Patrick Gannon, 1992 **Black Like Who?** Rinaldo Walcott, 2003 Rinaldo Walcott's groundbreaking study of black culture in Canada *Black Like Who* caused such an uproar upon its publication in 1997 that Insomniac Press has decided to publish a second revised edition of this perennial best seller With its incisive readings of hip

Strandness,2014-03-13 Believer and unbeliever alike are subtly evangelized every day of their lives by the ambient glow of Gods cinematic masterpiece They sense something grand but are confused by the incoherent cultural edits scattered throughout the film The Good News is that the deleted scenes are not lost but can be found in our shared human experiences and once spliced back together reveal an epic of Biblical proportions The Directors Cut of the Greatest Story Ever Told Dr Erik Strandness takes a unique bottom up approach to apologetics by investigating experiences common to all people and concluding that they can only be adequately understood through a Biblical filter The goal is to empower lay Christians to condently share their faith in a concrete friendly real world context that effectively engages the day to day realities of their audience Dr Strandness writes in a clear engaging and witty style combining the thoughts of many great Christian thinkers with culturally relevant illustrations in order to make a solid real world case for the Christian worldview Once in a while someone manages to put ageless truth in such a fresh package that it cries out Read on Thats the way I felt when reviewing Erik Strandnesss book What a pleasure it is to read But its not just Eriks engaging word images that make it such a great read Its the profound and timely message he is communicating in such an intelligent and winsome way This is a book you will be telling others about Dr Christian Overman Director Worldview Matters biblicalworldview.com **Warfare and Waves**

Peter Herriot,2017-04-27 Why is the Church of England perceived by many as homophobic misogynist or just plain weird Because two movements within it the Calvinists and the Charismatics have recently achieved a degree of influence disproportionate to their numerical strength The Calvinists have played the media and ecclesiastical politics games with skill and determination while sternly identifying themselves as guardians of the one true Reformed doctrine The Charismatics have taken a different approach embracing many elements of late modern culture while retaining a distinctly premodern worldview Peter Herriot argues that to recover from the opportunity costs and reputational damage that it has suffered at their hands the Church of England must seize back the agenda from the Calvinists and face outwards rather than inwards In its efforts to come to terms with globalization the church's leadership will need to sideline the Calvinists and encourage the Charismatics with their recently increased social involvement Written by a social psychologist Warfare and Waves is full of detailed case studies that give a vivid insight into the organizational structures and subcultures of these two very different evangelical movements [Soul Survivor](#) Mary Ross Smith,2004-08-16 Soul Survivor explores the depths of human emotions both real and imagined That any of us reach adulthood in one piece emotionally or physically is a miracle of no small
