Patrick,2016-06-22 Excerpt from Songs of the Gael A Collection of Anglo Irish Songs and Ballads Wedded to Old Traditional Irish Airs As to the songs I have aimed at selecting those which have in them the true national ring We want in the Ireland of to day an antidote to the Spirit of Anglicisation which is abroad I know no more effective barrier against the encroachment of that Spirit next to the Irish Language and Irish Song than the general singing at concerts and gatherings of good Anglo Irish ballads and songs The music hall and concert room may be made a very powerful agency in denationalising and even in

debasing our people From a national and moral point of View what effect can empty Vulgar mawkishly sentimental songs have And such songs are only too often heard at our so called Irish Concerts Or the song whose lewd allusions are thinly veiled Or the songs that ignore and deliberately eschew the glories and noble deeds and sacri fices of our past heroes what effect can such songs as these have on Irish youth It has been truly said that in a nation s ballads we find the history of its struggles and pro gress and triumph A nation s habits too and its traditions and recollections are enshrined in its ballads The wandering bards and minstrels became the keepers of the records of the nation and hence they were hunted down by the oppressors A well known collector of Irish ballads claims for Ireland as high a rank in ballad literature as that of any other nation In this collection which I now give to the public Irish men and women will find songs which are all racy of the soil About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
