Governing the Child in the New Millennium Kenneth Hultqvist,Gunilla Dahlberg,2013-01-11 The contributors and editors of this volume begin from the assumption that the changes wrought by globalization compel us to reflect upon the status of the child and childhood at the end of the 20th century Their essays consider what techniques and technologies are used to govern the child what role the family plays what is global and what is culturally specific in the changes and how the subject is constructed and construed *Success* Johnny Henry,2003-07 This book is about entering into the new millennium with the discovery of the wonder of inner treasures of life that dwell in each of us Reboot your mind and engage your imagination so that you may cross the threshold of spiritual enlightenment Release the shackles that bind you on this earthly plane and allow the universal flow of love to connect you to a spiritual realm of infinite joy and peace The hope of discovering your inner treasures of life can create challenges of most daring proportions This book is designed to help you step out of the paradigm of self to deal with the issues of your success and to help you conger the fear of ignorance Success The Inner Treasures of Life is a small book with powerful messages You must read it with an open and inquiring mind God has given us the vision of greatness to conceive believe and achieve understanding so that we may understand the mysteries of life Let it be the catalyst by which the inner treasures of life reveal unto you the infinite wisdom and knowledge that drive the universe Let God s love be the power that delivers you upon the sandy shores of life s destiny fulfilling your dreams and unlocking the mysteries of the universe I hope that reading Success The Inner Treasures of Life will lead you to a more prosperous and fulfilling life also adding excitement and adventure to your journey of life as well as discovery and enrichment of character
