

# What Is Life - A Sonnet

Every life is special - each life is unique  
We're all born with a purpose and with grace  
No man is an island - we are joined as one  
In family in communion and in place  
In time as we develop as we grow  
From child to boy to youth to be a Man  
From child to girl and then to be a Femme  
Are we aware we're living out a plan?

Every life is special, gifted and serene  
Every heart is capable of love  
Every life is singular - but not alone  
Between us we can spread peace like a dove  
Do you know your purpose and your place?  
Ask God to fill your Heart with Love and Grace!

Dedicated to all who appreciate God's gifts of life & love

(John Knight - September 2009)

## Sonnets On Life:

**A life's love [sonnets]**. George Barlow,1882      **The Life in the Sonnets** David Fuller,2011-04-21      **Life of Shakespeare. Poems and sonnets** William Shakespeare,1901      **LOVE SONNETS: On the Threshold of Life, Death and Rebirth** Larry Lynn,2007-05-11 Sonnets are fourteen lines with iambic pentameter rhythm Outside of that anything goes Some self imposed limitations could prevail but I choose to let the reader listen to the voice rather than just to hear the sound feel the rhythm rather than count the beat and see the message rather than analyze the form So enjoy the picture and not the frame after all a poem by any other name      **Fifty More Sonnets on Love, Life, Death, Rebirth, Honor, Humor and MORE** Larry Lynn,2010-11-10 This collection represents efforts to persuade any reader that the sonnet does not have to be a form impossible to emulate nor too difficult to understand It should be looked upon as a challenge to fit a universe of emotions into a particular framework simple in its limitations but as complex in its potential as the great writers before had made them through the brilliance of their individual genius Themes are as different as the experiences of the writer from day to day from birth to death and all the time in between The language need not be lofty nor does it need to reach down to the vulgar It can borrow from the past and delve into that of the future It can keep the rhyme schemes of those who made them famous or it may create new ones for any reason or none at all If sonnets are not worth reading they would never have been made      *Sonnets On Life* SWARNIKA,2022-02-18      *The house of life, a sonnet-sequence, 1901* Dante Gabriel Rossetti,1906      **Ballads and poems of life. Lyrical poems & c** Robert Williams Buchanan,1874      *Sonnets on Life* Jerry R. Jax,1992 A treasury of 160 English sonnets written by the author contained in a 5 1 2 X 8 1 2 soft cover perfect bind book with a laminated 4 color nature scene cover The sonnets are on themes of life a myriad of situations affairs that fill one s life about people experiences observations philosophies nature keen appreciation of the great outdoors dreams fantasies that most all have experienced Love God caring forgiveness inspiration      **Sonnets of Life Well Spent** Stanley Paul Thompson,2012-06 Rather than make a career of poetry Stanley Thompson has engaged a number of careers from which he has drawn the details and essence of personal experience which he brings forth in *Sonnets of Life Well Spent* Motivated by the death of his beloved wife Patricia in 2011 the stories of his journey have come into sharper focus with an enhanced meaning that has allowed him to present this collection of 126 poems in the style of memoir The reader will not only experience sonnets in the format and even in the tone of William Shakespeare but will come to appreciate the life of the author a life indeed well spent      **Ballads and romances. Ballads and poems of life** Robert Williams Buchanan,1874      **Poems: My brother's grave, Dream of life, and other poems** John Moultrie,1876      *The Life of the Author: William Shakespeare* Anna Beer,2021-05-10 Discover an invigorating new perspective on the life and work of William Shakespeare The *Life of the Author* William Shakespeare delivers a fresh and exciting new take on the life of William Shakespeare offering readers a biography that brings to the foreground his working life as a poet playwright and actor It also explores the nature

of his relationships with his friends colleagues and family and asks important questions about the stories we tell about Shakespeare based on the evidence we actually have about the man himself The book is written using scholarly citations and references but with an approachable style suitable for readers with little or no background knowledge of Shakespeare or the era in which he lived The Life of the Author William Shakespeare asks provocative questions about the playwright poet s preoccupation with gender roles and sexuality and explores why it is so challenging to ascertain his political and religious allegiances Conservative or radical Misogynist or proto feminist A lover of men or women or both Patriot or xenophobe This introduction to Shakespeare s life and works offers no simple answers but recognizes a man intensely responsive to the world around him a playwright willing and able to collaborate with others and able to collaborate with others and of course his exceptional perhaps unique contribution to literature in English The book covers the entirety of William Shakespeare s life 1564 1616 taking him from his childhood in Stratford upon Avon to his success in the theatre world of London and then back to his home town and comfortable retirement The Life of the Author William Shakespeare sets his achievement as a writer within the dangerous vibrant cultural world that was Elizabethan and Jacobean England revealing a writer s life of frequent collaboration occasional crisis but always of profound creativity Perfect for undergraduate students in Literature Drama Theatre Studies History and Cultural Studies courses The Life of the Author William Shakespeare will also earn a place in the libraries of students interested in Gender Studies and Creative Writing
