Old Jewish Commentaries on the Song of Songs I Joseph Alobaidi, 2010 The commentary of Yefet ben Eli the Karaite second half of the tenth century on The Song of Songs is example of an exegetical work obeying two imperatives The explanation of the divine message of Salvation mixed with the assiduous Karaite effort to prove wrong their adversaries the Rabbanites with the help of the Bible In so doing Yefet ben Eli wrote a thoughtful and original commentary on the very symbolic Song of Songs Indeed according to Yefet ben Eli nothing in the Book should be taken realistically The ability of Yefet to replace symbols by historical events is one of the many marks that show Yefet's mastery and the originality of his commentary
