

Example 2: Leita-Jane

Leita-Jane is 12 years old and has successfully demonstrated level 1 outcomes in English, SOSE, Science and Mathematics and is working toward level 2. She works well with peers and a teacher's-aide. Her short-term memory is good and she can identify visual representations of familiar surroundings and people and make connections between where they work and what kind of work they do. In a geographical mapping exercise she can connect photographs of school personnel with their classrooms and staff rooms and describe their type of work.

What she knows	What she needs support to learn
- Identifies familiar surroundings and people - Can read visual representations - Makes connections between separate pieces of information - Can manipulate equipment and media to create visual representations of concepts	- Assistance with reading written instructions - Introduce visual clues to increase independence - Support to access new and unfamiliar knowledge
