**Christopher Smart** Chris Mounsey, 2001 This new biography of Christopher Smart offers a picture of a multifaceted eighteenth century wit whose writing has far reaching social political and historical significance Poet journalist theater performer cross dresser and theologian who was questionably incarcerated for insanity wherever Smart found himself his approach to life was at once serious and joyful confirming him as one of God's clowns Building on previous biographical bibliographical and critical work as well as on a broad scholarship on the publishing trade on Grub Street and the position of the professional writer and on the institutional treatment of madness in eighteenth century England Chris Mounsey constructs a version of Smart's life that is radically original In its intelligent use of legal parliamentary and other archives Mounsey both reappraises the familiar source material and mounts a challenge to earlier accounts of Smart's life and career New interpretations of Smart's relationship with others including his father in law John Newbery his life on Grub Street as a political satirist and his involvement in theological speculations provide a fuller and more engaging picture of the social political scientific and religious context of his life and work BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

**Christopher Smart's English Lyrics** Rosalind Powell, 2016-05-23 In the first full length study of Christopher Smart's translations and the place and function of translation in Smart's poetry Rosalind Powell proposes a new approach to understanding the relationship between Smart's poetics and his practice Drawing on translation theory from the early modern period to the present day this book addresses Smart's translations of Horace Phaedrus and the Psalms alongside the better known religious works such as Jubilate Agno and A Song to David Five recurrent threads run throughout Powell's study the effect of translation on the identity of a narrative voice in a rewritten text the techniques that are used to present translated texts to a new literary cultural and linguistic readership performance and reading contexts the translation of great works as an attempt to achieve literary permanence and finally the authorial influence of Smart himself in terms of the overt religiosity and nationalism that he champions in his writing In exploring Smart's major translation projects and revisiting his original poems Powell offers insights into classical reception and translation theory attitudes towards censorship expressions of nationalism in the period developments in liturgy and hymnody and the composition of children's books and school texts in the early modern era Her detailed analysis of Smart's translating poetics places them within a new contemporary context and locality to uncover the poet's works as a coherent project of Englishing

**Cultivating Peace** Melissa Schoenberger, 2019-05-17 Like Virgil who depicted a farmer's scythe suddenly recast as a sword the poets discussed here imagine states of peace and war to be fundamentally and materially linked In distinct ways they dismantle the dream of the golden age renewed proposing instead that peace must be sustained by constant labor

*Christopher Smart and Satire* Min Wild, 2016-05-23 Christopher Smart and Satire explores the lively and idiosyncratic world of satire in the eighteenth century periodical focusing on the way that writers adopted personae to engage with

debates taking place during the British Enlightenment Taking Christopher Smart's audacious and hitherto underexplored *Midwife or Old Woman's Magazine* 1750-1753 as her primary source Min Wild provides a rich examination of the prizewinning Cambridge poet's adoption of the bizarre sardonic Mary Midnight as his alter ego Her analysis provides insights into the difficult position in which eighteenth century writers were placed as ideas regarding the nature and functions of authorship were gradually being transformed At the same time Wild also demonstrates that Smart's use of Mary Midnight is part of a tradition of learned wit having an established history and characterized by identifiable satirical and rhetorical techniques Wild's engagement with her exuberant source materials establishes the skill and ingenuity of Smart's often undervalued multilayered prose satire As she explores Smart's use of a peculiarly female voice Wild offers us a picture of an ingenious and ribald wit whose satirical overview of society explores overturns and anatomises questions of gender politics and scientific and literary endeavors
