We Believe in the Holy Spirit* Cheryl M. Peterson, Chad Rimmer, 2021-07-02 The concept of identity today is contested against the backdrop of myriad forms of social political economic and ecological exclusion How is identity expressed in a global Lutheran tradition whose members share common biblical liturgical confessional theological and spiritual foundations yet represent diverse cultures and traditions At the end of 2019 The Lutheran World Federation LWF hosted a global consultation on contemporary Lutheran identities in Addis Ababa Ethiopia The result was the papers presented in this publication The authors church leaders youth theologians lay and ordained practitioners in local communities explore the Spirit's work to revive and equip the faithful for vocation through the ministry of the church today and into the future of the Lutheran communion Wir glauben an den Heiligen Geist Globale Perspektiven lutherischer Identität Ende 2019 veranstaltete der Lutherische Weltbund LWB eine globale Konsultation zu zeitgenössischen lutherischen Identitäten Die Konsultation in Addis Abeba Äthiopien zielte darauf ab herauszufinden wie die gemeinsamen Noten lutherischer Identität in der reichen Harmonie gelebter kontextbezogener Identitäten in der gesamten lutherischen Gemeinschaft wiedergegeben werden können Der LWB engagierte Theologen seiner Mitgliedskirchen um das Wirken des Heiligen Geistes unter dem Thema Wir glauben an den Heiligen Geist Globale Perspektiven lutherischer Identität zu reflektieren Dieser Band ist eine Zusammenstellung von Aufsätzen die bei der Konsultation vorgestellt wurden Er wird Kirchen theologischen Institutionen Pastoren und Laienmitgliedern in der gesamten LWB Gemeinschaft empfohlen die die trinitarischen Grundlagen der lutherischen Tradition und die Taufberufung zur Teilnahme an Gottes Mission erforschen möchten
