Craig Bishop,2005 **Vivo, The Magic Bear** Florina Petre,2015-06-30 Vivo the Magic Bear is a story born from the desire to restore the hope to those who are sad and teach them how to rediscover their dreams and not to give them up again I m one of the billions of fans of Michael Jackson I wrote this book as a tribute in memory of the King of Pop and I dedicate it to his children and fans I could say that is a message for all those who love Michael Jackson and want him close to their hearts That s what I felt when I wrote this book each paragraph came like a twinkle in my mind in the moment I was thinking about Michael This book is magical because my inspiration came from magic and the magic is Michael Jackson himself During the writing of the book I felt I had to teach the children that each of us has the power to heal ourself and to accelerate healing The magic of the little bear Vivo is supported in reality by the awakening power of self suggestion the purpose of healing being in its entirety The person who will read or listen to the story will look at the little bear Vivo as a hero who can heal all wounds with his magic wing In a world where it s all about money and power here on the scene is a book that speaks to you about soul life and strength to move forward when you have a thousand reasons to quit This book is about the friendship between two magical beings who live on an island and the island is guarded by a good spirit M Angel Michael Jackson who helps the two friends in their adventures Vivo has a magical wing received as a gift from M Angel and the wing can heal and bring light Vivo and Puff are best friends and each has one single wing Only together can they fly In this way the story tells us to be united so that together we can win Together we can heal the world as Michael taught us to do Vivo will teach children and adults to be tolerant loving and brave When I designed this character I used the idea that each of us has the

power to heal through words through moral support with love Children around the world need a hero to teach them to believe in their dreams to grow and develop through positive thinking devoid of fear We must learn to be better because each of us is a step toward a better world We are the world and if we want to have loving people and streets devoid of violence we need to have models to teach us the importance of friendship love truth for all these Vivo is perfect There must be a small star to enlighten our souls and to teach us which are the true values of life We need spiritual light to be better more tolerant more loving to hope and to believe in our dreams *The Book of Rumi* Rumi, 2018 Philip Pullman author of His Dark Materials trilogy has remarked that after nourishment shelter and companionship stories are the thing we need most in the world This new collection of Rumi stories fills that need This fresh prose translation of 105 short teaching stories by Rumi which form the core of the six volume Masnavi explores the hidden spiritual aspects of everyday experience Rumi transforms the seemingly mundane events of daily life into profound Sufi teaching moments These prose gems open the mystical portal to the world of the ancient mystic These stories include well known and popular tales such as Angel of Death The Sufi and His Cheating Wife Moses and the Shepherd Chickpeas and The Greek and Chinese Painters as well as the less commonly quoted parables The Basket Weaver The Mud Eater and A Sackful of Pebbles Rumi's voice alternates between playful and authoritative whether he is telling stories of ordinary lives or inviting the discerning reader to higher levels of introspection and attainment of transcendent values Mafi's translations delicately reflect the nuances of Rumi's poetry while retaining the positive tone of all of Rumi's writings as well as the sense of suspense and drama that mark the essence of the Masnavi
