DONNA. FREITAS,2013 *Dark Nights of the Soul* Thomas Moore,2005-06-16 Every human life is made up of the light and the dark the happy and the sad the vital and the deadening How you think about this rhythm of moods makes all the difference Our lives are filled with emotional tunnels the loss of a loved one or end of a relationship aging and illness career disappointments or just an ongoing sense of dissatisfaction with life Society tends to view these dark nights in clinical terms as obstacles to be overcome as quickly as possible But Moore shows how honoring these periods of fragility as periods of incubation and positive opportunities to delve the soul s deepest needs can provide healing and a new understanding of life s meaning Dark Nights of the Soul presents these metaphoric dark nights not as the enemy but as times of transition occasions to restore yourself and transforming rites of passage revealing an uplifting and inspiring new outlook on such topics as The healing power of melancholy The sexual dark night and the mysteries of matrimony Finding solace during illness and in aging Anxiety anger and temporary Insanities Linking creativity spirituality and emotional struggles Finding meaning and beauty in the darkness

**Lola** Alfred Preston O'Meara,2009-02-09 Lola is about how every church and state on planet earth is out dated and suffocating humanity The world leaders of today s church and state just as soon rape and pillage the planet for their own golden butt wipers then they would do the right thing for the planet and or humanity I guarantee Jesus the 2000 year dead guy is not going to save you I guarantee the concept of hell is not real and is being used to scare and mind control honest people into believing negative bullshit I guarantee you the United States Government is destroying the planet for a few corporations business interests I guarantee Obama s campaign for change is all smoke and mirrors and that the current American presidential administration is just as corrupt and shady as the last administration *Builders of My Soul* Brian Arkins,1990-01-01 To Yeats as well as to Eliot Pound Joyce and other major writers as Erich Auerbach put it in Mimesis Antiquity means liberation and a broadening of horizons not in any sense a new limitation or servitude That is why Greco

Roman themes can be endlessly stimulating why Yeats could call the Greek and Roman writers the builders of my soul Brian Arkin's thematic consideration of Yeats's subject matter under philosophy myth religion history literature visual art and Byzantium allows us to see coherently how Yeats exploited this material and how especially in his middle and later periods he transformed and metamorphosed subject matter from Homer Phidias Plato Plotinus and Sophocles and from the myths of Dionysus Helen of Troy Leda and Zeus to exemplify his central preoccupations Irish Literary Studies Series No 32

**Reincarnation, a Study of the Human Soul** Jerome A. Anderson, 1896      **Sex and the Soul** Donna Freitas, 2008-04-11  
Based on dozens of face to face interviews *Sex and the Soul* explores the sexual and spiritual lives of today's college students Donna Freitas crisscrossed the country visiting a range of America's colleges and universities from public to private Catholic to evangelical to find out what students had to say about these highly personal subjects Their stories will not only engage readers but in many cases move them with the painful struggles these candid young women and men face Indeed the book uncovers aspects of college life that may unsettle some readers especially parents Many campuses for instance are dominated by the pervasiveness of hook up culture Moreover many students see little connection between sex and religion even as they seek one between sex and spirituality Indeed these observations hold true even at Catholic schools Only at evangelical colleges is religion an important factor when deciding whether or not to engage in sex But Freitas's research also reveals that even at secular schools students are not comfortable with a culture of casual sex and that they do want spirituality at least if not also religion to speak about what they should do and who they should try to be not just what they should avoid doing *Sex and the Soul* will offer readers the chance to hear college students speaking honestly about extremely sensitive topics in a book that will be of great interest to students parents clergy teachers and anyone who wants to know what's happening on today's college campuses Named one of the Best Religion Books of 2008 by Publishers Weekly Fascinating disturbing engaging persuasive Freitas's work chronicles a poignant spiritual loss that students themselves articulate and mourn Publishers Weekly Candid disturbing yet ultimately hopeful Throughout this beautifully written book Freitas presents students feelings and experiences in an unflinching yet compassionate way You care about these young people and their struggles This book is a great service to students parents and those at colleges and universities who want to prepare young adults not just for the workplace but for healthy and fulfilling lives Christian Science Monitor      **Poetry and the Soul** ,      **Sexual Heretics** Brian Reade, 2017-10-06 The years between 1850 and 1900 were the vintage years of a discreet homosexual culture in England In this period educational personal and foreign influences all contributed to the establishment of a trend expressed in the works of authors such as John Addington Symonds Walter Pater and A E Housman and in those of lesser writers now largely forgotten This book first published in 1970 is an anthology of English prose and verse either homosexual in tone or providing a vehicle for homosexual emotions and in several examples even overtly and experimentally frank The book includes an introduction by Brian Reade explaining the network of friendships and

associations which underlay this development and tracing some of its origins
