Hays,2010-08-11 My life began at Queen of Angels Hospital A rather appropriate name when you consider the city that I was born in namely Los Angeles I was raised in Orange County and have spent my entire life within a comfortable seventy five mile radius of that same hospital which of course is no longer there After all life in SoCal is nothing if not transitory As a frustrated musician or more accurately drummer and aspiring lyricist I ve spent most of my life attempting to craft the perfect concept album What lies within these pages is the result sans music of course This book is first and foremost

a love letter written from a father to and for his daughters In that vein I have attempted to capture their collective essence and robust romantic spirits After doing that I then dropped them into the middle of a fantasy land that s well mostly fiction The clues to unraveling the mystery of this tale are hidden within the lyrics and illustrations at the beginning of each chapter I hope that you enjoy the journey but remember nothing is ever what it seems Consonant Articulation Drills Lora L.
