

The background of the cover is a photograph of a city street. On the left, there are red brick buildings. On the right, a dark, multi-story building with many windows is visible. In the background, a large, ornate church with multiple spires and a tall tower stands out against a pale, overcast sky. The overall tone is somewhat somber and atmospheric.

offended the Muslims Bad move Meanwhile archaeologists assisted by Merrily's teenage daughter Jane are at work in Coleman's Meadow unearthing an ancient row of standing stones which some people would rather stay buried The atheist's temporary home is close to the site And his young wife is becoming conspicuously agitated Is it the fear of discovery or the kind of fear that she of all people could never disclose One thing is clear the last person who's going to be welcome in that house is an exorcist With the flood water washing up Church Lane towards the vicarage and the shop running out of cigarettes it looks like a cold and complex Christmas for Merrily Watkins in an ancient community forced to untangle its own history against the swirling uncertainty of the future **The Mammoth Book of Best New Horror** Stephen
