The Feelings Artbook Ruby Radburn,2019-10-18 This fun imaginative book offers children a way to develop their emotional literacy skills through creativity and drawing The new edition has been reimagined as a child friendly activity book that can be completed independently with beautiful new illustrations and more than ten extra activities For professionals the book is designed to be flexible and photocopiable so that it can be used in a range of educational and therapeutic settings The accompanying instructions and guidance are now available online with a clearly stated aim for each activity a suggested outline of how to facilitate and three optional follow on ideas There are now also three Monitoring and Evaluation templates included in the online booklet one for individual work one for group work and one for whole class work The resource is divided into three themed sections Self Esteem Activities exploring identity personal empowerment aspirations and values and important relationships in a child s life Emotions In this section children are invited to consider a range of complex feelings such as excitement jealousy and disappointment Empathy and Imagination These activities guide children towards an awareness of other people s experiences emotions and feelings Suitable for both parents and professionals this book is an invaluable resource for anybody looking to improve the emotional awareness and wellbeing of young people [Feeling the Feelings](#) Kristin Lillywhite,2023-08-01 Therapists and friends often encourage us to feel our feelings We hear a lot about analyzing thoughts sensations and memories that pass through our bodies This modest poetry collection explores and gives voice to the complex layers of feeling that color our everyday lives The sounds and lines of each poem have been carefully crafted to give readers the experience of feeling each thing Specifically this collection addresses five strong emotions that seem to surface so often in our everyday lives loneliness shame anger justice and joy Each section invites readers to find beauty and value in their own emotions and experiences [How to be More in Tune with The Feelings of Your Customers](#) Sam Amoo,2022-11-21 Emotional Intelligence is a Powerful Tool That Can Help You Get More Customers Increase Sales Make Better Decisions and Build Better Relationships The Simple Techniques for Increasing Sales Customer Loyalty and Retention What if you could learn to use your emotions to your advantage What if you could increase your emotional intelligence so that you could make better decisions and build stronger relationships If you want to become more successful happier healthier wealthier and more influential this is the book for you It s easy to ignore the needs of your customers but ignoring their feelings doesn t work If you want to truly understand how to be more in tune with the feelings of your customers then it s time to look at the science of Emotional Intelligence One of the biggest challenges that sales teams face in today s complex 24 7 world is managing customer expectations Many companies are turning to emotional intelligence tools to help them become more in tune with their customers and increase the likelihood of customer retention which is their ultimate sales machine According to some of the best salespeople in history the secret to successful ninja selling is knowing what your customer is feeling The trick to selling like crazy is not necessarily in what you are saying but how you are saying

it and the emotion you convey with your words If you want to be a better salesperson that sell like titans you need to know how to connect emotionally with your customer To be able to connect emotionally with your customers is not something that happens overnight You need to develop emotional intelligence over time through learning experiences This book will help you understand how you can use your emotions to pitch anything connect emotionally with your customers and improve your sales like a ninja marketer In today s world we need to understand human emotions We need to amp it up to connect emotionally with our customers prospects employees and other people And that means tapping into our feelings and understanding their needs If you want to make your company the most profitable it can be you need to understand the way your customers think and feel about your brand You need to know their hopes and dreams and what they re looking for and then figure out how to deliver on those expectations in ways that will inspire them to buy more of your product or service So often I ve seen that people have very good business ideas but when they talk to potential customers about it they seem to be very disconnected from their customer s emotions If you re not taking the time to listen to what your customers are telling you about their pain points and their needs you re missing out on one of the biggest opportunities to increase your sales customer retention and customer loyalty But to do that you need to know what emotions are going on inside your customers Emotional intelligence the ability to identify manage and communicate the emotions of your customers employees and stakeholders is what differentiates great organizations from average ones Emotional Intelligence is the Key to Unlocking the Power of Positive Customer Experience In fact the best companies are actually measuring their customers emotional state and are using that information to make more informed decisions about their products and services Learn how to use emotional intelligence to increase sales customer loyalty and retention and how to make the best impression on customers This book will change the way you think about marketing like a ninja Click The Buy Button Now **All the Feelings of**

Love E.J Powell,2014-12-09 Often more than not we try to put our love experience into words I have collected all of mine and done just that It has been done all around the world for centuries in millions of books But what is unique and new however is my perspective of love I have been writing my accounts of love since I was a young girl I have seen the love my grandfather gave my grandmother till he passed away the love my parents never gave each other the love of a friend and many more I have seen them all and experienced some They are the best and the worst of life and I still have more yet to endure My experiences are not only mine Many of us have been through such events that are similar and maybe you will find that one in my book I hope my book will open the minds of the world so that they can see love in its many different forms feelings and identities Love is not just a four letter word to be thrown around as if it has no meaning or life itself My stories and songs of love speak to anyone who has ever been touched by love Even if you haven t you will be able to understand what I feel and know that love will come and touch you soon **Internal Soul - The Feelings of heart - Valentine Day Special**
