

Soulmate

Are you out there?
Are you really for me?
Are you just like me?
Will you love me unconditionally?
Will you accept my flaws?
Will you say 'I love you' to me everyday?
Will you express your love to me?
Will you be my light, in the dark?
Will you hold me, when I cry?
Is there really a soumate out there for me?

Am I destined to be alone?
Am I better off alone?

Soulmates Juliana Geran Pilon, 2011-12-31 In *Soulmates Resurrecting Eve* Juliana Geran Pilon argues for a return to an egalitarian view of men and women found in the original Genesis narrative as reflected through Judaism Christianity and Islam In each of these Abrahamic traditions it was understood that man and woman were created to be soulmates in God s image equal despite their different functions within society Pilon writes that this original message has gradually been distorted with disastrous effect Any hope for an ennobling human community begins by resurrecting Eve as an equal partner to Adam The work examines the Biblical creation narrative comparing it to Greek and other ancient mythologies Pilon explains how the disturbing association of woman with sin and death led to Eve s demise as Adam s equal The final section of the work deals with the Goddess myth love and marriage in early religious narratives and modern man s search for his soul no less than for a soulmate The book at its core is a meditation on the relationship between men and women but also among human beings The resurrection of Eve is indispensable to attaining a true appreciation of love and faith Pilon uses religious texts expert commentary and various works of fiction poetry and psychology to make her argument come alive The work is strengthened by the writing style alternately poetic and humorous and a clear and illuminating progression of ideas Its emphasis on reconciliation and understanding and its post feminist outlook will find a receptive audience

Women...If He Won't, Buy It for Him! J. Gary Ratcliff,2016-12-20 Love ain't what it used to be These days great numbers of couples live in a basic partnership that is very short on love and affection Men especially have forgotten or worse have never learned how to love a woman Many men give a diluted form of love to get sex while women give sex to get love affection and attention It's an exchange that devalues the currency of both love and sex Yet when they both partners just give pure affectionate love the sex will come naturally and be the best they've ever had Men don't realize that they will get back in equal proportions sometimes more what they give Love is an art and a science Read this book several times Take it to heart and watch your relationship grow better than it's ever been It may take a little time before your partner begins to trust that this is a real change and not just a trial but once trust arrives look out The fireworks will never stop and the more you do it the more satisfying it gets **The Divine Universe, The book of love** Zara Borthwick,Nicholas Arnold,2013-12-11
