made Sarah separated from her biological parents Sarah was raised by her maternal grandmother and her auntie in a small town called Opelika At an appointed time all people that matter in her life came back to favor her She fell in love and married a Nigerian student who encouraged her to fine tune her career as a singer When the family moved to Nigeria she was not found of rigidity in Nigerian school system where students just study do exam study and do the test Nothing excited her therefore she suggested a ceremony similar to the American version of homecoming to her daughters school They not only accepted her idea but also granted her absolute right to coordinate and implement the entire event The event was so successful that it eventually transformed Sarah from an elite house wife to a well known socialite in the Nigerian high class inner circle
