Soulstealers The Chinese Sorcery Scare Of 1768

Jérôme Doyon, Chloé Froissart

Soulstealers The Chinese Sorcery Scare Of 1768:

Soulstealers Philip A KUHN, Philip A Kuhn, 2009-06-30 Midway through the reign of the Chien lung emperor Hungli mass hysteria broke out among the common people It was feared that sorcerers were roaming the land clipping off the ends of men's queues the braids worn by royal decree and chanting magical incantations over them in order to steal the souls of their owners In a fascinating chronicle of this epidemic of fear and the official prosecution of soulstealers that ensued Philip Kuhn opens a window on the world of eighteenth century China

Protest with Chinese Characteristics Ho-fung Hung, 2011 Market expansion state centralization and Neo Confucianism in Qing China Documenting the three waves of Mid Qing protest Filial loyal demonstrations 1740 1759 Riots into rebellion 1776 1795 Resistance and petitions 1820 1839 Mid Qing protests in comparative perspective Epilogue The past in the present

Hakka Chinese Confront Protestant Christianity, 1850-1900 Jessie Gregory Lutz, Rolland Ray Lutz, 2015-03-04 This work focuses on the 19th century mission conducted by Chinese evangelists among the Hakka an ethnic minority in south China The principal part of the text comprises the autobiographies of eight pioneer missionaries who offer insight into village life and customs of the Hakka people

Diasporic Chinese Ventures GREGOR BENTON, Hong Liu, 2004-07-31 This collection of essays by and about Wang Gungwu brings together some of Wang's most recent and representative writing about the ethnic Chinese outside China giving the reader a deeper understanding of his views on migration identity nationalism and culture all key issues in modern Asia's transformation The book collects interviews speeches and essays that illustrate the development and direction of Wang's scholarship on ethnic and diasporic Chinese

Telling Chinese History Frederic E. Wakeman, 2009-03-10 Frederic Wakeman's scholarship is impeccable and the breadth of learning in this book is astounding I repeatedly found myself slowing down to savor the material Many of the essays in this collection are no longer easily accessible and placing them together in a single volume will be a great benefit to the next generation of students and scholars Joseph W Esherick author of *The Origins of the Boxer Uprising* This book brings together the best of Frederic Wakeman's articles all of which are beautifully written and represent the remarkable breadth of Wakeman's research The opportunity to read them together sheds new light on Chinese history and on the thought processes of one of the West's greatest historians Madeleine Zelin

Director of the East Asian National Resource Center at Columbia University

The Transmission of Chinese Medicine Elisabeth Hsu, 1999-11-11 This is one of the first studies of traditional medical education in an Asian country Conducting extensive fieldwork in Kunming the capital of Yunnan Province in the People's Republic of China Elisabeth Hsu became the disciple of a Qigong master a scholarly private practitioner who almost wordlessly conveys esoteric knowledge and techniques attended seminars given by a senior Chinese doctor an acupuncturist and masseur who plunges his followers into the study of arcane medical classics and studied with students at the Yunnan College of Traditional Chinese Medicine where the standardised knowledge of official Chinese medicine is inculcated Dr Hsu compares the theories and practices of these

different Chinese medical traditions and shows how the same technical terms may take on different meanings in different contexts This is a fascinating insider's account of traditional medical practices which brings out the way in which the context of instruction shapes knowledge *Gender Hierarchy of Masculinity and Femininity during the Chinese Cultural Revolution* Zhuying Li, 2020-11-25 Focusing on the influence of Maoist ideology and masculinist power on the representations of women in revolutionary opera films made during the Cultural Revolution this book considers the gendered hierarchy between masculinity and femininity in relation to the historic and cultural context in which they were made Using feminist methodology and epistemology to locate women's social identity this book explores the sociological connections between the masculinisation of women and masculinist domination in the context of the Cultural Revolution Through film analysis the author examines whether women rather than liberated were in fact re-gendered and oppressed by masculinist power By critically evaluating gender hierarchy during the Chinese Cultural Revolution the book provides hitherto neglected insights into gender within its social and cultural context This an interdisciplinary book which should appeal to students and scholars across a range of disciplines including gender studies Asian studies China studies cultural studies and film studies

Chinese Women in the Imperial Past Harriet Zurndorfer, 2022-08-22 The present volume is the result of a Leiden University workshop on women in imperial China by a group of international scholars In recent years Chinese women and gender studies have attracted more and more attention and this book is one of the first efforts to focus on major aspects of this subject It covers a wide range of topics and disciplines including bibliography demography history legal studies literature history of medicine and philosophy Chinese Women in the Imperial Past can rightly be seen as connected with the new Brill journal *NAN N Men Women and Gender in Early and Imperial China* which was founded to provide the scholarly community with a lasting forum in which the subject of Chinese women and gender can be dealt with in its own right *The Making of the Chinese State* Leo K. Shin, 2006-07-03 In this well-crafted study of the relationships between the state and its borderlands Leo Shin traces the roots of China's modern ethnic configurations to the Ming dynasty 1368-1644 Challenging the traditional view that China's expansion was primarily an exercise of incorporation and assimilation Shin argues that as the centre extended its reach to the wild and inaccessible south the political interests of the state the economic needs of the settlers and the imaginations of the cultural elites all facilitated the demarcation and categorisation of these borderland non-Chinese populations The story told here however extends beyond the imperial period Just as Ming emperors considered it essential to reinforce a sense of universal order by demarcating the non-Chinese modern-day Chinese rulers also find it critical to maintain the myth of a unified multi-national state by officially recognising a total of fifty-six nationalities **The Qing Dynasty and Traditional Chinese Culture** Richard J. Smith, 2015-10-23 The Qing dynasty 1636-1912 a crucial bridge between traditional and modern China was remarkable for its expansiveness and cultural sophistication This engaging and insightful history of Qing political social and cultural life traces the complex interaction between the Inner Asian traditions of

the Manchus who conquered China in 1644 and indigenous Chinese cultural traditions. Noted historian Richard J. Smith argues that the pragmatic Qing emperors presented a Chinese face to their subjects who lived south of the Great Wall and other ethnic faces particularly Manchu, Mongolian, Central Asian and Tibetan to subjects in other parts of their vast multicultural empire. They were attracted by many aspects of Chinese culture but far from being completely sinicized as many scholars argue, they were also proud of their own cultural traditions and interested in other cultures as well. Setting Qing dynasty culture in historical and global perspective, Smith shows how the Chinese of the era viewed the world, how their outlook was expressed in their institutions, material culture and customs, and how China's preoccupation with order, unity and harmony contributed to the civilization's remarkable cohesiveness and continuity. Nuanced and wide-ranging, his authoritative book provides an essential introduction to late imperial Chinese culture and society.

Ritual and Mythology of the Chinese Triads Barend ter Haar, 2021-08-30. The extensive ritual and mythological lore of the Chinese Triads form the scope of this new paperback title in Brill's Scholars' List. The author critically evaluates the extant sources and offers a wealth of contextual information. The core of the book is formed by a close reading of the initiation ritual, including the burning of incense, the altar, the enactment of a journey of life and death, and the blood covenant. Different narrative structures are also presented. These include the messianic, demonological, paradigm, political legitimization, and the foundation of myth. Triad lore is placed in its own religious and cultural context, allowing radically new conclusions about its origins, meanings, and functions. This book is of special interest to social historians, anthropologists, and students of Chinese religious culture.

Gender and Sexuality in Modern Chinese History Susan L. Mann, 2011-09-19. Gender and sexuality have been neglected topics in the history of Chinese civilization, despite the fact that there is a massive amount of historical evidence on the subject. China's late imperial government was arguably more concerned about gender and sexuality among its subjects than any other pre-modern state. How did these and other late imperial legacies shape twentieth-century notions of gender and sexuality in modern China? Susan Mann answers this by focusing on state policy, ideas about the physical body, and notions of sexuality and difference in China's recent history, from medicine to the theater, to the gay bars, from law to art and sports. More broadly, the book shows how changes in attitudes toward sex and gender in China during the twentieth century have cast a new light on the process of becoming modern, while simultaneously challenging the universalizing assumptions of Western modernity.

The Ritual and Mythology of the Chinese Triads Barend ter Haar, 2021-11-15. The extensive ritual and mythological lore of the Chinese Triads form the scope of this new paperback in Brill's Scholar's List. In it, the reader will find a critical evaluation of the extant sources together with a true wealth of context. The core of the book is formed by a close reading of the initiation ritual, including the burning of incense, the altar, the enactment of a journey of life and death, and the blood covenant. Different narrative structures are also presented. These include the messianic, demonological, paradigm, political legitimization, and the foundation of myth. Triad lore is placed in its own religious and cultural context, allowing radically new conclusions about its

origins meanings and functions This book is of special interest to social historians anthropologists and students of Chinese religious culture

Encyclopedia of Contemporary Chinese Culture Edward L. Davis,2004-08-02 This is the first reference book to digest this vast cultural output and make it accessible to the English speaking world It contains nearly 1 200 entries written by an international team of specialists to enable readers to explore a range of diverse and fascinating cultural subjects from prisons to rock groups underground Christian churches to TV talk shows and radio hotlines Experimental artists with names such as Big Tailed Elephants and The North Pole Group nestle between the covers alongside entries on lotteries gay cinema political jokes sex shops theme parks New Authoritarians and Little Emperors While the focus of the *Encyclopedia of Contemporary Chinese Culture* is on mainland China since 1980 it also includes longer specially commissioned entries on various aspects of contemporary culture in Hong Kong and Taiwan Including full and up to date references for further reading this is an indispensable reference tool for all teachers and students of contemporary Chinese culture It will also be warmly embraced as an invaluable source of cultural context by tourists journalists business people and others who visit China

The Intellectual in Modern Chinese History Timothy Cheek,2016-01-05 This vivid narrative history of Chinese intellectuals and public life provides a guide to making sense of China today Timothy Cheek presents a map and a method for understanding the intellectual in the long twentieth century from China s defeat in the Sino Japanese war in 1895 to the Prosperous China since the 2008 Beijing Olympics Cheek surveys the changing terrain of intellectual life over this transformative century in Chinese history to enable readers to understand a particular figure idea or debate The map provides coordinates to track different times different social worlds and key concepts The historical method focuses on context and communities during six periods to make sense of ideas institutions and individual thinkers across the century Together they provide a memorable account of the scenes and protagonists and arguments and ideas of intellectuals and public life in modern China

Chinese Law Li Chen,Madeleine Zelin,2015-01-27 The twelve case studies in *Chinese Law Knowledge Practice and Transformation 1530s to 1950s* edited by Li Chen and Madeleine Zelin open a new window onto the historical foundation and transformation of Chinese law and legal culture in late imperial and modern China Their interdisciplinary analyses provide valuable insights into the multiple roles of law and legal knowledge in structuring social relations property rights popular culture imperial governance and ideas of modernity they also provide insight into the roles of law and legal knowledge in giving form to an emerging revolutionary ideology and to policies that continue to affect China to the present day

The Chinese Communist Party Jérôme Doyon,Chloé Froissart,2024-01-25 This volume brings together an international team of prominent scholars from a range of disciplines with the aim of investigating the many facets of the Chinese Communist Party s 100 year trajectory It combines a level of historical depth mostly found in single authored monographs with the thematic and disciplinary breadth of an edited volume This work stands out for its long term and multiscale approach offering complex and nuanced insights eschewing any Party grand narrative and unravelling underlying

trends and logics composed of adaption but also contradictions resistance and sometimes setbacks that may be overlooked when focusing on the short term Rather than putting forward an overall argument about the nature of the Party the many perspectives presented in this volume highlight the complex internal dynamics of the Party the diversity of its roles in relation to the state as well as in its interaction with society beyond the state Our historical approach stresses impermanence beyond the apparent permanence of the Party s organisation and ideology while also bringing to light the recycling of past practices and strategies Looking at the Party s evolution over time shows how its founding structures and objectives have had a long lasting impact as well as how they have been tweaked and rearranged to adapt to the new economic and social environment the Party contributed to creating

A History of Modern Chinese Journalism and Communication Wang Runze,2022-12-30 Focusing on the practice of journalism in modern China this book studies the history of modern Chinese journalism and gives insights on its culture and value Comprised of four chapters this book revisits the development of the journalism industry after being introduced to China from the West analysing the development of the profession in comparative perspective The first three chapters explore the collision and integration of journalism as an imported product against the backcloth of the social culture of modern China and analyzes the modernization of Chinese journalism in terms of news concept public opinion and dissemination of newspapers The final chapter discusses the constraints of modern Chinese journalism that can hinder true independence and freedom including religious news publications subsidies pricing and the interaction of technology systems and concepts Discussions of characteristics of modern Chinese journalism also shed light on the development of contemporary Chinese journalism The book will be a valuable reference for scholars and students of Chinese studies journalism and communication studies especially those interested in Chinese journalism and its history in the modern time

God's Chinese Son Jonathan D. Spence,2015-06-15 A magnificent tapestry a story that reaches beyond China into our world and time a story of faith hope passion and a fatal grandiosity Washington Post Book World Whether read for its powerful account of the largest uprising in human history or for its foreshadowing of the terrible convulsions suffered by twentieth century China or for the narrative power of a great historian at his best *God s Chinese Son* must be read At the center of this history of China s Taiping rebellion 1845-64 stands Hong Xiuquan a failed student of Confucian doctrine who ascends to heaven in a dream and meets his heavenly family God Mary and his older brother Jesus He returns to earth charged to eradicate the demon devils the alien Manchu rulers of China His success carries him and his followers to the heavenly capital at Nanjing where they rule a large part of south China for more than a decade Their decline and fall wrought by internal division and the unrelenting military pressures of the Manchus and the Western powers carry them to a hell on earth Twenty million Chinese are left dead

Rumor in Early Chinese Empires Zongli Lu,2021-03-11 A major historical study of the formation spread and impact of rumor in the early Chinese empires
