Robert Mulholland, 2023-10-01 In the foreword to the first edition of Shaped by the Word Bishop Rueben Job wrote One of the great strengths of this volume is that it grows out of the spiritual pilgrimage of a capable and committed biblical scholar It was my privilege to hear these lectures when they were presented to the first Academy for Spiritual Formation in 1983 They became for those who heard them a window to God Nearly forty years later Shaped by the Word continues to provide this window to God to readers across the world In a success oriented world it is easy for Bible study to become another task to perform rather than a transformational experience Those who hunger for a deep relationship with God often struggle with barriers that keep us from being able to meditate and listen to God with the deepest core of our being Shaped by the Word seeks to overcome these barriers through a formational reading of the Bible In this timeless book Robert Mulholland shows readers how to listen for God s voice in our study of the Word and allow God to lead our reading and understanding so that we may truly be transformed Theological Context for Pastoral Caregiving William M Clements, Howard W Stone, 2013-09-05 In Theological Context for Pastoral Caregiving Howard W Stone helps his fellow pastors and worship leaders provide effective and faithful pastoral care and counseling through the study of the correlation between pastoral care and theology You will learn that in order for pastoral care to be effective it must have a theological base to shape the caregiving experience At the same time theology must be informed by the needs and experiences of the people being served and by the ministry of pastoral care By relating these two issues you gain a unique viewpoint not offered by books with simply a psychological focus The author draws from his day to day clinical practice of pastoral care and counseling to show how pastoral care and theology can be brought together Through Howard Stone s work the reader learns of an overview of pastoral care and counseling today how to provide a pastoral assessment of the persons served the author's theological understanding of the ministry of pastoral care and counseling methods for correlating theology and pastoral care how spiritual direction as a discipline can help pastoral care and counseling ministry regain a solid theological base theological themes that might be more explicitly and intentionally related to pastoral careTheological Context for Pastoral Caregiving provides useful information for parish pastors people in
