**Thomas GISBORNE (the Elder,
Prebendary of Durham.)**

Sooner Spy:

The Sooner Spy Jim Lehrer, James Lehrer, 1997 Lieutenant governor One eyed Mack is left in charge of Oklahoma just when a foreign spy turns up and the state is overrun by secret agents

The Spy's Convenient Bride Erica Taylor, 2020-08-21 No longer an agent of the Crown Luke Macalister doesn't know who he is outside the clandestine world he spent the better part of a decade in When he is awarded an earldom for something he didn't do he sees only a future of boredom and responsibility as the new Earl of Kenswick a future he's desperate to escape The daughter of the late Baron Kenswick Miss Vivian Burke despises everything about the new earl she's never met That he turns out to be handsome and charming and incapable of taking anything seriously does not elevate him in her opinion Until he offers her a deal he will hand over the deed to her childhood home in exchange for a six month marriage of convenience To save herself and her mother she has no choice but to say yes Their plans of a boring six months in London are soon derailed as Luke's life as a spy catches up to him and he's left with no choice but to trust his new wife Armed with only a diary and a signet ring Luke and Vivian race against treasonous forces to save a life to save England and if they're lucky enough they just might save each other and find love along the way

The Sooner Spy Jim Lehrer, **Spying on Students** Gregg L. Michel, 2024-09-04 Gregg L Michel's *Spying on Students* focuses on the law enforcement campaign against New Left and progressive student activists in the South during the 1960s Often overlooked by scholars white southern students worked alongside their Black peers in the civil rights struggle drove opposition to the Vietnam War and embraced the counterculture's rejection of conventions and norms While African Americans bore the brunt of police surveillance and harassment federal agencies such as the FBI and local police intelligence units known as Red Squads subjected white student activists to wide ranging intrusive and illegal monitoring By examining the experiences of white students in the South Michel provides fresh insights into the destructive weaponized spying tactics deployed by state actors in their attempts to quash dissent in the region Drawing on previously secret FBI files and records of other investigative agencies Michel demonstrates that authorities at all levels of government turned the full power of their offices against white activists listening to their conversations infiltrating their meetings and sowing discord within their families and schools Efforts to surveil and repress social activism reflected officials' fear of growing unrest on the part of white students who questioned the southern racial status quo and recoiled as the horrors of Vietnam laid bare the shibboleth of American exceptionalism As white students revolted on campuses elsewhere most notably at Berkeley and Columbia law enforcement sought to curtail such disruptions in the South In their view white students threatened domestic tranquility and therefore warranted close monitoring *Spying on Students* presents a unique perspective on state actors' war on dissent exposing their suspicion of opposing political beliefs and revealing their paranoia as they sought to preserve the existing racial order The work complicates further the dominant narrative of the era that casts white southern students as opponents of social change The counterintelligence operations employed against them show not

only that white students valued political engagement and social activism but also that authorities considered them a menace to the country as a whole Hymen's Praeludia Gaultier de Coste La Calprenède (seigneur de),1736 *Memoirs of the Court of Augustus* Thomas Blackwell,1794 **The Franklin Affair** Jim Lehrer,2005-04-26 BONUS This edition contains an excerpt from Jim Lehrer s Tension City Three may keep a secret if two of em are dead Poor Richard s Almanack pg 27 of mss R Taylor arrives in Philadelphia for the funeral of his longtime friend Dr Wally Rush with a heavy heart Not only has the world lost one of its preeminent Pulitzer Prize winning American Revolution historians but R has lost his mentor the man who led him to devote his life s work to the study of The First American Benjamin Franklin The bond between them was sealed when R did Wally a favor that could never be revealed But Wally saved one final secret for R disclosed in a letter conveyed by the will s executor Written in the slow painful script of the professor s last days the note delivers an incredible bombshell Wally it seems had stumbled upon twelve handwritten pages in a code commonly used by spies during the revolutionary war The pages refer to George Washington John Adams Alexander Hamilton and James Madison and level a shocking charge that Benjamin Franklin committed a heinous crime Wally not wanting to foul the image of his lifelong hero had kept this monumental secret until his death But as R races to unravel the mystery he faces an onslaught of obstacles Vicious blackmail a threat of sabotage against his own career and grave personal doubts threaten to overtake R as he struggles with a discovery that has the potential to completely alter the fabric of American history Rich with revelations rife with the darkest depths of deceit and mystery and enlightened by the unparalleled insights of America s first patriots The Franklin Affair is a tense constantly surprising novel about the ultimate quest for truth and justice **Walks in a Forest: or, Poems ...
