The Fearful Master A Second Look At The United Nations:

The Fearful Master G. E. Griffin,1968 **The Fearful Master** G. Edward Griffin,1968 *The Beast on the East River* Nathan Tabor,2006-10-29 A call to arms for Americans to assert and preserve our national sovereignty by stopping the globalist agenda of the United Nations Is the United Nations the benign force for good that so many proclaim Or is there a darker agenda at work behind the scenes Nathan Tabor reveals the sinister plan behind the glossy image of world cooperation painted by the UN and its defenders *The Beast on the East River* includes original research into key policy areas including population control education and the international criminal court And it offers practical steps that concerned American citizens can take before it s too late In his debut book rising conservative voice Nathan Tabor offers a frightening expos of the United Nations global power grab and its ruthless attempt to control US education law gun ownership taxation and reproductive rights We are already very nearly at the point of no return says Tabor and most Americans aren t even aware of the impending danger This book is a call to immediate action read its contents very carefully What you will discover may surprise and anger you His book provides a measured intellectual argument against allowing the corrupt collectivist internationalists of the UN and its many metastasized affiliates to undermine and eventually steal one of America s most precious possessions its sovereignty Henry Mark Holzer CBN The Christian Broadcasting Network **The Fearful Master** G. Edward Griffin,1964 **The Fearful Master** Anatoli Granovsky,G. Edward Griffin,1962 *The United Nations* Geoff Simons,2016-07-27 This book describes the roots birth and evolution of the UN with particular attention to the precursor League of Nations The main conflicts that have involved the UN through its first half century are analysed in the context of the Cold War and the New World Order Emphasis is given to the impact of the US as principal founder member and main post WW2 hegemonic power always keen to use the UN to further American strategic and economic interests UN Malaise Geoff Simons,2016-07-27 As the United Nations moves into its second half century the international organization is beset by problems It is increasingly suborned or ignored by the USA pursuing its own global objectives The UN is inadequately resourced and faces many other barriers erected by Washington and other powerful states UN personnel are frequently accused of mismanagement corruption and even the abuse of human rights There is also the problem of how the UN should develop to best serve the real world community not what the West usually means by the international community Finally the other UN the IMF the World Bank GATT etc often working against the best spirit of the UN should be considered These problems are explored leading to a 50 point reform agenda for the UN *The Principles of Constitutional Government* Warren L. McFerran,1817 *Political Sovereignty: The Supreme Authority in the United States* , **Power Geopolitics in the Pacific Age** C. D. Bay-Hansen,2011 *Power Geopolitics in the Pacific Age* East Asia the United Nations the United States and Micronesia at the Edge of the 21st Century 1991 2001 is not only a historical review of the Pacific Rim and Pacific Islands throughout the 1990s but also a prognostication of the entire area for the coming century
