The Battle For Jerusalem June 5 71967

Clifford Irving

The Battle For Jerusalem June 5 1967:

Commentary ,1972 **The Battle for Jerusalem** Abraham Rabinovich,1972 **The Battle for Jerusalem** Avrāhām Rabīnovič,1972 *Among Lions* J. Robert Moskin,1983 Provides an authoritative vivid account of the battle for Jerusalem during the 1967 war between Israel and Jordan **The Battle of Jerusalem** Clifford Irving,1970 An account of the recent Israeli Arab war that continues its aftermath to the present day **The Battle for Jerusalem** Abraham Rabinovich,2012

THE BATTLE FOR JERUSALEM An Unintended Conquest The battle for Jerusalem in June 1967 was a milestone in the turbulent history of the modern Middle East and in Jewish history Abraham Rabinovich arrived in Jerusalem five days before the war as an American reporter He witnessed the beginning of the battle from Mayor Teddy Kollek s office window Two days later he was on the Temple Mount with the paratroopers who captured it The book he subsequently wrote The Battle for Jerusalem was based on interviews with 300 soldiers and civilians The revised eBook edition adds a broad political context and an expanded examination of the Arab side of the story civilian and military This definitive account reveals the chance nature of events that led to the Israeli capture of Arab Jerusalem something Israel had not planned and which many ministers opposed Although the Israel Defense Forces had contingency plans for battle in many corners of the Middle East it had none for ancient Jerusalem on Israel s border the object of Jewish prayers for thousands of years Only as the tide of battle carried Israeli forces to the walls of the Old City did the political leadership come to view its capture as an historical dictate that the Jewish state could not avoid embracing Its capture would be improvised on the run *Among Lions* J. Robert Moskin,1982

The Battle for Jerusalem Abraham Rabinovich,2017-04-28 Including a chapter on post war Jerusalem Prose that is as graphic as it is lucid The Battle for Jerusalem is deservedly acclaimed as a classic of its genre Prof Howard M Sachar author of A History of Israel Extraordinarily dramatic Prof Edward N Luttwak author of Strategy The Logic of War and Peace Abraham Rabinovich arrived in Jerusalem five days before the Six Day War as a reporter for an American newspaper He covered the battle for the city and was on the Temple Mount a few hours after its capture To understand the momentous events he had witnessed he subsequently interviewed 300 soldiers officials and civilians The conquest of the Old City a major event in modern Middle East history was something that Israel s leaders had not planned and that some of them did not want The book was written soon after the war when memories were fresh The current revised edition expands the context political and military and offers new perspective from both sides of the battlefield With the outbreak of war with Egypt Israel sought to avoid a second front Hours after Jordan opened artillery fire Israel refrained from substantive retaliation as it sought a cease fire Only after Jordanian troops penetrated the Jewish city did Israel respond on the ground and even then in measured stages The Israeli cabinet was divided over capture of the Old City It was surprisingly the religious ministers who argued against it most vigorously They feared that Israel could not stand up to international pressure if it annexed an entity that was not just the cradle of Jewish history but also sacred to Christianity and Islam However events created a vacuum on the West

Bank into which Israel was inexorably pulled step by step We witness the heated debate in Jordanian military headquarters where King Hussein had handed over command of his army to an Egyptian general The latter s strategy was designed to meet Egypt s needs not Jordan s It would cost Jordan the West Bank The book begins with a description of Jerusalem as a divided city split between Israel and Jordan since Israel s War of Independence With the onset of the crisis in 1967 anxiety grips Israeli Jerusalem which had been besieged for months in the earlier war and elaborate emergency measures are set into motion On the Arab side of the city by contrast there is euphoria and anticipation of an easy victory Virtually nothing is done to prepare the civilian sector The Israeli general staff pushes for a pre emptive air strike against Egypt but the government resists Tensions reach a point where at least one general Ariel Sharon considers the possibility of a putsch The appointment of Moshe Dayan as defense minister opens the way to war Defense of Israeli Jerusalem is entrusted to the Jerusalem Brigade made up of local reservists The greatest concern is Mount Scopus an Israeli enclave behind Jordanian lines An Israeli armored brigade is dispatched from the coastal plain with orders to reach Scopus by flanking the Jordanian line It would have to breach thick minefields and scale difficult terrain as it races a brigade of Jordanian tanks coming up from Jericho With time pressing a paratroop brigade is ordered to relieve Scopus by driving through the center of the Jordanian defenses The reader follows the grueling battles in the trenches of Ammunition Hill and the streets of east Jerusalem through the eyes of the men who fought there We see the growing isolation of the Jordanian garrison in the Old City their last bastion In a room lit only by distant flares the Jordanian commander informs the local governor that he is pulling his troops out A number of soldiers choose to remain and engage the Israeli troops from the alleys and ramparts of the walled city A classic tale

Six Days Jeremy Bowen,2013-12-03 A fast paced hour by hour narrative of the 1967 war the most gripping military tale since the fall of France in the Second World War Daily Telegraph The ongoing tensions between Israel and Palestine are a complex and bloody legacy all stemming from six days of war in 1967 In this rigorous and original piece of modern history Jeremy Bowen not only sheds new light on one of the key conflicts of the twentieth century but also explains much about the Middle East and the problems it faces today After the state of Israel emerged from war in 1948 both sides knew more battles were coming In June of 1967 years of slow burning tension exploded In six extraordinary days Israel destroyed the armed forces of Egypt Jordan and Syria But far from bringing peace their stunning victory turned into a curse From the initial battle order issued to the Israeli air force on June 5 1967 to the final ceasefire on the evening of Saturday the 10th the Six Day War was a riveting human drama Building on original research and his own experience as a Middle East Correspondent Bowen presents a compelling new history of the conflict Interweaving testimonies of combatants from all sides Six Days vividly recreates the bullying and brinksmanship that led four nations to war

The Battle for Jerusalem Mordechai Gur,2004-08-31 Providing an unforgettable account of the events surrounding the critical Battle for Jerusalem during the 1967 Six Day War this fast paced narrative by Israeli chief of staff and field commander Gur brings alive all the

tension terror uncertainty hope and desperation of the conflict

Whispering the Secrets of Language: An Psychological Journey through **The Battle For Jerusalem June 5 71967**

In a digitally-driven earth wherever displays reign great and immediate interaction drowns out the subtleties of language, the profound secrets and mental nuances hidden within words frequently move unheard. However, situated within the pages of **The Battle For Jerusalem June 5 71967** a captivating literary treasure pulsing with natural feelings, lies an exceptional quest waiting to be undertaken.
