Georges Sorel s reputation as a proponent of violence has helped to link his ideas to fascist and totalitarian thought Much of the literature on Sorel as developed this theme at the expense of what Sorel himself stated as his primary purpose the discovery of the historical genesis of morals How Sorel asked in the light of the development of modern industry and the vast powers of the modern state the individual can possess a sense of self worth and at the same time help to sustain a cultural vitality similar to the great societies of antiquity How is it possible to avoid the utter resignation and nihilistic relativism of modern existence In his writings Sorel outlined a sociology of virtue that combined the importance of family love as the basis of community feelings with acceptance of the basis of individual vitality as constant industrial struggle against nature Sorel s solution is different from Marx s in place of the idea of transcended alienation Sorel envisions an agonal striving against nature s unceasing resistance to our efforts The Feuerbachian unity of nature that for Marx had been alienated under capitalism Sorel regarded as being inherently fragmented by scientific procedures themselves as well as by the industrial processes that correspond to those scientific procedures For Sorel the struggle against nature is the struggle that enables man to overcome himself to strive against his own inclination to passivity sloth and licentiousness The Marxist concept of totality so necessary to the vision of a communist society is rejected in favor of a pragmatic pluralist view of nature that parallels the social pluralism of a regime of workers syndicates The primary function of Sorel s famous myth of the general

strike is to link the workers constant struggles against capitalist employers to the never ending struggle against nature The feelings engendered by such a struggle constitute the true core of socialism without such feelings socialism is doomed to the same decay that Sorel and Marx foresaw for capitalist civilization This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1981 Love's Labour's Lost William Shakespeare,2005-10 This newly revised edition of one of the Bard s earliest comedies contains an extensive overview of Shakespeare s life world and theater a special introduction to the play dramatic criticism from the past and present and a comprehensive stage history of the play Reissue **Coward The Playwright** John Lahr,2014-01-08 A reissue in hardback of critic John Lahr s famous 1982 study of No 1 Coward s plays No 1 Coward said Terence Rattigan is simply a phenomenon and one that is unlikely to occur ever again in theatre history A phenomenon he certainly was and it is part of John Lahr s purpose in this book to show how that phenomenon called No 1 Coward was largely Coward s own careful creation Lahr s penetrating critical study of Coward s drama investigates all the major and minor plays of The Master Private Lives Design for Living and Hay Fever make a fascinating group of Comedies of Bad Manners Blithe Spirit and Relative Values raise the Ghost in the Fun Machine Lahr then goes on to explore the politics of charm oozing through The Vortex Easy Virtue and Present Laughter In all Coward s plays Lahr uncovers a coherent philosophy in which charm is both the subject of Coward s comedies and the trap which made his very public life a perpetual performance A smashing thoughtful and very good guide to Coward s plays Sheridan Morley *Loves Labour's Lost* William Shakespeare,1903 **The Yale Shakespeare: Love's labour's lost** William Shakespeare,1925 **Schiller: Volume Three** Friedrich Schiller,2005-10-11 Includes the plays Joan of Arc and William Tell Two plays about historical characters whose fame has also raised them to the level of myth In Joan of Arc 1801 Schiller allows his heroine a more glorious death than her historical execution at the stake and imbues her with more passion and compassion than is usually ascribed to the actual Joan In William Tell 1805 often regarded as his greatest play Schiller creates a vivid sense of time and place medieval Switzerland and in his troubled hero the accidental revolutionary Tell create a complex and fascinating figure One of the great figures in German literature Friedrich Schiller 1759 1805 was in some ways the most significant playwright of his day numbering among his devotees Coleridge and Carlyle His plays are known for their originality of form vivid stage imagery and powerful language faithfully rendered in Robert David MacDonald s acclaimed translations **Comedy of errors.
