behavior in the context of relational environments It starts with relationship Because it all starts with the individual we must see one on one discipleship as the primary objective to begin the revolution In More Than a Fisherman Dr Jim Grassi provides guidance for men who desire to mentor others or to be mentored using Jesus and the twelve disciples as a model Designed to be used as a companion to The Spiritual Mentor and Building a Ministry of Spiritual Mentoring this manual is for use during times of mentoring and suggests types of exercises and activities two men can do together Features include Fishing theme including information on how the disciples fished Archaeological facts with illustrations and photographs of fishing artifacts Activity suggestions for mentoring sessions
