## Sons Of Israel Sons Of God:

*Israelology - The Birthright, House of Israel, Kingdom, and Sons of God* Paul H. Andree, III, 2008-03-29 The Houses of Israel and Judah dominate the scriptures from the time of King David until they both were sent into captivity Each House had a destiny to fulfill These destinies are being worked out today What drives the destiny of these Houses The Birthright is a term that many in the Church are aware of but without an understanding of its presence throughout the scriptures It is manifested as the Dominion Mandate and the Fruitfulness Mandate through the Houses of Israel and Judah What are the implications for the coming Kingdom of God and the Sons of God We cannot know or comprehend this answer unless we understand the many foundational scriptures and concepts that establish God's Heart and Plan for the last days This study will challenge each person to be teachable and open to another perspective of God's Plan for Redemption God will reveal His Plan for you and your place in His Coming Kingdom God is maturing His Believers to rule and reign with Him The

**The Kinsman Redeemer** Dennis Knotts, 2023-03-10 Each of us is faced with an impossible problem Each of us has broken some portion of God's Law That's called sin Unfortunately this means we are destined to stand before God at the

Great White Throne Judgment at the end of time God's Law is pure law It is cold logical unemotional and perfect It is just It is righteous But as such it does not offer grace compassion forgiveness or hope Therefore each of us will be found guilty and sentenced to the Lake of Fire That is our eternal fate under God's Law God does not want to do this but His Law forces Him to find us guilty and sentence us to suffer for all eternity How can God avoid the demands of the Law fulfill the letter of the Law keep the Law intact and still deal with us in love grace and compassion God is able to use a little known clause in His Law to offer a solution to this problem It is a plea bargain agreement to satisfy the Law and still save us To this end He wrote the Bible a legally binding contract to offer an escape
