Sophie Horowitz Story Girls Visions Afte:

The Sophie Horowitz Story. Girls, Visions and Everything. After Dolores S. Schulman,1997 The Sophie Horowitz Story ; Girls, Visions and Everything ; After Dolores Sarah Schulman,1997 New Lesbian Criticism Sally Munt,1992 This volume explores whether there can be a specific lesbian aesthetic juxtaposed against reading as a woman or as a heterosexual Contributors both explore the uses of recent theories such as post structuralism and offer a lesbian critique of such methodologies Close readings of contemporary lesbian fiction and popular culture focus on works such as Zami Oranges Are Not the Only Fruit The Wanderground and Desert of the Heart as well as on lesbian pornography Together the essays point to lesbian culture s ability to create new meanings for iteself and to foreground the intertextuality of lesbian identities Contributors Sonya Andemahr Lisa Henderson Hilary Hinds Katie King Reina Lewis Sally Munt Gillian Spraggs Angela Weir Anna Wilson Elizabeth Wilson and Bonnie Zimmerman **Murder by the Book?** Sally Rowena Munt,2003-09-02 A thorough and thoroughly enjoyable look at the genre of the feminist crime novel in Britain and the United States A pioneering work in the field and an indispensable guide for readers and scholars of the genre **After Dolores** Sarah Schulman,2013-09-30 A new edition of Sarah Schulman s 1988 novel about a no nonsense coffee shop waitress who is nursing a broken heart after her girlfriend Dolores leaves her Her attempts to find love again are funny sexy and ultimately even violent The novel is a fast paced electrifying chronicle of the Lower East Side s lesbian subculture in the 1980s The Soho Press Book of '80s Short Fiction Dale Peck,2016-06-07 In The Soho Press Book of 80s Short Fiction editor Dale Peck offers readers a fresh take on a seminal period in American history when Ronald Reagan was president the Cold War was rushing to its conclusion and literature was searching for ways to move beyond the postmodern unease of the 1970s Morally charged by newly politicized notions of identity but fraught with anxiety about a body whose fragility had been freshly emphasized by the AIDS epidemic the 34 works gathered here are individually vivid but taken as a body of work they challenge the prevailing notion of the 80s as a time of aesthetic as well as financial maximalism Formally inventive yet tightly controlled they offer a more expansive inclusive view of the era s literary accomplishments The anthology blends early stories from writers like Denis Johnson Jamaica Kincaid Mary Gaitskill and Raymond Carver which have gone on to become part of the American canon with remarkable and often transgressive work from some of the most celebrated writers of the underground including Dennis Cooper Eileen Myles Lynne Tillman and Gary Indiana Peck has also included powerful work by writers such as Gil Cuadros Essex Hemphill and Sam D Allesandro whose untimely deaths from AIDS ended their careers almost before they had begun Almost a third of the stories are out of print and unavailable elsewhere The Soho Press Book of 80s Short Fiction is a daring reappraisal of a decade that is increasingly central to our culture Conversations with Sarah Schulman Will Brantley,2024-01-30 The twenty four interviews collected in Conversations with Sarah Schulman roughly a fifth of those that exist have enabled Schulman to expound upon her distinctive fusion of art and social commitment Ranging

from major forums to smaller venues and covering a period of more than thirty years these interviews provide full evidence of Schulman's value as a pivotal player in the intellectual life of her time Schulman's career as a writer activist teacher and oral historian is now in its fifth decade Spanning multiple fiction genres her eleven novels include *After Delores* 1988 *Rat Bohemia* 1995 *The Child* 2007 and *Maggie Terry* 2018 A native New Yorker Schulman b 1958 writes for the people that she writes about women and men making the most of a society that seems continually marked by homophobia which Schulman regards as less a phobia than an unacknowledged pleasure system Readers have come to relish Schulman's provocations nowhere more so than through her books of nonfiction on topics such as gentrification and the interlocking nature of conflict and abuse And since the early 1980s when Schulman worked as a journalist readers have come to applaud her searing indictments of the nation's woeful response to its AIDS crisis Schulman has received the Kessler Award from CLAGS The Center for LGBTQ Studies in honor of her body of work that has influenced the field of gay and lesbian studies as well as the Bill Whitehead Award from Publishing Triangle for lifetime achievement She holds an endowed chair in creative writing at Northwestern University

Queer Political Performance and Protest Benjamin Shepard, 2009-09-10 From the birth of the Gay Liberation through the rise of the AIDS Coalition to Unleash Power ACT UP in 1987 the global justice movement in 1994 the largest day of antiwar protest in world history in February 2003 the Republican National Convention protests in August 2004 and the massive immigrant rights rallies in the spring of 2006 the streets of cities around the world have been filled with a new theatrical model of protest Elements of fun creativity pleasure and play are cornerstones of this new approach toward protest and community building No movement has had a larger influence on the emergence of play in social movement activity than the gay liberation and queer activism of the past thirty years This book examines the role of play in gay liberation and queer activism and the ways in which queer notions of play have influenced a broad range of social movements

Un/Popular Culture Kathleen Martindale, 1997-03-13 Theorizing lesbian Kathleen Martindale writes is like embarking on terra incognita In this book Martindale offers her lucidly written analysis as a guide through the complex and provocative terrain of lesbian literary and cultural theory Using the publication of Adrienne Rich's *Compulsory Heterosexuality and Lesbian Existence* and the outbreak of the American sex wars as a starting point Martindale traces the emergence of lesbian postmodernism and how lesbian feminism changed from a popular to an unpopular culture and from a political vanguard into a cultural neo avant garde Martindale analyzes the theoretical implications of creative texts such as the graphic art and cultural commentary of Alison Bechdel and Diane DiMassa She experiments in autobiography by Joan Nestle and deconstructed lesbian genre fiction by Sarah Schulman to determine how these texts elaborate contemporary theoretical issues These texts she argues are widely available and could be considered as postmodernist rewritings and revisions of the most characteristic and preferred lesbian feminist modes of cultural expression Her analysis raises poignant questions about how lesbians read what they read and what counts as lesbian theory She concludes with a discussion of the

status of queer pedagogy in academic institutions and what measures need to be taken to promote and safeguard its existence in what are often homophobic educational settings **Girls, Visions & Everything** Sarah Schulman,1991

Encyclopedia of Contemporary LGBTQ Literature of the United States Emmanuel S. Nelson,2009-07-14 In this two volume work hundreds of alphabetically arranged entries survey contemporary lesbian gay bisexual transgendered and queer American literature and its social contexts Comprehensive in scope and accessible to students and general readers Encyclopedia of Contemporary LGBTQ Literature of the United States explores contemporary American LGBTQ literature and its social political cultural and historical contexts Included are several hundred alphabetically arranged entries written by expert contributors Students of literature and popular culture will appreciate the encyclopedia s insightful survey and discussion of LGBTQ authors and their works while students of history and social issues will value the encyclopedia s use of literature to explore LGBTQ American society Each entry is written by an expert contributor and lists additional sources of information To further enhance study and understanding the encyclopedia closes with a selected general bibliography of print and electronic resources for student research **Israel/Palestine and the Queer International** Sarah

Schulman,2012-10-12 At once a memoir a call to support the Boycott Divestment and Sanctions movement and an argument for queer solidarity across borders this book tells the story of how novelist and activist Sarah Schulman s became aware of how issues of the Israeli occupation of Palestine were tied to her own gay and lesbian politics *Stagestruck* Sarah Schulman,1998 Stagestruck theater AIDS and the marketing of gay America The Gentrification of the Mind Sarah Schulman,2013-09-02 In this gripping memoir of the AIDS years 1981 1996 Sarah Schulman recalls how much of the rebellious queer culture cheap rents and a vibrant downtown arts movement vanished almost overnight to be replaced by gay conservative spokespeople and mainstream consumerism Schulman takes us back to her Lower East Side and brings it to life filling these pages with vivid memories of her avant garde queer friends and dramatically recreating the early years of the AIDS crisis as experienced by a political insider Interweaving personal reminiscence with cogent analysis Schulman details her experience as a witness to the loss of a generation s imagination and the consequences of that loss **Who's Who in**

Lesbian and Gay Writing Gabriele Griffin,2003-09-02 A lively and accessible guide to lesbian and gay literary culture Featuring authors of works with lesbian or gay content as well as known lesbian and gay writers it offers an invaluable guide to a rich and varied literary culture **So You Want to Be a Lesbian?** Liz Tracey,Sydney Pokorny,1996-07-15 So you ve heard that lesbians are chic but you still wonder what is all the fuss about a Middle Eastern country This essential guide to the sapphic landscape will set you straight with its illustrations of key terms dating tips lesbian cuisine haircuts and much more **That's Revolting!** Pasha Malla,2010-11 Ten years ago one might not have imagined the largest national gay rights lobbying group Human Rights Campaign endorsing a right wing Republican Senatorial candidate Al D Amato in New York or the San Francisco Pride parade adopting the Budweiser advertising slogan as its official theme 2002 As an assimilationist gay

mainstream wields increasing power the focus of gay struggle has become limited to marriage military service and adoption The gay mainstream presents a sanitized straight friendly version of gay identity which makes it safe for Richard Chamberlain or Rosie O'Donnell to come out and still rake in the bucks By the twisted priorities of this gay mainstream it's okay to oppose a queer youth shelter because it might interfere with property values or to fight against the inclusion of transgendered people under hate crimes legislation because this might not appeal to straight voters As the gay mainstream ironically prioritizes the attainment of straight privilege over all else it drains queer identity of any meaning relevance or cultural value and calls this progress That's Revolting shows us what the new queer resistance looks like The collection is a fistful of rocks to throw at the glass house of Gaylandia That's Revolting uses queer identity and struggle as a starting point from which to reframe reclaim and re-shape the world

Chloe Plus Olivia Lillian Faderman, 1994 From the bestselling author of *Odd Girls* and *Twilight Lovers* comes a landmark work the first of its kind from a major trade publisher Ideal for women's studies and gay and lesbian studies courses In stores for the 25th anniversary of Stonewall

Empathy Sarah Schulman, 2011-01-15 A Little Sister's Classic Sarah Schulman's beautiful subtly transgressive novel about identity sexual politics and self-esteem

The Fantasy and Necessity of Solidarity Sarah Schulman, 2025-04-22 From award-winning writer Sarah Schulman a longtime social activist and outspoken critic of the Israeli war on Gaza comes a brilliant examination of the inherent psychological and social challenges to solidarity movements and what that means for the future For those who seek to combat injustice solidarity with the oppressed is one of the highest ideals yet it does not come without complication In this searing yet uplifting book award-winning writer and cultural critic Sarah Schulman delves into the intricate and often misunderstood concept of solidarity to provide a new vision for what it means to engage in this work and why it matters To grapple with solidarity Schulman writes we must recognize its inherent fantasies Those being oppressed dream of relief that a bystander will intervene though it may not seem to be in their immediate interest to do so and that the oppressor will be called out and punished Those standing in solidarity with the oppressed are occluded by a different fantasy that their intervention is effective that it will not cost them and that they will be rewarded with friendship and thanks Neither is always the case and yet in order to realize our full potential as human beings in relation with others we must continue to pursue action towards these shared goals Within this framework Schulman examines a range of case studies from the fight for abortion rights in post-Franco Spain to NYC's AIDS activism in the 1990s to the current wave of campus protest movements against Israel's war on Gaza and her own experience growing up as a queer female artist in male-dominated culture industries Drawing parallels between queer Palestinian feminist and artistic struggles for justice Schulman challenges the traditional notion of solidarity as a simple union of equals arguing that in today's world of globalized power structures true solidarity requires the collaboration of bystanders and conflicted perpetrators with the excluded and oppressed That action comes at a cost and is not always effective And yet without it we sentence ourselves to a world without

progressive change towards visions of liberation By turns challenging inspiring pragmatic and poetic The Fantasy and Necessity of Solidarity provides a much needed path for how we can work together to create a more just more equitable present and future

Sophie Horowitz Story Girls Visions Afte: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
