S. Ryu ,2007-05-07 A DEMONSTRATION PROJECT Submitted to New York Theological Seminary in partial fulfillment of the requirements for the degree of DOCTOR OF MINISTRY Creative Ideas for Pastoral Liturgy: Baptism, Confirmation and Liturgies for the Journey Tessa Wilkinson, Jan Brind, 2009-01-29 Christian initiation takes varying forms in different denominations and for many non churchgoing new parents a christening or some other kind of ceremony is important at this landmark time in their lives Equally many adults seek baptism in the Church of England and the ancient practice of baptism with confirmation at the Easter Vigil is enjoying a revival This volume the third and final volume in the Creative Pastoral Liturgy series offers imaginative ideas and liturgies for all these and many more occasions in the life of a local church which you will not find in official service books These include blessings for a house and a new building thanksgiving liturgies for all who help to run the church services of blessing for those moving away for a student going travelling for a group going on pilgrimage for an ordinand starting training and for someone going to serve overseas As with the companion volumes on marriage and funerals this invaluable resource ensures that the authorised initiation liturgies are celebrated with imagination and creativity so that

pastoral support and care is made clearly visible Creative Ideas for Evening Prayer Jan Brind, Tessa Wilkinson, 2005 Other than Evensong or Taize style meditation what else is there for evening prayer Here is a resource that fills this gap to overflowing It offers dozens of simple ready made outlines that are rich with ideas for using visual imagery music light and other symbols with suggestions for getting everyone present actively involved Developed and used over many years in local churches by the authors every idea in this book has been tried and tested The result is an imaginative resource to inspire worship that is simple memorable and beautiful As well as round the year celebrations there are also extra ideas for public occasions such as a time of tragedy or for a peace vigil Meditation—The Complete Guide Patricia Monaghan, Eleanor Viereck, 2011 A revised guide to positive transformation through meditation profiles 35 diverse practices from different world regions while explaining their respective histories and virtues in a resource that includes coverage of options ranging from drumming and trance dancing to labyrinth walking and gardening Original Seek and You Shall Find Taizé, 2006-09 Short meditations about the nature of God are offered as answers to questions such as Why do we call God Father Is God a judge and What does it mean to believe The answers emphasize the human longing for a meaningful life and offer starting points for further investigation in Bible passages with commentary on the Resurrection and Jesus s message of love and Creative Ideas for Pastoral Liturgy: Marriage Services and Wedding Blessings Jan Brind, Tessa forgiveness Wilkinson, 2009-01-06 Arising out of many years practical experience in local parishes and on a diocesan liturgical committee this second volume in a series of three by this creative team of writers will help local churches everywhere make the most of the opportunities presented by couples coming for marriage or a wedding blessing The wedding industry today is driven by consumer choice Churches are uniquely placed to offer real pastoral support at what is often a stressful and expensive time time out to consider what marriage means and imaginative liturgies that can make a wedding truly memorable This book is full of ideas that will help make the experience of getting married in church joyous memorable and meaningful From giving engaged couples Stress busting gift packs to creating personalised wedding ceremonies ideas for church decorating and welcoming couples who have got married in another part of the country or abroad this is a resource brimming with simple Liturgical Music as Ritual Symbol Judith Marie Kubicki,1999 In this book Sister Kubicki uses and effective ideas Jacques Berthier's Taize music to explore the nature of liturgical music as ritual symbol She carries out a hermeneutical analysis of Berthier's chants and examines biographical and historical data related to the creator's of Taize music and the founding of the Taize community The author draws on five areas of study to interpret the Taize chants as ritual symbol symbol theory semiotics theologies of symbol ritual theory and perfomative language theory. The final chapter explores potential ecclesial meanings which may be mediated in the Taize liturgy and the role of Berthier's chants in mediating that meaning The study concludes that it is music s symbolic property that enables it to be both ministerial and integral to the liturgy As symbolic activity music making evokes participation negotiates relationships and enables the assembly to orient

themselves and to find their identity and place within their world Furthermore music making provides the illocutionary force to do something in the act of singing Thus it is that as part of a complexus of ritual symbols music interacts with other symbols in mediating the liturgy s meaning **Chanting the Psalms** Cynthia Bourgeault, 2006-11-14 Chanting the psalms or psalmody is an ancient practice of vital importance in the Christian spiritual tradition Today many think of it as a discipline that belongs only in monasteries but psalmody is a spiritual treasure that is available to anyone who prays You don't need to be musical or a monk to do it and it can be enjoyed in church liturgical worship in groups or even individually as part of a personal rule of prayer Cynthia Bourgeault brings the practice into the twenty first century providing a history of Christian psalmody as well as an appreciation of its place in contemplative practice today And she teaches you how to do it as you chant along with her on the accompanying audio program in which she demonstrates the basic techniques and easy melodies that anyone can learn Even if you can t read music Cynthia says or if somewhere along the way you ve absorbed the message that your voice is no good or you can t sing on pitch I ll still hope to show you that chanting the psalms is accessible to nearly Better Get It In Your Soul Steve Rush, Reid Hamilton, 2008-09-01 This book offers hope to the parish that is searching for a way to make their liturgies more meaningful in the local context Written by a priest and musician who have worked together for many years in the Canterbury House ministry at the University of Michigan the methods described here demonstrate a respect for others gifts and skills discernment of the spiritual needs of the community and actively welcoming the creative force of the Holy Spirit to work even in the planning process Based on the liturgical format of the Book of Common Prayer Hamilton and Rush nevertheless outline their experience and ideas in ways that will be useful to all liturgical denominations **Encounters with the Holy** Barbara Day Miller, 2010-06-14 Many churches have active worship committees or planning teams and an abundance of books and resources guide pastors and laity Encounters with the Holy offers a conversational model of worship planning that was developed to train practitioners to be more reflective in their planning of worship experiences. The model planning ordering worshiping reflecting is a flexible fluid pattern It provides a more circular spiraling practice of imaginative planning preparing the leaders and the space and reflecting theologically to understand more fully the experience of worship It has been tested in congregations seminaries and campus ministries amid a wide range of denominational and cultural styles An underlying theological assumption of this approach is that we are engaged in holy work when we plan and prepare for worship Leaders study preparation and training are themselves an encounter with the Holy Therefore we are called to become more informed and better prepared liturgical leaders The language and encouraging style of the book is accessible to student pastors pastors and lay people interested in learning to think more deeply about worship
