Charles Bukowski, King of the Underground A. Debritto, 2013-09-25 This critical study of the literary magazines underground newspapers and small press publications that had an impact on Charles Bukowski's early career draws on archives privately held unpublished Bukowski work and interviews to shed new light on the ways in which Bukowski became an icon in the alternative literary scene in the 1960s *Walford's Guide to Reference Material: Generalia, language and literature, the arts* Albert John Walford, Marilyn Mullan, Priscilla Schlicke, Library Association, 1996 From its first edition the purpose of Walford has been to identify and evaluate the widest possible range of reference materials No rigid definition of

reference is applied In addition to the expected bibliographies indexes dictionaries encyclopaedias and directories a number of important textbooks and manuals of general practice are included While the majority of the items are books Walford is a guide to reference material Thus periodical articles microforms online and CD ROM sources are all represented In this volume a particular effort has been made to improve coverage of the latter two categories Annual Bibliography of the History of the Printed Book and Libraries Dept. of Special Collections of the Koninklijke Bibliotheek,1994-12-31 This twenty third volume of ABBB Annual bibliography of the history of the printed book and libraries contains 3956 records selected from some 1600 periodicals the list of which follows this introduction They have been compiled by the National Committees of the following countries Arab Countries Italy Australia Latin America Austria Latvia Belgium Luxembourg Byelorussia The Netherlands Canada Poland Croatia Portugal Denmark Rumania Estonia Russia Finland South Africa Spain France Germany Sweden Great Britain Switzerland Hungary Ukraine Ireland Republic of USA Benevolent readers are requested to signal the names of bibliographers and historians from countries not mentioned above who would be willing to co operate to this scheme of international bibliographic collaboration The editor will greatly appreciate any communication on this matter Subject As has been said in the introduction to the previous volumes this bibliography aims at recording all books and articles of scholarly value which relate to the history of the printed book to the history of the arts crafts techniques and equipment and of the economic social and cultural environment involved in its production distribution conservation and description Of course the ideal of a complete coverage is nearly impossible to attain Walford's Guide to Reference Material: Generalia, language & literature, the arts Albert John Walford,Marilyn Mullay,Anthony Chalcraft,1993 This book has achieved international recognition as a reference tool and a one stop daily information source This new edition features many topics and is indispensable to librarians and information professionals revising reference collections etc Literary Research Guide James L. Harner,2008 James L Harner s Literary Research Guide which Choice calls the standard guide in the field evaluates important reference materials in English studies Since the publication of the first edition in 1989 tens of thousands of students and educators have used the Guide as an aid to scholarly research In the new edition Harner has added entries describing resources published since May 2001 and has revised nearly half the entries from the fourth edition The fifth edition contains more than 1 000 entries which discuss an additional 1 555 books articles and electronic resources and cite 723 reviews Readers of earlier editions will notice the inclusion of substantially more electronic resources particularly reliable sites sponsored by academic institutions and learned societies to account for the proliferation of bibliographic databases text archives and other online resources This edition also features a new section on cultural studies
