Small Group Leadership As Spiritual Direction:

Small Group Leadership as Spiritual Direction Heather Parkinson Webb, 2009-09-03 Don't just LEAD a small group DIRECT it Members of your small group look to you for answers They bring their raw questions and intimate needs to you looking for wisdom and understanding How can you encourage your group to consider the Holy Spirit's voice Spiritual direction is an ancient art of being with another person in relationship with God writes author Heather Webb This time tested practice requires that you remain attentive and open to divine interactions you might otherwise miss Field tested through the author's years of experience Small Group Leadership as Spiritual Direction will help you Avoid common small group pitfalls Take on difficult questions Speak God's words into others lives Deepen your group's desire for God The exciting discipline of spiritual direction allows you to create a space in which the Holy Spirit can move among your group As you begin to discern Christ's call in the lives of others you will see your ministry with a new perspective and uncover new ways to direct your group not just lead it

Small Group Leadership as Spiritual Direction Heather Webb, 2005 Spiritual direction is an ancient art of being with another person in relationship with God As we struggle in the church to develop meaningful and lasting relationships this spiritual practice has much to offer us It is another way of patiently sitting with another soul listening for God's voice and looking for God's leading in a person's life The small group phenomenon has taken root in many different Christian communities in the US and abroad However there have been pitfalls encountered *Where Two Or Three Are Gathered* Daniel L. Prechtel, 2012-04 Much has been written about the practice of one to one spiritual directions but much less about small group communities that offer in depth mutual spiritual support and guidance to its members But small groups are most likely the more usual setting for spiritual companionship and have strong biblical theological and historical foundation in the Christian tradition This book offers a detailed presentation of ten small group models plus guidance in group leadership dynamics It also presents material related to group retreat work spiritual guidance with organizations and peer supervision consultation model for supporting leaders of spiritual companionship groups and retreats Church leaders spiritual directors and educators are looking for the kinds of resources this book provides to assist them in understanding and leading groups and retreats

When Leadership and Spiritual Direction Meet Gil W. Stafford, 2014-06-11 Modern church leaders need to cultivate innovative and creative leadership skills as they navigate today's post Christian world and as their congregations look to them for insight and guidance Gil Stafford takes a fresh look at this vital need drawing upon his experience as a college coach university president and parish priest and interweaving them with ancient spiritual practices found within the discipline of spiritual direction Personal anecdotes help the reader envision their own life transforming pilgrimage as they develop into the type of adaptive leader that churches need in today's rapidly changing world This book challenges church leaders to foster sacred safe space holy listening silence and wisdom storytelling in order to create a discerning church community These techniques of spiritual direction can be applied to every aspect of the church from small

Benner, Gary W.

Moon, 2025-06-23 In recent years many Christian clergy laity and mental health professionals have rediscovered the ancient practices of spiritual direction Seen as a refreshing alternative to the techniques and limitations of modern psychology such practices offer new insights for pastoral care But many remain unclear on what spiritual direction is and whether its methods are applicable to their own clients and parishioners Spiritual direction is a practice of Christian soul care that is found most notably in the Catholic Orthodox and Episcopal traditions but is also present in Wesleyan Holiness Pentecostal charismatic social justice and Reformed communities Predating modern counseling and psychotherapy movements but sharing key principles and insights for spiritual formation spiritual direction offers significant resources for today's pastors counselors therapists chaplains and other caregivers attuned to the work of God in people's lives In this landmark volume editors Gary W Moon and David G Benner along with a team of expert contributors provide a comprehensive survey of spiritual direction in its myriad Christian forms Specific chapters offer careful historical perspective and contemporary analysis of how Christians from various backgrounds have practiced spiritual direction with particular attention to each tradition's definition of spiritual direction the process of authentic transformation the role of the spiritual director indicators of mature spirituality and other aspects of the spiritual direction process Chapters also provide psychological and clinical insight into how spiritual direction is similar to different from and can be integrated with psychotherapy and pastoral counseling to help others experience spiritual transformation and union with God **Organix** Bob Whitesel, 2011-11-01 Does your leadership style fit new ways of doing church leadership that is organic and elastic and that finds ways to seize God given opportunities Looking back and drawing on the ancient Christian tradition Bob Whitesel describes seven traits for successful leadership which he characterizes by seven symbols O the Greek symbol theta the first letter of the Greek word theos stresses that God is the

source of the burden for others and provides the power to help them Rx the medical prescription symbol an emphasis on addressing the spiritual and physical health of leaders G a stylized G for graffiti the edgy colorful and artful collages that help define contemporary organizations A inspired by the recycle symbol the idea of recycling places experiences and people rather than discarding them N emerging networks that connect people more quickly efficiently precisely and continuously I an emphasis on incarnation a going in the flesh to serve others rather than sending surrogates X the Jerusalem cross with a number in each quadrant four types of measurement observed in Jerusalem Acts 2:42-47 which at their core point to Christ's work on the cross Taken together these symbols spell out the word organix and represent a fundamentally new way to think about your church and how you can best lead

Present-Day Spiritualities, 2013-10-10 Many forms of present day Western spirituality contribute to people's well being whereas others have raised criticism The study of these different forms is however complicated by their continuously diverging practices and ideas By bringing to bear a multidisciplinary approach the ten specialists of this volume are able to analyze diverse new instances of spirituality e.g. in religious contexts Buddhism Christianity popular use organizations and enterprises alternative health service and works of art Most contributions also discuss methods and theories In their editorial chapters Elisabeth Hense Frans Jespers and Peter Nissen show the remarkable overlaps in the approaches definitions and evaluations of the contributions in this volume and provide a theoretical framework Both the fresh analyses and the theoretical reflections in this volume point the way to new approaches in this field of study Contributors include Jerry Biberman Mark Elliott Miguel Farias Johan Goud Paul Heelas Elisabeth Hense Frans Jespers Hubert Knoblauch Peter Nissen Paul van der Velde

Position Descriptions by Design Gary H. Woolverton, 2012-08 Churches have become such an entity that they are being structured and led much as normal businesses are run Because of this churches must provide adequate and effective services to their employees Proper descriptions of the jobs and related positions of the employees in the church are critical to having an effective staff that can best serve the community Descriptions of what is expected of volunteers are also crucial to having sufficient servants to do the work God desires of them This book is a collection of position descriptions as well as the whats whys and hows of developing implementing and maintaining effective descriptions for both career employees and volunteers In addition to the more than 170 descriptions included in the book more than 950 descriptions are available for download

Spiritual Companionship Angela H. Reed, Richard R. Osmer, Marcus G. Smucker, 2015-10-06 Among the smiling faces in church on Sunday mornings are those who long for deeper more genuine relationships within their local congregations active intentional relationships that nurture the soul and encourage personal encounters with God Drawing on decades of experience in spiritual direction congregational ministry and seminary teaching this book offers a clear and rich introduction to the theology and practice of spiritual companionship in the Protestant tradition The authors explore the topic in a biblically based and historically informed manner and give practical

help for cultivating spiritual relationships in congregations and beyond using stories throughout to illustrate key ideas Discussion questions are included **Beyond Christian Education** R. Ben Marshall, 2015-11-06 **Beyond Christian Education** is about raising up committed servants of God's Justice and Peace Our present efforts at nurture in the local church are suffering from ineffectiveness The time has come to go beyond what we have known as Christian Education and bring about a more effective approach called Christian Nurture This book is a call to nurture a deeper connection with the source of the power in the person's relationship with God as well as what it means to be a loving servant Through solid grounding in theology and a functional understanding of the dynamics of nurturing Christians the Nurture approach brings together teaching and essential spiritual guidance The approach emphasizes the role of the whole congregation in nurture and a stronger focus on the place of the home as a foundational locus of nurturing Christians It proposes a balanced curriculum including inner formation traditioning prophetic sensitivity and servanthood These emphases become a source of creativity in the congregational environment the home intentional nurture experiences and servanthood immersions **Beyond Christian Education** is important reading for local churches concerned about the future of their efforts at nurturing Christians

Holy Listening with Breath, Body, and the Spirit Whitney R. Simpson, 2016-11-15 Many of us long to hear God's voice yet we often overlook the great wisdom God gave us in our bodies There is a deep connection between our bodies and spirits What might happen if we listened more deeply to the wisdom of our bodies How might listening with our whole selves change the way we listen to God A stroke at age 31 forced Whitney Simpson to slow down and listen more deeply to her body In the process she discovered how to listen more deeply to God During her journey of healing and wholeness Whitney explored ancient practices that she found helpful in connecting her body and spirit including lectio divina meditative reading of scripture yoga breath prayer aromatherapy Listening to God with the entire body not simply with our ears may seem like a strange concept Yet God created the body and the breath as gifts for us to explore Most important we don't have to experience a crisis to learn to listen to God's activity in and around us Each of us can slow down and listen for God just as we are in breath body and spirit This 40 day guide to holy listening offers daily meditations that can be completed in as little as 30 minutes Each meditation includes scripture yoga postures a breath prayer suggested essential oils and reflection questions The book provides descriptions and simple illustrations of yoga poses and suggests seated poses as modifications for all poses making it accessible to both experienced yoga practitioners and those new to yoga Allow this book to invite you on a journey of holy listening as you explore ancient tools and new ways of experiencing the presence of God **Openings (2nd Edition)** Rev. Larry J. Peacock, 2014-04-01 Move closer to God one day at a time by reading the Psalms and practicing prayer in ways you may not have imagined before This is a prayer book for every day of the year for people who don't usually think about using a prayer book Drawing on a wide variety of resources lives of saints and sages from every age psalms guides for personal reflection and suggestions for practice Rev Larry J Peacock offers helpful guidance for anyone hungry for

a richer prayer life Each day s reading has four parts Remember a notable person of faith or a significant event Read a psalm or another scripture passage Ponder that day s scripture or person of faith Practice a variety of ways to pray including prayer through play music and physical movement This new edition features the addition of ancient and modern sages from inside and outside the Christian tradition as well as updated resources for deepening your spiritual life throughout the year

Books That Change lives CLC Publications,2014-08-19 Books That Change Lives is a compilation of essential books recommended by Christian retail book experts This guide is a useful tool for beginners just coming to the faith veteran Christians searching for growth and guidance and church leaders seeking to study the Christian faith and recommend quality Christian books to others *The Ultimate Leadership Style* Dr. Ambrose e. Edebe,2017-08-31 Servant leadership as exemplified by Jesus is what every Christian leader is called to This ultimate leadership style is one of humility and self sacrifice You are a leader Whether the venue is your church a civic organization a company or your family this book shows you that adopting Jesuss leadership example will transform your effectiveness Leadership is influence and no leader has had greater influence on the world than Jesus Christ The lessons of his leadership style are practical learnable skills that you can apply Dr Edebe examines the leadership Jesus modeled and uncovers Christlike qualities every leader needs such as courage gentleness and truthfulness But he doesnt stop there With Jesus as the standard Dr Edebe considers how to deal with temptations and pressures you confront as a leaderfacing loneliness handling criticism using power wisely and passing the torch to others If you are in search of excellence in developing your leadership abilities youll find no better guide than this close up look at Jesusthe greatest leader who ever lived **Sharing the Journey** Robert Wuthnow,1996-07-01 A look at how support groups have affected American society argues that although support groups provide a warmth and security that holds society together they can lead to an unhealthy self absorption and a trivialized sense of what is sacred **Making Disciples** Sylvia Wilkey Collinson,2007-01-01 The Christian faith community regards the making of disciples as a prime directive of Jesus himself though this theme is not dominant in contemporary models of teaching in the church This investigation seeks to develop a theory of discipling and to test its congruence as an effective educational strategy with the objectives of modern Christian faith communities After briefly examining the discipling model of teaching as practiced in the world of the Ancient Near East a detailed study of New Testament texts investigates the practice of discipling by Jesus and his followers and in the church of the first century An understanding of the concept of discipling is gained by gradually refining its definition as the study progresses through a contemporary examination of other informal models of education Religious and educational research findings are explored to enable the validity of the discipling model to be determined Finally the definition is used as a benchmark to examine various contemporary educational theories within the community of faith In contrast to the schooling model discipling has been shown to be an effective model for teaching attitudes values and behavior as well as knowledge and beliefs in today s church Its emphasis on commitment to learning relationships within a

nurturing community and active involvement in the mission of Christ to the world and its capacity to adapt to differences in age culture ability and interests make it a model of teaching worthy of much greater attention by the Christian faith community

Experiential Storytelling Mark Miller, 2009-07-27 The Been there done that culture is starving for reality Hardly satisfied with the modern conventions of citing facts and figures and pushing propositions emerging churches are jumping into the narrative form of communication with both feet But not all emerging church leaders have an inherent handle on the craft and skill of using narrative as a sermon form Experiential Storytelling zeros in on the hows and whys of narrative as well as the importance of sharing personal experience to double your storytelling ammunition In addition author Mark Miller goes several steps further giving examples of real time hands on experiences for church members as innovative extensions of traditional teaching and preaching that offer them greater scriptural understanding and ownership of the gospel story Chapters include The Dawning of the Age of Experience Once Upon a Story Awakening the Sleeping Giant in the Church C R E A T I V T Y Reimagining the Sermon Elements of Experiential Storytelling Killer Apps

A Different Calling Kenneth P. Langer, 2018-10-09 What if the world was filled with ministers people who cared about the well being and wholeness of others To minister is to attend to the needs of others and there are many great people who have committed their lives to that mission but not everyone is able to dedicate themselves to becoming a professional minister Some choose to help others as a lay minister or non professional caregiver This text serves as a guide for training and support for people who want to become lay ministers or group facilitators of any spiritual tradition
