Sound On The Goose:

Slang and Its Analogues Past and Present: Fla to Hyps John Stephen Farmer, 1893 **"Sound on the Goose,"** Nicholas Biel, 1950* **Peterson Field Guide to Bird Sounds of Western North America** Nathan Pieplow, 2019 A comprehensive field guide that uses an innovative Sound Index to allow readers to quickly identify unfamiliar songs and calls of birds in western North America Bird songs and calls are at least as important as visual field marks in identifying birds Yet short of memorizing each bird's repertoire it's difficult to sort through them all Now with the western edition of this groundbreaking book it's possible to visually distinguish bird sounds and identify birds using a field guide format At the core of this guide is the spectrogram a visual graph of sound With a brief introduction to five key aspects speed repetition pauses pitch pattern and tone quality readers can translate what they hear into visual recognition without any musical training or auditory memorization The Sound Index groups similar songs together narrowing the identification choices quickly to a brief list of birds that are likely to be confused because of the similarity of their songs Readers can then turn to the species account for more information and or listen to the accompanying audio tracks available online Identifying birds by sound is arguably the most challenging and important skill in birding This book makes it vastly easier to master than ever before

Identifying Migratory Birds by Sound in Britain and Europe Stanislas Wroza, 2024-07-18 Identify migratory birds with this book containing detailed text on flight and contact calls annotated sonograms and QR codes to the calls themselves Every spring and autumn millions of birds fly over us to en route to their summer or winter quarters with these migratory flights occurring both day and night A profusion of sounds fills the air making it possible to put a name to these fleeting silhouettes because the best way to identify these migrants is by their calls Often neglected in traditional identification guides these calls are described in this book with precision Annotated sonograms make it possible to visualise identify and better memorise the flight and contact calls of British and European migratory species Describes 450 species with detailed text photographs and sonograms Features essential criteria for effective identification of calls in the field Covers migratory behaviour and where and when to encounter each species Contains QR codes linking to more than 1 000 downloadable sounds to listen to at home or on your smartphone **New Song I've Got to Please You To-night** Tony Pastor, Alfred Witman Auner, 1862
