

Sorority Sister

Eli Frankel

Sorority Sister:

Sorority Sister Diane Hoh, 2012-03-27 DIV Someone is out to destroy the most popular sorority on campus div DIV Joining Omega Phi Delta is the best thing that s ever happened to Maxie Since she pledged with Salem University s coolest sorority she s never had trouble finding a party to go to or a boy to date Her new life is perfect until death strikes Omega House div DIV div DIV The terror starts when Maxie s sorority sister Erica s jewelry box goes missing with all of her valuables including her grandmother s priceless ring inside Erica is tearing her room apart when she gets a package the box with all the jewelry safe inside Erica wants to forget the strange incident but the strange pranks escalate and Maxie sees them as a warning Some unknown lunatic wants her sisters blood and only Maxie can save them A year ago she would have done anything to become an Omega girl Now she may die for it div DIV div DIV This ebook features an illustrated biography of Diane Hoh including rare photos and never before seen documents from the author s personal collection div Sorority Sisters Tajuana Butler, 2007-05 From the acclaimed author of Just My Luck comes the story of Cajen Tiara Stephanie Malena and Chancey five young African American college women from diverse backgrounds who pledge a sorority and find strength in sisterhood Girlfriends and Postfeminist Sisterhood A. Winch, 2013-11-06 From Mean Girl to BFF Girlfriends and Postfeminist Sisterhood explores female sociality in postfeminist popular culture Focusing on a range of media forms Alison Winch reveals how women are increasingly encouraged to strategically bond by controlling each other s body image through the girlfriend gaze **Sorority Sisters** Blu Bunny (author), 1901 **Girls on the Verge** Vendela Vida, 2025-06-25 In a fascinating look at how young women are coming of age in America Vendela Vida s Girls on the Verge explores a variety of rituals that girls have adapted or created in order to leave their childhoods behind Vida doesn t just observe the rituals she actively participates in them going as far as spending a week at UCLA to experience rush she emerges a Tri Delt She also goes to Miami to learn about the quince the Latin American celebration of a girl s fifteenth birthday to Houston to take part in a debutante ball to Los Angeles and San Francisco to talk to female gang members to Salem Massachusetts to interview a coven of witches and to Las Vegas to watch young brides take the plunge some of them in drive through wedding chapels With humor insight and illuminating detail she explores girls struggles to forge an identity and secure a sense of belonging through various rituals rituals that they embrace without necessarily understanding the comforts they seek or the repercussions of their often all too adult choices **Forever Sisters** Claudia O'Keefe, 2000-04 In this critically acclaimed collection of short stories essays and memoirs discover what it means to be a sister as seen through the eyes of 18 women writers **Sister Style** Nadia E. Brown, Danielle Casarez Lemi, 2021 They don t think I m viable because I m a Black woman with natural hair and no husband This comment was made by Stacey Abrams shortly before the 2018 Democratic primary after she became the first Black woman to win a majority party s nomination for governor Abrams sentiment reflects the wider environment for Black women in politics in which racist and sexist cultural ideas have long led Black women to be demeaned

and fetishized for their physical appearance In *Sister Style* Nadia E Brown and Danielle Casarez Lemi argue that Black women's political experience and the way that voters evaluate them is shaped overtly by their skin tone and hair texture with hair being a particular point of scrutiny They ask what the politics of appearance for Black women mean for Black women politicians and Black voters and how expectations about self presentation differ for Black women versus Black men White men and White women Black women running for office face pressure often from campaign consultants and even close colleagues to change their style in order to look more like White women However as this book shows Black women candidates and elected officials react differently to these pressures depending on factors like age and incumbency Moreover Brown and Lemi delve into the ways in which Black voters react to Black female candidates based on appearance They base their argument in part on focus groups with Black women candidates and elected officials and show that there are generational differences that determine what sorts of styles Black women choose to adopt and to what extent they change their physical appearance based on external expectations

The Delta Sisters Kayla Perrin, 2014-02-04 From Essence bestselling author Kayla Perrin comes the compelling story of three generations of African American women of their deepest secrets and most cherished lies The Grayson family is a pillar of the African American community in New Orleans But Sylvia Grayson the matriarch has deep secrets that she conceals beneath a veneer of propriety She keeps a tight rein on her daughter Olivia and has the perfect life mapped out for her go to college join the Delta sorority and marry the proper boy After the town's bad girl is found murdered one summer day in 1975 Sylvia pulls Olivia even closer But when Olivia's one last attempt at rebellion is subverted by her mother Sylvia's relentlessly tight hold shatters the ties between them Years later Olivia's own daughter Rachelle is trying to make her way in the world Olivia does not want to make the same mistakes as her mother nor does she want her daughter to repeat the errors Olivia made out of rebellion Meanwhile a killer is watching from the shadows determined to bring the secrets of the past to light *The Delta Sisters* is a gripping intimate portrait of what happens when these passionate women have to band together at last in the face of danger

Blackballed Lawrence Ross, 2025-06-25 College is a word that means many things to many people a space for knowledge a place to gain lifelong friends and an opportunity to transcend one's socioeconomic station Today though this word also recalls a slew of headlines that have revealed a dark and persistent world of racial politics on campus Does this association disturb our idealized visions of what happens behind the ivied walls of higher learning It should because campus racism on college campuses is as American as college football on Fall Saturdays From Lawrence Ross author of *The Divine Nine* and the leading expert on sororities and fraternities *Blackballed* is an explosive and controversial book that rips the veil off America's hidden secret America's colleges have fostered a racist environment that makes them a hostile space for African American students *Blackballed* exposes the white fraternity and sorority system with traditions of racist parties songs and assaults on black students and the universities themselves who name campus buildings after racist men and women It also takes a deep dive

into anti affirmative action policies and how they effectively segregate predominately white universities providing ample room for white privilege A bold mix of history and the current climate Blackballed is a call to action for universities to make radical changes to their policies and standards to foster a better legacy for all students Female Brando Jon Krampner,2006 The first major biography of the great actress draws on personal interviews with friends family and colleagues to offer a revealing study of Kim Stanley s extraordinary career and her acclaim as the finest stage actress of her generation as well as her turbulent self destructive personal life from her childhood and early training to her rise to stardom and the demons that destroyed her life **Between Two Wars: A True Crime Collection** Cheyna Roth,2023-11-21 The era from the end of the Civil War to the beginning of World War II was a dynamic and evolving time for murderers thieves gangsters and more Train robberies presidential assassinations high profile heists and serial murders are just a selection of what occurred between the 1860s and the 1930s Between Two Wars A True Crime Collection includes a curated mix of both familiar and less infamous cases Tour through the carnage of 1880s Chicago as H H Holmes builds his Murder Castle Learn about the significance of the less famous presidential assassination of the 1800s of President James Garfield At the turn of the century find out why the theft of the Mona Lisa made the piece the famous work of art it is today and discover the impact of the Black mafia with John Mushmouth Johnson the infamous Negro Gambling King of Chicago The full list of cases includes 1866 The Reno brothers and the first train robbery in America 1878 George Leslie a high society bank robber 1881 Assassination of President James Garfield 1893 H H Holmes Murder Castle and the Columbian Exposition 1890s 1907 John Mushmouth Johnson the Negro Gambling King of Chicago 1911 The theft of Leonardo da Vinci s Mona Lisa 1926 Disappearance of Agatha Christie 1933 Kansas City Massacre 1938 Rumrich Nazi Spy Case Written for murderinos true crime junkies and history buffs Between Two Wars reads like you re having a conversation with a friend or listening to your favorite true crime podcast Pledged Alexandra Robbins,2011-05-24 Alexandra Robbins wanted to find out if the stereotypes about sorority girls were actually true so she spent a year with a group of girls in a typical sorority The sordid behavior of sorority girls exceeded her worst expectations drugs psychological abuse extreme promiscuity racism violence and rampant eating disorders are just a few of the problems But even more surprising was the fact that these abuses were inflicted and endured by intelligent successful and attractive women Why is the desire to belong to a sorority so powerful that women are willing to engage in this type of behavior especially when the women involved are supposed to be considered sisters What definition of sisterhood do many women embrace Pledged combines a sharp eyed narrative with extensive reporting and the fly on the wall voyeurism of reality shows to provide the answer *Play the Game. Change the Game. Leave the Game.* Robert Livingston,2025-09-09 Instead of waiting for White people to change Black people must prioritize their own prosperity power and self determination by navigating challenging and exiting racist systems a radical argument from a Harvard behavioral scientist It s time to face an inconvenient truth our current approach to fighting racism is just not

working For a brief moment following the murder of George Floyd it seemed as though the country had finally acknowledged the destructive legacy of slavery and White supremacy and had committed to putting things right Now a horde of prominent voices many of whom professed to be antiracist allies are pulling back cutting support and defunding programs that sought to level the playing field Harvard psychologist Robert Livingston contends that racism operates like an addiction for so many White people hard to admit and even harder to quit Given their unwillingness to kick the habit where does this leave Black people In this provocative book Livingston has flipped the script asking How can Black people attain prosperity and peace of mind despite the enduring presence of racism Livingston reveals three paths Play the game or find ways to work within mainstream predominantly White systems without sacrificing your identity or dignity Think of Kenneth Chenault a tempered radical who rose through the ranks to become the first Black CEO of American Express Change the game or challenge the status quo in an effort to upend White supremacy like Colin Kaepernick whose idealism cost him his football career but made him an icon Leave the game or turn away from White environments to carve out spaces where Black people can flourish from HBCUs to entrepreneurship to the creation of ethnic enclaves like the all Black middle class neighborhood where Livingston himself grew up Drawing on social science his own experiences and interviews with trailblazing Black leaders and luminaries Livingston reveals the contours of these oft overlapping paths for effectively navigating mitigating and circumventing White supremacy Play the Game Change the Game Leave the Game is a bold groundbreaking proposition that empowers readers to make the leap from being played to creating their own game plan

My Sister's Boyfriend Sylvia McDaniel, 2013-12-20 The trouble with identical twins He's back The one guy she never wanted to see again Her high school indiscretion Brent Moulton has returned to Tyler Texas Only Jennifer Riley knows the truth about that night so long ago when she switched places with her twin sister Julie and gave her virginity along with her heart to her sister's boyfriend in the backseat of his father's Mustang they look alike Fifteen years later life has thrown them back together Will Brent realize he slept with the wrong twin Will he overcome his commitment issues and realize that Jennifer just might be the right twin for him

Alexandria's Gold Annmarie H. Pearson, 2021-02-23 Alexandria Tillie Bush a twenty one year old college student went home to visit her parents in Glenwood New Mexico on her summer break During her visit her grandfather Len Hudson once a prospector for gold in the Mogollon Mountains bequeathed an adventure for Alex to find his buried treasure in the rugged Gila Wilderness What Len Hudson didn't realize when he asked his granddaughter to venture into the wilderness was that her life and everyone who accompanied her would end up in a dangerous and deadly quest Alex asked three of her sorority sisters along with their boyfriends to accompany her on retrieving her grandfather's buried gold Someone was sabotaging her entourage as they traveled on horseback with pack mules into the rocky mountains Alex's boyfriend was in a coma from an unusual accident One of her sorority sisters broke her left leg in a sinister incident and two of her friends were horrendously mutilated as they tried to help Alex redeem her grandfather's hidden buried treasure Who followed Alexandria and her

consortium into the Gila Wilderness And why was he tormenting them How would they return to the Bush equestrian ranch while on horseback and dragging a travois carrying a coma patient

Sisters in Death Eli Frankel, 2025-10-28 Who killed the Black Dahlia In this eye opening shocker an award winning producer true crime researcher and Hollywood insider finally solves the greatest and most gruesome murder mystery of the twentieth century just before its 80th anniversary In January 1947 the bisected body of Elizabeth Short completely drained of blood was discovered in an undeveloped lot in Los Angeles Its gruesome mutilations led to a firestorm of publicity city wide panic and an unprecedented number of investigative paths led by the LAPD all dead ends The Black Dahlia murder remained an unsolved mystery for over seventy years Six years earlier and sixteen hundred miles away another woman s life had ended in a similarly horrific manner Leila Welsh was an ambitious educated popular and socially connected beauty Though raised modestly on a prairie farm she was heiress to her Kansas City family s status and wealth On a winter morning in 1941 Leila s butchered body was found in her bedroom bearing the marks of unspeakable trauma One victim faded into obscurity The other became notorious Both had in common a killer whose sadistic mind was a labyrinth of dark secrets Eli Frankel reveals for the first time a key fact about the Black Dahlia crime scene never before shared with the public that leads inexorably to the stunning identification of a criminal who was at the same time amateurish and fiendish skilled and lucky sophisticated and brutish Drawing on newly discovered documents law enforcement files interviews with the last surviving participants the victims own letters trial transcripts military records and more this epic true crime saga puts together the missing pieces of a legendary puzzle In **Sisters in Death** the Black Dahlia cold case is finally closed

Turning the Tide Earl H. Tilford, 2014-01-31 This book documents the period when a handful of University of Alabama student activists formed an alliance with President Frank A Rose his staff and a small group of progressive minded professors in order to transform the university during a time of social and political turmoil Together they engaged in a struggle against Governor George Wallace and a state legislature that reflected the worst aspects of racism in a state where the passage of civil rights legislation in 1964 and 1965 did little to reduce segregation and much to inflame the fears and passions of many white Alabamians Earl H Tilford details the origins of the student movement from within the Student Government Association whose leaders included Ralph Knowles and future governor Don Siegelman among others the participation of key members of The Machine the political faction made up of the powerful fraternities and sororities on campus and the efforts of more radical non Greek students like Jack Drake Ed Still and Sondra Nesmith Tilford also details the political maneuverings that drove the cause of social change through multiple administrations at the university **Turning the Tide** highlights the contributions of university presidents Frank A Rose and David Mathews as well as administrators like the dean of men John L Blackburn who supported the student leaders but also encouraged them to work within the system rather than against it Based on archival research interviews with many of the principal participants and the author s personal experiences Tilford s **Turning the Tide** is a compelling portrait of a university in transition during the

turbulence surrounding the civil rights and anti war movements of the 1960s **Wrongs of Passage** Hank Nuwer,2001
Explores the problems of hazing and binge drinking at fraternities and sororities on American college campuses telling the stories of some of the young people who have been seriously injured or died as a result of such behaviors and offers a list of recommendations for reform **The Sisters of Theta Phi Kappa** Kayla Perrin,2002-10-04 Jessica Ellie Shereen and Yolanda were the brightest stars of the Theta Phi Kappa Sorority at Howard University Now ten years later they seem to have it all Jessica is in the limelight a TV personality whose star is on the rise Ellie is an optimist happily engaged in the quest for love Shereen is a stunning and powerful executive and Yolanda the strong willed leader of the group has defied her roots to capture her vision of the American dream But years before these four women banded together to keep a devastating secret and now ten years later someone will do anything to see the secret brought to light None of them anticipated the consequences of keeping the secret and now someone is trying to shatter all their lives Intense powerful page turning and emotional The Sisters of Theta Phi Kappa will keep you guessing and will make you think about the depths of friendship the price of loyalty and the bonds of sisterhood **U Chic, 2E** Christie Garton,2011-04-01 U Chic gives an edge to today s high achieving college girl It s not just about good grades or being at the top of the class but having a great social experience Written by a savvy group of fifty accomplished students and journalists this book covers everything from birth control and eating disorders to how to maintain that all important GPA Head of the Class Picking the right major getting ready for finals Love Life Love vs hook ups long distance love Healthy and Happy Common campus ailments staying healthy and fit on dorm food
