## **The First 50 Years:**

The First 50 Years Patricia A. Kerns, 2003 Provides a comprehensive history of the first fifty years of the United States Air Force Judge Advocate General's Department JAG      **ESPE - the First 50 Years** Wolfgang G. Sippell, 2011 ESPE The First 50 Years tells the story of ESPE's development from a small club of friends into an international scientific society The European Society for Paediatric Endocrinology looks back on its history major steps in the development of this new subspecialty and how the 30 founders and the generations of scientists who followed them achieved a democratically structured professional organisation Success in obtaining vital long term sponsorship from the industry enabled the development of various high level educational programmes fellowships postgraduate schools international research clusters and the establishment of prestigious scientific awards In the second part of the book 21 senior ESPE members look back in personal recollections and tell fascinating stories of their ESPE past The third part provides a chronological overview with key data including the most important scientific topics at ESPE's 50 annual meetings to date eight of which were international Joint Meetings These reference overviews of meetings illustrate in detail the impressive development of paediatric endocrinology in Europe and around the world      **Hägar the Horrible: The First 50 Years** Dik Browne, 2025-05-27 The world's best known Viking returns for a collection celebrating his 50th anniversary Featuring the first ten epic years hand picked by creator Dik Browne's son Chris Browne For 50 years H gar the Horrible the world's mildest marauder has been hopelessly pillaging his way across the known world in search of treasure swag and plunder in his never ending quest to bring home the bacon and mead Now grab your helmet and sword and get ready to set sail with H gar his long suffering wife Helga his children Honi and Hamlet his dog and duck Snert and Kvack and his hapless sidekick Lucky Eddie on one of the most epic quests of all times This collection of over 1300 daily cartoon strips was selected from the entire 50 year history of H gar's legendary saga by Dik Browne's sons Chris and Chance his daughter Sally Browne Boreas and his daughter in law and editor Debra Browne The collection includes an introduction from both Sally and Debra a foreword by Chris Browne an article on the origin of H gar written by Brian Walker and a feature on the H gar film that almost was Should give pleasure to H gar fans and anyone who relishes a chuckle Blogcritics.org      NLRB, the First 50 Years, 1986      *History of AFRTS, the First 50 Years*, 1993      **Genesee Community College: The First 50 Years** Larry D. Barnes and Ruth E. Andes, 2016 Founded in 1966 Genesee Community College GCC is the product of a grassroots movement that culminated in a public referendum supporting the creation of a community college The resulting institution has exceeded the most optimistic predictions of its early proponents From its beginning in a converted department store with 367 students GCC part of the State University of New York has grown to over 7 000 students studying in more than 60 different programs The college is spread over four rural counties in Western New York The main campus in Batavia and six satellite sites plus distance learning opportunities serve citizens living within a 2 400 square mile service area The GCC student body also

includes students from elsewhere in New York State out of state and several other nations Currently there are over 150 international students Committed to the dual goals of ready access and student success the 50 year history of GCC is a story of dynamic achievement through innovative programs workforce development and community involvement Cincinnati Boychoir: The First 50 Years Kathleen Doane,2015-04-08 For the past 50 years thousands of boys have been a part of the Cincinnati Boychoir proving performance after performance that singing is a powerful motivation to succeed And succeed they have winning praise on stages throughout the world They are by musical reputation one of the best *The Progress in Corrosion - The First 50 Years of the EFC* Paul McIntyre,2024-11-15 This book focuses on developments during the first fifty years of existence of the European Federation of Corrosion and describes the contributions made by its working parties

*Subnuclear Physics,the First 50 Years: Highlights From Erice To Eln* O Barnabei,P Pupillo,Fabio Roversi Monaco,Antonino Zichichi,2000-08-04 For the Galvani Bicentenary Celebrations the University of Bologna and its Academy of Sciences singled out subnuclear physics as the field of scientific research to be associated with this important event as it would best illustrate for the new generation of students the challenge inherent in fundamental sciences Subnuclear physics was born 50 years ago and has represented ever since the new frontiers of Galilean science In his opening lecture delivered on the first day of the new academic year Professor Antonino Zichichi analytically reviewed the basic conceptual developments and main discoveries achieved in subnuclear physics during the last 50 years Given the importance of this field of fundamental research Professor Zichichi was invited to expand the contents of his lecture into a book and the outcome is this invaluable volume **NASA 50th Anniversary Proceedings: NASA's First 50 Years: Historical Perspectives** Steven J. Dick,National Aeronautics and Space Administration,2010-07-07 On 29 July 1958 President Dwight D Eisenhower signed the National Aeronautics and Space Act creating the National Aeronautics and Space Administration NASA which became operational on 1 October of that year Over the next 50 years NASA achieved a set of spectacular feats ranging from advancing the well established field of aeronautics to pioneering the new fields of Earth and space science and human spaceflight In the midst of the geopolitical context of the Cold War 12 Americans walked on the Moon arriving in peace for all mankind Humans saw their home planet from a new perspective with unforgettable Apollo images of Earthrise and the Blue Marble as well as the pale blue dot from the edge of the solar system A flotilla of spacecraft has studied Earth while other spacecraft have probed the depths of the solar system and the universe beyond In the 1980s the evolution of aeronautics gave us the first winged human spacecraft the Space Shuttle and the International Space Station stands as a symbol of human cooperation in space as well as a possible way station to the stars With the Apollo fire and two Space Shuttle accidents NASA has also seen the depths of tragedy In this volume a wide array of scholars turn a critical eye toward NASA s first 50 years probing an institution widely seen as the premier agency for exploration in the world carrying on a long tradition of exploration by the United States and the human species in general Fifty years after its founding NASA finds itself

at a crossroads that historical perspectives can only help to illuminate
