**Smoke and Mirrors** James Robert Brown, 2002-10-02 Realism is an enlightening story a tale which enriches our experience and makes it more intelligible Yet this wonderful picture of humanity's best efforts at knowledge has been badly bruised by numerous critics James Robert Brown in *Smoke and Mirrors* fights back against figures such as Richard Rorty Bruno Latour Michael Ruse and Hilary Putnam who have attacked realist accounts of science But this volume is not wholly devoted to combating Rorty and others who blow smoke in our eyes the second half is concerned with arguing that there are some amazing ways in which science mirrors the world The role of abstraction abstract objects and a priori ways of getting at reality are all explored in showing how science reflects reality *Smoke and Mirrors* is a defence of science and knowledge in general as well as a defence of a particular way of understanding science It is of interest to all those who wish or need to know how science works

**Successful Failure** Kevin Fredericks, 2025-09-23 Being successful is no laughing matter unless the road there is littered with flops, fool's errands, fizzles, and straight-up failures. From the New York Times bestselling co-author of *Marriage Be Hard*, I'm so happy Kev failed because these stories will set so many free from perfection. Tabitha Brown, bestselling author of *Feeding the Soul*, Kevin Fredericks aka KevOnStage is a viral stand-up star, an NAACP Image Award-winning comedian, the founder of KevOnStage Studios, a New York Times bestselling author, and a superstar on social media. But his path to success wasn't always smooth. As a kid, Kevin noticed something useful: If he made people laugh, the grown-ups would let him stay up late. In church, playing his commitment to the role of Goliath led to a busted lip, and the audience couldn't get enough. He dreamed of becoming a performer, of finding that big break that would launch him into the bright lights of pop culture fame. But as he soon found, the road to the life we want is longer, weirder, more embarrassing, and more entertaining than we think it will be. In *Successful Failure*, the comedian recounts hilarious stories and sincere insight from his adventures and misadventures trying to make it in life. From performing under an alias to avoid getting fired from his suit and tie day job to breaking a chair onstage and quitting stand-up for six months from pooping his pants on a bus next to his future wife to starting a clothing line called *Dreams Don't Die*, they sure do if the merch doesn't sell. Kevin reminds readers that while we might not be The Rock, Warren Buffett, or Kevin Hart, we're all out here trying, and that's okay. Laugh out loud in one moment and perceptive in the next. *Successful Failure* is a wild ride from one of America's funniest comics and a sendup of our ideals around hustle culture and success.
