The Battle Of Hamel The Australians Finest Victory:

The Battle of Hamel John Laffin, 1999 The amazing and inspiring story of the capture of the German front line in July of 1918 It was the turning point of WWI which came to a victorious end shortly after Laffin is one of the world's most distinguished military historians and has written more than 60 books concerning war We Who Proudly Served Peter Francis Kenny, 2015-05-27 Although Australia is only a young country in comparison to other nations it can hold its head up high and proudly proclaim that it is one of the giants in this world of toil and trouble in which we live When the odds are stacked against Australians they don't turn and run instead they stand and fight and overcome the obstacles that face them The contents of this volume are a tribute to all the men and women of this proud and great country who have come from all walks of life to give of their time and unfortunately some have even given their lives to defend this great land and keep it free There have been politicians doctors nurses police officers average everyday citizens musicians actors artists farmers graziers authors sportsmen and women journalists and a host of others who have taken up the cause for their country and the monarchy serving from the Crimean to the war in Vietnam and beyond Their heroic deeds and their many sacrifices have ensured that today's generation can rest easier proud in the knowledge that these servicemen and women have paved the way for our freedom Now they come together once again as one big family to shed an insight on their achievements so that you can fully understand and appreciate what they have and had experienced I dedicate this work to the memory of all those who have made the supreme sacrifice in order that we may live in peace and prosperity and also to the families of those who did not return The book is not a glorification of war but a glorification of the individual and his or her actions and deeds

Beaten Down By Blood Michele Bomford, 2012-08-21 Beaten Down by Blood The Battle of Mont St Quentin Peronne 1918 charts an extraordinary journey from the trenches facing Mont St Quentin on 31 August 1918 through the frenetic phases of the battle until the final objectives are taken on 5 September This is the story often told in the words of the men themselves of the capture of the unattackable Mont and the invincible fortress town of Peronne two of the great feats of Australian forces in the First World War The Author places real men on the battlefield describing their fears and their courage and their often violent deaths The struggle for control of the battle to site the guns to bridge the Somme and maintain communications are portrayed in vivid detail The story also offers a glimpse of the men's families at home their anxiety and their life long grief Clash of the Gods of War William Westerman, Nicholas Floyd, 2020-03-01 The Great War confronted Australia's fledgling field and garrison artillery forces with a seemingly insurmountable challenge to rapidly raise prepare deploy and engage in history's most lethal war to date By 1915 the Australian artillery entered into a bloody contest of learning and adaptation against resourceful and resolute opponents where the stakes would be measured in thousands of soldiers' lives Far from popularly held views of the Great War as one of stalemate and stagnation Clash of the Gods of War Australian Artillery and the Firepower Lessons of the Great War reveals a dynamic and rapidly evolving battle scape as

artillery planners on each side sought to combine innovative concepts technology and tactics into victory The book draws on an unparalleled array of perspectives on artillery and firepower presented by Australian and international experts and practitioners over four years during the Firepower Lessons from the Great War seminar series commemorating the Centenary of Anzac From Anzac Cove to the Hindenburg Line Clash of the Gods of War tells a gripping Australian story of the Great War through the lens of artillery the most lethal and influential arm of the war and considers the legacy that its evolutionary journey holds for warfare today *The Battle of Hamel: Australia's Finest Victory* John Laffin,1999

Borrowed Soldiers Mitchell A. Yockelson,2016-01-18 The combined British Expeditionary Force and American II Corps successfully pierced the Hindenburg Line during the Hundred Days Campaign of World War I an offensive that hastened the war s end Yet despite the importance of this effort the training and operation of II Corps has received scant attention from historians Mitchell A Yockelson delivers a comprehensive study of the first time American and British soldiers fought together as a coalition force more than twenty years before D Day He follows the two divisions that constituted II Corps the 27th and 30th from the training camps of South Carolina to the bloody battlefields of Europe Despite cultural differences General Pershing s misgivings and the contrast between American eagerness and British exhaustion the untested Yanks benefited from the experience of battle toughened Tommies Their combined forces contributed much to the Allied victory Yockelson plumbs new archival sources including letters and diaries of American Australian and British soldiers to examine how two forces of differing organization and attitude merged command relationships and operations Emphasizing tactical cooperation and training he details II Corps performance in Flanders during the Ypres Lys offensive the assault on the Hindenburg Line and the decisive battle of the Selle Featuring thirty nine evocative photographs and nine maps this account shows how the British and American military relationship evolved both strategically and politically A case study of coalition warfare Borrowed Soldiers adds significantly to our understanding of the Great War Monash's Masterpiece Peter FitzSimons,2018-04-24 The Battle of Le Hamel on 4 July 1918 was an Allied triumph and strategically very important in the closing stages of WWI A largely Australian force commanded by the brilliant Sir John Monash fought what has been described as the first modern battle where infantry tanks artillery and planes operated together as a coordinated force Monash planned every detail meticulously with nothing left to chance Integrated use of tanks planes infantry wireless and even carrier pigeons was the basis and it went on from there down to the details everyone used the same maps with updated versions delivered by motorbike despatch riders to senior commanders including Monash Each infantry battalion was allocated to a tank group and they advanced together Supplies and ammunition were dropped as needed from planes The losses were relatively few In the words of Monash A perfected modern battle plan is like nothing so much as a score for an orchestral composition where the various arms and units are the instruments and the tasks they perform are their respective musical phrases Monash planned for the battle to last for 90 minutes in the end it went for 93 What happened in those

minutes changed for the rest of the war the way the British fought battles and the tactics and strategies used by the Allies Peter FitzSimons brings this Allied triumph to life and tells this magnificent story as it should be told *International Encyclopedia of Military History* James C. Bradford, 2004-12-01 With its impressive breadth of coverage both geographically and chronologically the International Encyclopedia of Military History is the most up to date and inclusive A Z resource on military history From uniforms and military insignia worn by combatants to the brilliant military leaders and tacticians who commanded them the campaigns and wars to the weapons and equipment used in them this international and multi cultural two volume set is an accessible resource combining the latest scholarship in the field with a world perspective on military history Combat Surgeons John Laffin, 1999 This fully illustrated tribute to doctors and nurses at war is a stirring testament to the skill and courage of the combat surgeons **The Great World War, 1914-45: Lightning strikes twice** Peter Liddle, J.
