Songs of Pilgrimage Horace Lorenzo Hastings,1888 *Songs Of Pilgrimage* Horace Lorenzo Hastings,2023 The Songs of the Temple Pilgrims Robert Nisbet,1863 The Pilgrim Psalms Jimmy Reagan,2017-08-28 These Songs of Degrees were the songs that the people of Israel would sing as they journeyed to Jerusalem for the three great feasts every year These are the Pilgrims traveling to God's Holy City to the very presence of God They had issues to deal with as we do that would be a hindrance to reaching the presence of God Let us make their songs our own as we too are Pilgrims on our way to Heaven

Songs of Pilgrimage H. L. Hastings,2017-11-28 Excerpt from Songs of Pilgrimage A Hymnal for the Churches of Christ Second he has endeavored to seek out and gather from original sources other hymns and tunes of standard authors which from various causes have fallen into disuse and are less familiar though perhaps not less meritorious than others and which by careful abridgment and revision it is hoped may be rescued from oblivion and again made useful in the Churches of Christ Third to these he has added a choice selection of more recent hymns of varied or unknown authorship many of which have not heretofore appeared in manuals of praise and some of which being abridged amended and arranged are now first fitted to be used in the service and worship of the house of prayer Fourth with these are included a number of original hymns and tunes which are sent forth with some sense of the responsibility incurred either in publishing or withholding them Hymns from the same source previously printed have been caught up republished in various collections and widely sung The reception of those contained in this collection cannot be fore seen But while many remain unpublished it has seemed proper to issue these especially as through the compactness of its mechanical arrangement the book though containing some five

hundred hymns not to be found in other collections still remains portable in form and moderate in price The unfamiliar hymns by well known and standard authors need neither apology nor recommendation and if among the new hymns there shall one be discovered which the Church of God will not willingly let die it will be a justification for the existence of this volume and an occasion of devout thanksgiving to Him who is both the source and the object of the songs of his people About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Songs of Pilgrimage Horace Lorenzo Hastings,1886 **Mapping Medieval Identities in Occitanian**
