The Fix It Man:

The Fix K'wan, 2014-02-25 What would you do if you felt like you were dying and the only thing that could save you was the very thing that was killing you Persia Chandler doesn't know the meaning of the word struggle After the arrest of her notorious father she is whisked away from Harlem the only place she has ever called home to be raised in an affluent neighborhood in Long Island City Her mother and stepfather shower her with the best that life has to offer During her senior year in high school she convinces her parents to let her transfer from Catholic school to attend public school That is the start of her problems but it's hardly the end In her new school Persia is reunited with the friends she was forced to move away from and starts to drift further and further from the life her mother and stepfather have built for her To the sheltered Persia the Harlem underworld is like one big adventure Things promise to get even more interesting when she starts dating a dealer named Chucky He introduces her to his world of sex money and drugs dragging Persia along with him on a long and bitter ride into the bowels of addiction

The Fix David Baldacci, 2017-04-18 In this perfect fix for the thriller aficionado Associated Press and 1 New York Times bestseller maverick FBI detective Amos Decker must forge an uneasy alliance with the Defense Intelligence Agency to prevent an international incident that could spell the end of the United States as we know it Amos Decker witnesses a murder just outside FBI headquarters A man shoots a woman execution style on a crowded sidewalk then turns the gun on himself Even with Decker's extraordinary powers of observation and deduction the killing is baffling Decker and his team can find absolutely no connection between the shooter a family man with a successful consulting business and his victim a schoolteacher Nor is there a hint of any possible motive for the attack Enter Harper Brown An agent of the Defense Intelligence Agency she orders Decker to back off the case The murder is part of an open DIA investigation one so classified that Decker and his team aren't cleared for it But they learn that the DIA believes solving the murder is now a matter of urgent national security Critical information may have been leaked to a hostile government or worse an international terrorist group and an attack may be imminent Decker's never been one to follow the rules especially with the stakes so high Forced into an uneasy alliance with Agent Brown Decker remains laser focused on only one goal solving the case before it's too late

Cron,2025-01-28 Did you know that anyone addicts or non addicts can benefit from working the Twelve Steps and find the freedom joy and intimacy with God that their hearts long for We all suffer from a sense of spiritual homelessness a feeling that we re not fully at home in the world To cope with our painful feelings and life traumas we search for quick fixes that eventually become habitual self destructive behaviors that ultimately create more problems than they solve As a person in recovery from drug and alcohol addiction Ian Cron is no stranger to these destructive habits It wasn t until he embraced the Twelve Steps that he found true freedom He knows from personal experience that Twelve Step recovery is more than just a life saving strategy for guiding substance users into sobriety Everybody is addicted to something to numb the discomfort of living in a messed up world he says but the good news is that if you committedly work the steps you will eventually have a vital spiritual awakening that will give you an entirely new and radically beautiful orientation toward the life God has for you If you long for sustainable healing and joy amid life s messiness The Fix invites you to Journey step by step through a spiritual curriculum that has helped millions overcome trauma pain and brokenness for over eight decades Understand how the Twelve Steps can be a transformative tool not only for people with chemical or behavioral addictions but for anyone who wants to move beyond self help to a spiritual awakening Catch yourself in the act of self sabotaging behaviors and understand how each day is a new opportunity to trade in self willed reformation for grace powered transformation My original subtitle for this book Twelve Steps to Unscrewing Your Screwed Up Life was a little over the top Ian comments But anyone who has ever fallen for a quick fix like drugs alcohol porn overeating work religion people pleasing and more knows firsthand how our self prescribed treatment plans derail us They might not be as visible as empty bottles stashed inside a desk drawer but they are just as life complicating and soul crushing With his characteristic wit and transparent self disclosure Ian guides us in learning how to work each of the Twelve Steps so we will finally be given a new pair of glasses through which we will be able to see ourselves others and the world in a startlingly new way and ultimately take hold of the freedom God has been waiting to give us all along **The Fix 3** K'wan,2016-01-26 In the third and final installment of The
