The Flaming Tongue The Impact Of Twentieth Century Revivals:

The Flaming Tongue James Edwin Orr,1973 *The Flaming Tongue* James Edwin Orr,1975 **Ecumenism and Independency in World Christianity** ,2020-09-07 Ecumenism and independency suggest two distinct impulses in the history of Christianity the desire for unity co operation connectivity and shared belief and practice and the impulse for distinction plurality and contextual translation Yet ecumenism and independency are better understood as existing in critical tension with one another They provide a way of examining changes in World Christianity Taking their lead from the internationally acclaimed research of Brian Stanley in whose honour this book is published contributors examine the entangled nature of ecumenism and independency in the modern global history of Christianity They show how the scrutiny afforded by the attention to local contextual approaches to Christianity outside the western world may inform and enrich the attention to transnational connectivity *Revival, Renewal, and the Holy Spirit* Dyfed Wyn Roberts,2009-11-01 The revival of 1904-05 had a profound effect not only on Wales but also on many other nations This volume of academic papers from the centenary conference in 2004 explores the local and International Impact of the revival as well as previous eighteenth and nineteenth century Welsh revivals Contributors include David Bebbington and Mark A Noll *Firestorms of Revival* Bob Griffin,2006-10 Learn the ten characteristics of revival and see the move of God change not only your ministry but your community **The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Two** James Leo Garrett Jr.,2018-07-26 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In *The Collected Writings of James Leo Garrett Jr 1950-2015* the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many The first two volumes of the series explore Dr Garrett s writings on the experience history and lives of Baptist Christians and this inaugural volume specifically considers Baptists Baptist views of the Bible and Anabaptists Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life *The Collected Writings of James Leo Garrett Jr 1950-2015* will inform and inspire readers regardless of their religious or denominational affiliations **A Survey of 20th-century Revival Movements in North America** Richard M. Riss,1988 The twentieth century has witnessed periodic revivals comparable to the awakenings of the eighteenth and nineteenth centuries And yet many of the places and players of these reawakenings have been overlooked or neglected by the chroniclers of North American church history *A Survey of 20th Century Revival Movements in North America* attempts to set the record straight It offers a concise and useful survey of the major currents of revival that have swept over this continent since the turn of the century As the final decade of this century approaches it is appropriate that historian Richard Riss chart the course of twentieth century revival on this continent and record the people

places and events that have shaped the modern American church Names like William J Seymour or Maria B Woodworth Etter places like Azusa Street or North Battleford Saskatchewan and events like the forest Home Briefing Conference or the Latter Rain Revival might not be as familiar as Billy Graham Oral Roberts or the Jesus movement but each has played a significant role in keeping the streams of revival flowing The impact of these often lesser known figures and events is tremendous For example William J Seymour was a key figure in early Pentecostalism which has become one of the most rapidly growing segments of modern Christianity Also college awakenings at Bethel College in St Paul Minnesota Northern Baptist Theological Seminary North Park College and Wheaton College in late 1949 and early 1950 received nationwide press coverage and sparked college revivals throughout the country A decade later in 1960 Dennis Bennett s experience of the Holy Spirit in Van Nuys California would mark the beginning of a tremendous outpouring of the Spirit and for many came to represent the start of the charismatic renewal movement

Global Awakening Mark R. Shaw, 2010-03-25 The last century has seen the revolutionary remaking of Christianity into a truly world religion How did it happen Mark Shaw s provocative thesis is that far flung revivals in places like Africa Korea Brazil and India are at the heart of the global resurgence of Christianity

From Asbury University Revival to the Russian Revival: Read about Twenty Revivals of the Twentieth Century G. J. Hocking, 2019-12-24 How many countries experienced a religious revival during the 20th century According to this new book on church revival history there were at the very least twenty such revivals occurring in various parts of the world Revival swept from Asbury University Australia through America and across the European continent all within the space of one century Why This Book I wrote The Twentieth Revivals of the Century because there are so many stories that need to be told Stories of sweeping revivals which happened all across the globe Spiritual awakenings that occurred in countries making headlines today sometimes for all the wrong reasons Nations like North Korea s Pyongyang and Japan which incidentally almost became a Christian nation leading up to the twentieth century At this time Christianity began gaining ground at a rapid pace Such was the impact of the revivals covered in this book heading into the twentieth century So can we see a repeat of such revival fervour in the twenty first Century Was the recent Asbury Revival comparable with the one seen there in the 1970s Does it measure up to the same basic criteria or pass the smell test of how recent revivals have come about These question although not directly answered will show the the so called Asbury revival was missing two basic ingredients the preaching of the gospel and conversion of the masses
