Indigenous peoples and white settlers Historical essays focus on the period from the RSC's founding in 1882 to the mid twentieth century later chapters bring the discussion to the present documenting the first steps taken to change damaging patterns and challenging the society and Canadian scholars to make substantial strides toward a better future The highly educated in Canadian society were not just bystanders they deployed their knowledge and skills to abet colonialism This volume dives deep into the RSC's history to learn why academia has more often been an aid to colonialism than a force against it *Royally Wronged* poses difficult questions about what is required for individual academics fields of study and the RSC to move meaningfully toward reconciliation **For Younger Readers; Braille and Talking Books** ,2000 *The Athenaeum* ,1916 **Canadian Gazette and Export Trader** ,1913
