The Research Magnificent Herbert George Wells, 1915 The story of William Porphyry Benham is the story of a man who was led into adventure by an idea It was an idea that took possession of his imagination quite early in life it grew with him and changed with him it interwove at last completely with his being Goodreads **Maxwell's Demon** Steven Hall, 2021-04-06 The son of a famous writer is caught in a cat and mouse game with his late father's protégé in this heady postmodern thriller Publishers Weekly Thomas Quinn is having a hard time A failed novelist he's stuck writing short stories and audio scripts for other people's characters His wife Imogen is working on a remote island halfway around the world and talking to her over the webcam isn't the same The bills are piling up the dirty dishes are stacking in the sink and the whole world seems to be hurtling towards entropic collapse Then he gets a voicemail from his father who has been dead for seven years Thomas's relationship with Stanley Quinn a world famous writer and erstwhile absent father was always shaky not least because Stanley always seemed to prefer his enigmatic assistant and protégé Andrew Black to his own son Yet after Black published his first book Cupid's Engine which went on to sell over a million copies he disappeared completely Now strange things are happening to Thomas and he can't help but wonder if Black is tugging at the seams of his world behind the scenes Absurdly brilliant wildly entertaining and utterly mind bending Maxwell's Demon triumphantly excavates the ways we construct meaning in a world where chaotic collapse looms closer every day Praise for Maxwell's Demon Named a Most Anticipated Book by the Guardian A wonderfully imaginative splendidly baroque novel that is a combination of the baffling teasing and tantalizing Part fantasy part mystery it is altogether delightful and filled with surprises in a word exceptional No make that two words the second is fantastic Booklist starred review A phantasmagoric novel with shades of Stephen King's The Dark Half There's really nothing like this book long contemplations of philosophy personality religion and history are all woven into something of a mystery in which no one is truly reliable With influences that recall Fight Club and Motherless Brooklyn Hall manages to put a whole world on the page that shifts and changes as weirdly and wildly as the ones in the novel's fictional books The modern novel's version of a M.
