Sons Slaves And Freedmen In Roman Commerce:

Sons, Slaves, and Freedmen in Roman Commerce Aaron Kirschenbaum, 1987 Based on the author's thesis Ph D Columbia University

Sons, Slaves, and Freedmen in Roman Commerce Aaron Kirschenbaum, 1987-01-01 Sons, Slaves and Freedmen in roman Commerce A. KIRSCHENBAUM, 1987 The Historical and Institutional Context of Roman Law George Mousourakis, 2017-03-02 Roman law forms an important part of the intellectual background of many legal systems currently in force in continental Europe Latin America and other parts of the world This book traces the historical development of Roman law from the earliest period of Roman history up to and including Justinian's codification in the sixth century AD It examines the nature of the sources of law forms of legal procedure the mechanisms by which legal judgments were put into effect the development of legal science and the role of the jurists in shaping the law The final chapter of the book outlines the history of Roman law during the Middle Ages and discusses the way in which Roman law furnished the basis of the civil law systems of continental Europe The book combines the perspectives of legal history with those of social political and economic history Special attention is given to the political development of the Roman society and to the historical events and socio economic factors that influenced the growth and progress of the law Designed to provide a general introduction to the history of Roman law this book will appeal to law students whose course of studies includes Roman law legal history and comparative law It will also prove of value to students and scholars interested in ancient history and classics

Urban Craftsmen and Traders in the Roman World Andrew Wilson, Miko Flohr, 2016-02-12 This volume featuring sixteen contributions from leading Roman historians and archaeologists sheds new light on approaches to the economic history of urban craftsmen and traders in the Roman world with a particular emphasis on the imperial period Combining a wide range of research traditions from all over Europe and utilizing evidence from Italy the western provinces and the Greek speaking east this edited collection is divided into four sections It first considers the scholarly history of Roman crafts and trade in the nineteenth and twentieth centuries focusing on Germany and the Anglo Saxon world and on Italy and France Chapters discuss how scholarly thinking about Roman craftsmen and traders was influenced by historical and intellectual developments in the modern world and how different national research traditions followed different trajectories throughout the nineteenth and twentieth centuries The second section highlights the economic strategies of craftsmen and traders examining strategies of long distance traders and the phenomenon of specialization and presenting case studies of leather working and bread baking In the third section the human factor in urban crafts and trade including the role of apprenticeship gender freedmen and professional associations is analysed and the volume ends by exploring the position of crafts in urban space considering the evidence for artisanal clustering in the archaeological and papyrological record and providing case studies of the development of commercial landscapes at Aquincum on the Danube and at Sagalassos in Pisidia

Ancient Greece and Rome Keith Hopwood, 1995 Sir Thomas Fairfax not Oliver Cromwell was

creator and commander of Parliament's New Model Army from 1645 to 1650. Although Fairfax emerged as England's most successful commander of the 1640s, this book challenges the orthodoxy that he was purely a military figure, showing how he was not apolitical or disinterested in politics. The book combines narrative and thematic approaches to explore the wider issues of popular allegiance, puritan religion, concepts of honour, image, reputation, memory, gender, literature, and Fairfax's relationship with Cromwell. *Black Tom* delivers a groundbreaking examination of the transformative experience of the English revolution from the viewpoint of one of its leading yet most neglected participants. It is the first modern academic study of Fairfax, making it essential reading for university students as well as historians of the seventeenth century. Its accessible style will appeal to a wider audience of those interested in the civil wars and interregnum more generally.

The Dignity of Labour Iain Ferris, 2021-01-15 The first book to present an analysis of images of working people in Roman society and to interpret the meaning and significance of these images. What did work mean to the Romans?

DIVERSE SLAVERIES Jason Porter, 2025-01-20

The Roman Market Economy Peter Temin, 2017-09-05 What modern economics can tell us about ancient Rome. The quality of life for ordinary Roman citizens at the height of the Roman Empire probably was better than that of any other large group of people living before the Industrial Revolution. The Roman Market Economy uses the tools of modern economics to show how trade markets and the Pax Romana were critical to ancient Rome's prosperity. Peter Temin, one of the world's foremost economic historians, argues that markets dominated the Roman economy. He traces how the Pax Romana encouraged trade around the Mediterranean and how Roman law promoted commerce and banking. Temin shows that a reasonably vibrant market for wheat extended throughout the empire and suggests that the Antonine Plague may have been responsible for turning the stable prices of the early empire into the persistent inflation of the late. He vividly describes how various markets operated in Roman times, from commodities and slaves to the buying and selling of land. Applying modern methods for evaluating economic growth to data culled from historical sources, Temin argues that Roman Italy in the second century was as prosperous as the Dutch Republic in its golden age of the seventeenth century. The Roman Market Economy reveals how economics can help us understand how the Roman Empire could have ruled seventy million people and endured for centuries.

Critical Readings on Global Slavery Damian Alan Pargas, Felicia Roşu, 2017-12-05 The study of slavery has grown strongly in recent years as scholars working in several disciplines have cultivated broader perspectives on enslavement in a wide variety of contexts and settings. *Critical Readings on Global Slavery* offers students and researchers a rich collection of previously published works by some of the most preeminent scholars in the field. With contributions covering various regions and time periods, this anthology encourages readers to view slave systems across time and space as both ubiquitous and interconnected and introduces those who are interested in the study of human bondage to some of the most important and widely cited works in slavery studies.

The Western Frontiers of Imperial Rome Steven K. Drummond, Lynn Harry Nelson, 1994 Discusses Rome's challenges in governing over different cultures, organizing an army,

made of non Romans inculcating Roman values and religion feeding the army trading urbanizing and industrializing To make this work accessible to readers who lack an extensive background in Roman history all Latin expressions are defined in the course of the discussion a glossary is included and modern as well as contemporary Latin names of places are used Paper edition unseen 19 95 Annotation copyright by Book News Inc Portland OR *The Western Frontiers of Imperial Rome* , Discusses Rome s challenges in governing over different cultures organizing an army made of non Romans inculcating Roman values and religion feeding the army trading urbanizing and industrializing To make this work accessible to readers who lack an extensive background in Roman history all Latin expressions are defined in the course of the discussion a glossary is included and modern as well as contemporary Latin names of places are used Paper edition unseen 19 95 Annotation copyright by Book News Inc Portland OR *Slavery as Salvation* Dale B. Martin,2021-03-30 Early Christians frequently used metaphors about slavery calling themselves slaves of God and Christ and referring to their leaders as slave representatives of Christ Most biblical scholars have insisted that this language would have been distasteful to potential converts in the Greco Roman world and they have wondered why early Christians such as Paul used the image of slavery to portray salvation In this book Dale B Martin addresses the issue by examining the social history and rhetorical and theological conventions of the times The first half of the book draws on a variety of historical sources inscriptions novels speeches dream handbooks and agricultural manuals to portray the complexity of slavery in the early Roman empire Concentrating on middle level managerial slaves Martin shows how slavery sometimes functioned as a means of upward social mobility and as a form of status by association for those slaves who were agents of members of the upper class For this reason say Martin slavery of Christ brought the Christian convert a degree of symbolic status and lent the Christian leader a certain kind of derived authority The second half of the book traces the Greco Roman use of political rhetoric that spoke about populist leaders as enslaved to their followers especially to members of the lower class This provides the context for Paul s claim in 1 Corinthians 9 that he has enslaved himself to all that is to those very people he is supposed to lead as an apostle Martin thus interprets this statement to mean that Paul identifies himself with the interests of persons with lower status in the Corinthian church calling on those with higher status to imitate his self debasement in order to further the interests of those below them on the social scale **Nelson's New Illustrated Bible Manners and Customs** Howard Vos,1999-05-13 Discover how the people of the Bible really lived Imagine being able to walk the streets of Abraham s hometown adjust to life in Babylonian captivity or travel the roads of Palestine amid the latest buzz about Jesus from Nazareth Nelson s New Illustrated Bible Manners Customs paints an accurate and descriptive picture of ancient civilization throughout the ages In twenty historical segments Howard F Vos tells the story of God s people from Abraham to the end of the New Testament in biblical order Unlike other books about Bible lands and cultures this volume distinguishes the ways life differed from period to period and place to place The following topics are covered in each segment Geography and climate

Government religion and warfare Housing family and dress Diet and agriculture Education and work Travel and commerce Complete with over 400 photographs some in color extensive bibliographies and easy to understand language Nelson's New Illustrated Bible Manners Customs is the go to guide for studying the customs manners and lives of the people of the Bible

'Bread and Circuses' Tim Cornell, Kathryn Lomas, 2005-06-29 Cities in the ancient world relied on private generosity to provide many basic amenities as well as expecting leading citizens to pay for bread and circuses free food and public entertainment This collection of essays by leading scholars from the UK and USA explores the important phenomenon of benefaction and public patronage in Roman Italy Ranging from the late republican period to the later Roman Empire the contributions cover a wide range of topics including the impact of benefactions and benefactors on the urban development of Roman Italy on cultural and economic activity and on the changing role of games and festivals in Roman society They also explore the relationship between communities and their benefactors whether these were local notables senators or the emperor himself and examine how the nature of benefaction changed under the Empire *Slavery and Society at Rome* Keith R. Bradley, 1994-10-13 This book first published in 1994 is concerned with discovering what it was like to be a slave in the classical Roman world **Ancient Law, Ancient Society** Dennis P. Kehoe, Thomas McGinn, 2017-08-15 The essays composing *Ancient Law Ancient Society* examine the law in classical antiquity both as a product of the society in which it developed and as one of the most important forces shaping that society Contributors to this volume consider the law via innovative methodological approaches and theoretical perspectives in particular those drawn from the new institutional economics and the intersection of law and economics Essays cover topics such as using collective sanctions to enforce legal norms the Greek elite's marriage strategies for amassing financial resources essential for a public career defenses against murder charges under Athenian criminal law particularly in cases where the victim put his own life in peril the interplay between Roman law and provincial institutions in regulating water rights the Severan age Greek author Aelian's notions of justice and their influence on late classical Roman jurisprudence Roman jurists approach to the contract of mandate in balancing the changing needs of society against respect for upper class concepts of duty and reciprocity whether the Roman legal authorities developed the law exclusively to serve the Roman elite's interests or to meet the needs of the Roman Empire's broader population as well and an analysis of the *Senatus Consultum Claudianum* in the Code of Justinian demonstrating how the late Roman government adapted classical law to address marriage between free women and men classified as *coloni* bound to their land In addition to volume editors Dennis P Kehoe and Thomas A J McGinn contributors include Adriaan Lanni Michael Leese David Phillips Cynthia Bannon Lauren Caldwell Charles Pazdernik and Clifford Ando **A Legal History of Rome** George Mousourakis, 2007-08-07 This book equips both lawyer and historian with a complete history of Roman law from its beginnings c 1000 BC through to its re discovery in Europe where it was widely applied until the eighteenth century Combining a law specialist's informed perspective of legal history with a socio political and cultural focus it examines the

sources of law the ways in which these laws were applied and enforced and the ways the law was influenced and progressed with an exploration of civil and criminal procedures and special attention paid to legal science The final chapter covers the history of Roman law in late antiquity and appraises the move towards the codification of law that culminated in the final statement of Roman law the Corpus Iuris Civilis of Emperor Justinian Throughout the book George Mousourakis highlights the relationship between Roman law and Roman life by following the lines of the major historical developments Including bibliographic references and organized accessibly by historical era this book is an excellent introduction to the history of Roman law for students of both law and ancient history **Shopping in Ancient Rome** Claire Holleran,2012-04-26

Shopping in Ancient Rome provides the first comprehensive account of the retail network of this ancient city an area of commerce that has been largely neglected in previous studies Given the remarkable concentration of consumers in ancient Rome the vast majority of which were entirely reliant on the market for survival a functioning retail trade was vital to the survival of Rome in the late Republic and the Principate In this volume Holleran provides the first systematic account of Rome s retail sector through a comprehensive analysis of the literary legal epigraphic and archaeological evidence together with wide ranging and innovative comparative studies of the distributive trades Investigating the diverse means by which goods were sold to consumers in the city and the critical relationship between retail and broader environmental factors Holleran places Roman retail trade firmly within the wider context of its urban economy In considering the roles played by shops workshops markets fairs auctions street sellers and ambulant vendors in the distribution of goods to the inhabitants of the city the volume sheds new light on the experience of living in the ancient city and explores the retail trade of Rome in its totality *The Young Against the Old* L.L. Welborn,2018-03-07 The so called First Epistle of Clement has long intrigued historians of early Christianity It responds to a crisis in the Corinthian church by enjoining an ethic of subordination especially to the presbyteroi and episkopoi but the exact nature of that conflict has eluded scholars L L Welborn sets out a clear methodology for reconstructing the historical situation behind the letter then examines the conventions of its deliberative rhetoric its blending of citations from the Old Testament and Paul s letters and its reliance on topoi from Greco Roman civic discourse He then presents a compelling argument for the letter s occasion First Clement assails a revolt among the youth against their elders invoking epithets and characterizations that were as Welborn demonstrates at length common in political discourse supporting the status quo At length Welborn proposes two possible scenarios for the precise nature of the revolt in Corinth a revolt possibly inspired by memories of the apostle Paul and details the replacement of a Pauline ethic with a strict code of subordination

Unveiling the Power of Verbal Art: An Psychological Sojourn through **Sons Slaves And Freedmen In Roman Commerce**

In a world inundated with monitors and the cacophony of immediate conversation, the profound energy and mental resonance of verbal artistry frequently fade into obscurity, eclipsed by the constant onslaught of noise and distractions.
