The Parables Brad H. Young, 2008-03-01 Fully one third of Jesus words in the Synoptic Gospels occur in parables It could be said that knowing the parables is essential for understanding the person of Christ In this work Brad Young displays his unique perspective as a scholar steeped in both Jewish and Christian studies While parables have timeless messages reinterpretations in new contexts throughout the centuries have distorted the original meanings and undermined the essence of what Jesus intended for his initial listeners Young examines the parables that best illustrate the parallels between the rabbinic and Gospel parables He challenges readers to remember that first century Judaism was not merely the backdrop for Jesus teachings but the very stage from which Jesus delivered the message of the kingdom Jesus ethics and theology can be properly understood only in the light of first century Jewish teachings Young focuses on the historical development and theological significance of parables in both traditions and examines five theological subjects that are dealt with in parables prayer grace reconciliation calling and sovereignty

Spirituality and the Senses Catherine McCann, 2020-07-31 We rarely focus on our senses and thus miss out on how they can enhance our lives at both micro and macro levels what they can offer us in daily life as well as during life's special moments It is up to each individual to become more consciously aware of and use each sense in more deliberate yet sensitive ways Everyone can benefit by focussing daily on one or more of the senses even if only for a short period Ideally it should become a daily practice This book arose from an altered way of heightening people's senses as they experienced what Shekina Sculpture Garden has to offer its views stream shrub beds seating areas and its unique collection of sculptures by modern Irish artists The latter are made of many mediums

stone wood iron glass stainless steel etc Heightening our use of each sense is enhanced by adverting to both our outer as well as equivalent inner sensing For example seeing seeing colours in all their shades seeing form then finally noticing one s inner seeing An example of the latter might be receiving an insight about something Gardens in particular are places to be tactile in such as walking bare foot on grass sensing the texture of a leaf with one s fingers hugging the bark of a tree stepping into the coolness of running water etc Inner sensing might be opened up by the phrase I felt very touched by The book offers a short chapter on the anatomy of our senses and closes on another perspective the part inner sensing plays in relation to religious faith as well as noticing how tactile Jesus was in his healing ministry Inherited Freedom Tim Drake,2014-04-02 I acknowledge and fondly remember my grandfathers Maurice Elmer Drake and Archibald Vance Houston who provided me with the inspiration and foundation necessary to share their story I would like to humbly express my appreciation to the men of the 558th AAA AW BN and U S S Culebra Island ARG7 for telling their stories I stand in awe of the countless World War II veterans I have interviewed over the years Lastly thank you to the millions of World War II veterans who served our country during 1939 1945 Our current freedom was paid for in blood it is the responsibility of my generation and those that follow to never forget the cost of freedom and to protect it at all costs Religion and Politics in Jammu and Kashmir Reeta Chowdhari Tremblay,Mohita Bhatia,2020-05-25 This book examines the shifting non linear relationship between religion nationalism and politics in the state of Jammu and Kashmir India In the wake of the revocation of Article 370 the state s plural and relatively harmonious society has come under multiple strains with religion often informing day to day politics The chapters in this volume Trace the formation of the political entity of Jammu and Kashmir and the seemingly secular politics of its three regions Discuss the rise of militancy and resistance movements in the Kashmir Valley Highlight the intersection between everyday life nationalism and resistance through a study of the literary traditions of Kashmir contemporary resistance photography and everyday communalism located in the changing food practices of Hindu and Muslim communities Religion and Politics in Jammu and Kashmir will be an indispensable read for students and researchers of religion and politics democratization and democracy secularism sociology cultural studies and South Asian studies

Nature of Roman Comedy George E. Duckworth,2015-03-08 This book provides the most complete and definitive study of Roman comedy Originally published in 1952 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Kinship, Descent and Alliance Among the Karo Batak Masri Singarimbun,2022-03-25 The topic of this monograph is kinship and affinal relations among the Karo Batak My reason for selecting this topic is my belief that an understanding of the Karo system of social relations

between kin and relatives by marriage is the necessary starting point for an understanding of most other aspects of Karo culture and society. Moreover, the Karo kinship system is similar to the kinship systems of numerous other peoples, including other Batak, which have become the focus of considerable anthropological interest and much theoretical debate. From the Preface: This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1975. *Call of Empire* Alexander Charles Baillie, 2017-11-01. From 1760 to 1869, four generations of one family from the Scottish Highlands sought their fortunes in the service of the East India Company. As they worked their way up through the ranks of the empire, the Baillie family left numerous footprints in India and recorded their fascinating experiences in letters sent home to Scotland. Drawing on thorough research of the military, political, and economic events of the eighteenth and nineteenth centuries and an extensive collection of family letters that depict the lives and personalities of his ancestors, Alexander Charles Baillie brings the history of British India to life. The compelling documents, lost for over a century, with many reproduced here, reveal changing race relations and social attitudes, cultural tensions, military and civilian battles, economic pressures, and the rise and decline of the East India Company. The book focuses especially on two members of the family: William of Dunain, a military officer, and John of Leys, a civil servant, whose numerous adventures and misadventures impart provocative clues about the workings of the empire and the daily lives of its most influential figures. An exciting, invaluable, and personalized glimpse into the past of India, Scotland, and the East India Company. *Call of Empire* will appeal to genealogy enthusiasts and social and global historians. Mothers of Adult Children Marguerite Guzman Bouvard, 2013-09-12. *Mothers of Adult Children* elucidates what happens when children come of age and leave home, creating new lives in the realms of work and relationships. Mothers from around the world learn that this is the point in which their relationships with their children must drastically change. Mothers often come to terms with the changes by accepting differences and providing moral and emotional support when needed. However, the evolutionary nature of mothers' roles throughout the course of their children's lives is not only determined by the mother-child dynamic. The mothering of adult children is a transformative role, and the stories presented here show that the dynamics between mother and child are also influenced by cultural events. Accidents, disasters, war, and other hardships also intervene in these stories of multicultural motherhood. This book reveals the problems mothers of adult children face and celebrates the outstanding accomplishments of those who mother through hardship. *Luke* Fred B. Craddock, 2009-07-15. Using Luke's own prologue as the guideline for his commentary, Fred B. Craddock calls attention to the continuities between Jesus and his heritage in Judaism and the church after him. Like Luke, Craddock assumes the reader is not only a believer but also a leader in the community of faith. *Interpretation: A Bible Commentary for Teaching and Preaching* is a distinctive resource for those

who interpret the Bible in the church Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry **Coming Out Under Fire** Allan Bérubé, 2010-09-07 During World War II as the United States called on its citizens to serve in unprecedented numbers the presence of gay Americans in the armed forces increasingly conflicted with the expanding antihomosexual policies and procedures of the military In **Coming Out Under Fire** Allan B rub examines in depth and detail these social and political confrontation not as a story of how the military victimized homosexuals but as a story of how a dynamic power relationship developed between gay citizens and their government transforming them both Drawing on GIs wartime letters extensive interviews with gay veterans and declassified military documents B rub thoughtfully constructs a startling history of the two wars gay military men and women fought one for America and another as homosexuals within the military B rub s book the inspiration for the 1995 Peabody Award winning documentary film of the same name has become a classic since it was published in 1990 just three years prior to the controversial don t ask don t tell policy which has continued to serve as an uneasy compromise between gays and the military With a new foreword by historians John D Emilio and Estelle B Freedman this book remains a valuable contribution to the history of World War II as well as to the ongoing debate regarding the role of gays in the U S military The Quarterly Journal of the Mythic Society (Bangalore). Revolution Magazine, 1928 **The Human Satan in Seventeenth-Century English Literature** Nancy Rosenfeld, 2016-02-24 Framed by an understanding that the very concept of what defines the human is often influenced by Renaissance and early modern texts this book establishes the beginning of the literary development of the satanic form into a humanized form in the seventeenth century This development is centered on characters and poetry of four seventeenth century writers the Satan character in John Milton s *Paradise Lost* and *Paradise Regained* the Tempter in John Bunyan s *Grace Abounding to the Chief of Sinners* and *Diabolus* in Bunyan s *The Holy War* the poetry of John Wilmot earl of Rochester and Dorimant in George Etherege s *Man of Mode* The initial understanding of this development is through a sequential reading of Milton and Bunyan which examines the Satan character as an archetype in the making building upon each to work so that the character metamorphoses from a groveling serpent and fallen archangel to a humanized form embodying the human impulses necessary to commit evil Rosenfeld then argues that this development continues in Restoration literature showing that both Rochester and Etherege build upon their literary predecessors to develop the satanic figure towards

greater humanity Ultimately she demonstrates that these writers taken collectively have imbued Satan with the characteristics that define the human This book includes as an epilogue a discussion of Samson in Milton's Samson Agonistes as a later seventeenth century avatar of the humanized satanic form providing an example for understanding a stock literary character in the light of early modern texts
