Soul By Soul:

Soul by Soul Walter JOHNSON,2009-06-30 Soul by Soul tells the story of slavery in antebellum America by moving away from the cotton plantations and into the slave market itself the heart of the domestic slave trade Taking us inside the New Orleans slave market the largest in the nation where 100 000 men women and children were packaged priced and sold Walter Johnson transforms the statistics of this chilling trade into the human drama of traders buyers and slaves negotiating sales that would alter the life of each What emerges is not only the brutal economics of trading but the vast and surprising interdependencies among the actors involved We Can Overcome Allen B. West,2020-02-06 A retired US Army lieutenant colonel and former congressman shows how black America can improve itself through conservative values Something has happened to the black community Over the past decades black America stopped believing that we shall overcome Instead they began accepting handouts from the government turning away from the values of family selfless military service and business ownership that have been pillars of black America from the beginning Progressive socialism has bound them in what amounts to economic enslavement In his third book Lt Col Allen B West Ret takes readers back through the political history of the black community highlighting the history of public service self reliance ingenuity strong families and religious involvement that pulled black Americans through the horrors of slavery Reconstruction and decades of Jim Crow laws These are the values that enabled them to improve their lives to overcome We Can Overcome An American Black Conservative Manifesto urges black America to return to the conservative principles that once had entire neighborhoods building wealth and thriving on Black Wall Street in Tulsa Oklahoma It s time black Americans remember the strength they possess In this age of escalating black on black violence and increasing government dependency the sons and daughters of Frederick Douglass Booker T Washington and Martin Luther King Jr must stand up We are not victims We are victors We can overcome
